Section 3. Special Archery Seasons.

(a) There shall be special archery deer hunting seasons on the dates specified in Section 2. Special archery hunting seasons are specific to individual hunt areas by license type. During the special archery hunting seasons, archers are restricted to the limitations associated with the special archery season dates for a hunt area and license type.

(b) Archers shall possess a limited quota deer license or a General deer license and an archery license in order to hunt deer with archery equipment during any special archery season.

(c) Archers with a General deer license shall only hunt in those areas open to hunting with a General license and are restricted to the limitations associated with the special archery season dates for that hunt area as specified in Section 2.

(d) Archers with a limited quota deer license shall only hunt in the hunt area(s) where their license is valid and are restricted to the limitations associated with the special archery season dates as specified in Section 2.

Section 4. Disabled Hunter Season Extension.

(a) Any person qualified for and in possession of a Disabled Hunter Season Extension Permit issued by the Department in accordance with Commission regulation may hunt deer five (5) days prior to the earliest opening date in the hunt area(s) for their license type and is restricted to the limitations of their license type for the earliest opening date as specified in Section 2 of this Chapter.

(b) Hunters participating in a disabled hunter season extension shall be in possession of a Disabled Hunter Season Extension Permit which shall be immediately produced for inspection upon request of an officer authorized to enforce this regulation.

Section 5. Youth Deer Hunters. Youth hunters who possess a full price youth deer license may take any deer during an antlered deer season subject to the species limitation of their license in the hunt area(s) where their license is valid as specified in Section 2 of this Chapter. However, no youth hunter shall take a mule deer during a season in which the limitations of their license type is only valid for white-tailed deer as specified in Section 2 of this Chapter.

Section 6. Nonresident Region General Deer License Quotas.

(a) Nonresident region General deer licenses shall only be valid within the specific region for which they are issued and for only those hunt areas in the Region as listed in this section.

(b) Quotas of nonresident region General deer licenses are established for the regions and shall not exceed the numbers specified in this section.
