IMPORTANT HUNTER INFORMATION

DISCLAIMER. The following sections are a condensed summary of applicable wildlife laws and other important information. This summary is in no way intended to alter the content or statutory intent of those laws. If you have any questions regarding the precise language, you can view a copy of the State Statutes (Title 23) and Wyoming Game and Fish Commission (Commission) Regulations, available at the Cheyenne Headquarters, Department Regional Offices, the Department website or consult the following websites:  http:// soswy.state.wy.us or http://legisweb.state.wy.us.

ACCESS ON LANDS ENROLLED IN THE DEPARTMENT’S WALK-IN AREAS OR HUNTER MANAGEMENT AREAS. Access to private lands enrolled in the Walk-in or Hunter Management Program is granted only for the species of wildlife and for the time periods specified in Department publications. Travel by motorized vehicle is prohibited, except as otherwise stated. Hunters wishing to use enrolled private lands for any other wildlife species, activity or time period must obtain permission from the landowner or person in charge of the property. Department publications or signs shall serve as official regulations of the Commission and may advise of additional restrictions. The landowner or person in charge of the property may grant permission for motorized vehicle travel contrary to that specified by Department signs or publications.

ACCESS YES PROGRAM. The Access Yes Program was established to help address the difficulties of finding places to hunt and fish. Hunters and anglers can voluntarily donate any whole dollar amount to Access Yes when they purchase or apply for a license. Contributions are used to secure additional public hunting and fishing access on private lands and inaccessible public lands. Donating helps support the program, but does not provide or imply access to all private or inaccessible public lands in Wyoming.
AGE RESTRICTIONS; BIG OR TROPHY GAME. The minimum age to take any big or trophy game animal is twelve (12) years. Youths under fourteen (14) years of age shall at all times be accompanied by an adult who possesses and can exhibit a hunter safety certificate, or who has been issued a Wyoming big game hunting license within the last five (5) years. If the accompanying adult is not the youth’s parent or guardian, the youth shall have in their possession a permission slip signed by their parent or guardian allowing them to hunt under supervision. Each accompanying adult shall supervise not more than one (1) hunter under fourteen (14) years of age.

ARCHERY EQUIPMENT. Archery equipment is legal to take game animals. When hunting antelope, bighorn sheep, black bear, deer, mountain goat, mountain lion, or gray wolf where designated as a trophy game animal, an archery hunter shall use a longbow, recurve bow or compound bow of not less than forty (40) pounds draw weight. When hunting elk or moose, an archery hunter shall use a longbow, recurve bow or compound bow of not less than fifty (50) pounds draw weight. A crossbow hunter shall use a crossbow having a peak draw weight of at least ninety (90) pounds and a bolt of at least sixteen (16) inches in length. The broadhead used on arrows or bolts shall not pass through a seven-eighths (7/8) inch solid ring when fully expanded.

ARCHERY LICENSES AND SPECIAL ARCHERY SEASONS. No person shall hunt big game or trophy game animals with archery equipment during a special archery hunting season without first obtaining an archery license and the appropriate hunting license. No person holding an archery license shall take big game or trophy game animals during a special archery hunting season or limited quota archery season by the use of any type of firearm. Upon request by a game warden or other Wyoming law enforcement officer, a person who has taken a big or trophy game animal during a special archery hunting season or limited quota archery only hunting season shall allow testing of the animal’s tissue for confirmation of compliance with this section.

ARTIFICIAL LIGHT FOR HUNTING PROHIBITED; EXCEPTION. No person shall take any wildlife with the aid of or by using any artificial light or lighting device except that predators may be taken with the aid of an artificial light or lighting device by:

(i) A public officer authorized to and conducting predator control;

(ii) A landowner, resident manager or person with the landowner’s or a resident manager’s written permission to take predators, on land under the landowner’s control for the protection of their property.

It is prima facie evidence of a violation if a person uses an artificial light in an area that may be inhabited by wildlife while having in their possession and control any device for taking wildlife. This shall not prohibit the hunting on foot of raccoon with the aid of a handlight, provided the hunter is accompanied by a raccoon hunting dog and, if hunting on private land(s), has the written permission of the landowner or their agent.

AUTOMATIC WEAPON AND SILENCERS. No person shall take any wildlife with any fully automatic weapon. Firearm silencers may be used during the legal taking of any game animal.

BAG LIMITS AND NUMBER OF LICENSES. No person shall apply for or receive more than one (1) license valid for each big or trophy game species during any one (1) calendar year, except as otherwise allowed by Commission regulations. The maximum bag limit is one (1) big or trophy game animal per each valid license held, and in accordance with age, sex, species, and antler
BAIT RESTRICTIONS. No person shall take a game animal, game bird or game fish and use any part thereof for bait to hunt, trap or poison any wildlife of Wyoming.

CHECK STATIONS. Every hunter, angler or trapper entering or leaving areas for which check stations have been established shall stop and report at the check station if the check station is on the hunter’s, angler’s or trapper’s route to and from the hunting or fishing area. This requirement applies even if the person does not have wildlife in possession. Game and fish licensees shall produce their licenses, permits or stamps as required by regulation for any game animals, game birds, fish or fur-bearing animals in their possession for inspection upon request by any authorized department representative.

CLOSED AREAS. All areas within the state of Wyoming not opened by specific order of the Commission shall be closed to the taking of game animals, fur-bearing animals and game birds.

