			SCAB CREEK	500	745
			MUDDY CREEK	600	515

*Patrol Cabin elk counted on Fish Creek feedground during 2020-2021 winter

**The NER does not have a WGF Commission quota. The Bison and Elk Management Plan calls for about 5,000 wintering elk on the NER

***North Piney elk typically move to Bench Corral by January annually

****2019-2020 classification data as elk were not fed on Soda Lake during 2020-2021 winter

*****2019-2020 classification data as elk were not fed on Fall Creek during 2020-2021 winter