CLOTHING REQUIREMENTS; HUNTERS REQUIRED TO WEAR FLUORESCENT ORANGE CLOTHING. All persons hunting big or trophy game during an open firearm season, shall wear in a visible manner one (1) or more exterior garments of a fluorescent orange color that shall include at least one of the following: a hat, shirt, jacket, coat, vest or sweater. Fluorescent orange camouflage is legal. Hunters participating in limited quota muzzle-loading seasons are also required to meet the fluorescent orange requirements. Archers and crossbow hunters hunting during a special archery season or limited quota archery only Type 9 season are exempt from this requirement.

CONSERVATION STAMP REQUIRED; EXEMPTIONS. Each person licensed to hunt or fish in Wyoming shall purchase one (1) conservation stamp valid for the calendar year. The stamp shall be signed in ink and shall be in possession of the person while hunting or fishing. Hunters or anglers who acquire a lifetime conservation stamp or a conservation stamp authorization from the Department’s Electronic Licensing Service (ELS) shall not be required to meet the signature provision.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising privileges under THESE licenses:

- Daily hunting or fishing license;
- Special limited fishing permit holders; or,
- Wyoming fifty (50%) percent disabled veteran fishing license;

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under ANY Wyoming license. Conservation stamps may be purchased from the Cheyenne Headquarters, Department Regional Offices, license selling agents throughout the state and the Department website. A lifetime conservation stamp may be purchased by applying to the Cheyenne Headquarters or through any Department Regional Office.
DATING AND DISPLAY OF GAME ANIMAL CARCASS COUPONS.
When any big game animal, trophy game animal or wild turkey is killed under a license, or sandhill crane is killed under a limited quota sandhill crane permit, the licensee shall detach, sign and date the proper carcass coupon and attach the coupon to the carcass in a readily visible manner before leaving the site of the kill. When dating a carcass coupon, the entire day and month of the kill shall be completely cut out and removed. The carcass coupon shall remain on the game animal or game bird carcass at all times until the meat undergoes processing, or on the trophy game animal hide until it reaches the hunter’s home or a taxidermist, except that during transportation of the carcass or hide, the validated carcass coupon may be removed to prevent its loss. If the carcass coupon is removed for transportation of the carcass or hide, it must be completely filled out and in the possession of the person accompanying the carcass or hide at all times. Contact: Wyoming State Board of Outfitters at 1950 Bluegrass Circle Suite 280, Cheyenne, Wyoming, 82002 or call toll free 1-800-264-0981. PRECAUTIONS WHEN HUNTING IN AREAS OCCUPIED BY GRIZZLY BEARS. Hunters and anglers are reminded grizzly bears occupy many areas in and around the Bridger-Teton, Shoshone and Caribou-Targhee National Forests in northwest Wyoming. The Department strongly recommends individuals working and recreating in these areas take precautions, including carrying bear pepper spray, to avoid conflicts with grizzly bears. Information about human safety and proper storage of food and other attractants in occupied grizzly habitat is available from the Cheyenne Headquarters, Department Regional Offices, U.S. Forest Service Offices and the Department website. Regulations concerning food/carcass storage in occupied grizzly habitat can be obtained from the U.S. Forest Service. Report all conflicts with grizzly bears to the nearest Department Regional Office.

PROHIBITED ACTS. IT IS ILLEGAL TO:

- Shoot or attempt to kill any wildlife from any public road or highway. No person shall fire any firearm from, upon, along or across any public road or highway. No person shall knowingly fire any rifle from the enclosed lands of one person onto or across the enclosed lands of another without the permission of both persons.
- Use any dog to hunt, run or harass any big or trophy game animal, protected animal or furbearing animal except as otherwise provided by statute. The Commission shall regulate the use of dogs to take mountain lions and bobcats during hunting or trapping seasons.
- Use any aircraft with the intent to spot, locate and aid in the taking of any game animal from August 1 through January 31 of the following calendar year. Nothing in this Section shall apply to the operation of an aircraft in a usual manner where there is no attempt or intent to locate any game animal, such as aircraft used for the sole purpose of passenger transport.
- Take and leave, abandon or allow the edible portion of any game bird, game fish or game animal (except trophy game animal) to intentionally or needlessly go to waste.
Gray Wolves are designated as predatory animals in all areas of Wyoming outside of Hunt Areas 1-11, except those areas of the state listed in Section 4(a) on Page 14. Gray Wolves within Hunt Areas 1-11 are designated as trophy game animals. For Hunt Area 12, please refer to Section 4(j) on Page 16 for specific information regarding the Gray Wolf designation.

Refer to Section 8 on Page 18 regarding the taking of Gray Wolves designated as predatory animals.
THIS MAP IS FOR GENERAL REFERENCE ONLY. Please use the written boundary descriptions in this regulation for detailed boundary information.

NOTE: Wilderness areas, nonresident gray wolf hunters must have a licensed guide.
Transport illegally taken wildlife across state lines; such transportation is a violation of the Federal Lacey Act.

Harass, pursue, hunt, shoot or kill any Wyoming wildlife except predatory animals with, from or by use of any flying machine, automotive vehicle, trailer, motor-propelled wheeled vehicle or vehicle designed for travel over snow. The Commission may exempt handicapped hunters from any of these provisions. It is also illegal to shoot waterfowl from a boat under power or sail.

**SHIPPING GAME ANIMALS AND GAME BIRDS OUT OF STATE.** Except as otherwise exempt by state statute, no game animal or game bird, or any part thereof, shall be shipped or transported from the state except by the person who harvested the animal, and in possession of the proper license, stamp and carcass coupon as required, or unless the amount does not exceed twenty-five (25) pounds and is properly tagged with a Wyoming interstate game tag. Not more than twenty-five (25) pounds from any one (1) big or trophy game animal may be exported from the state unless the part to be exported from the state is of a nonedible trophy or hidelike nature and properly tagged with a Wyoming interstate game tag or the big or trophy game animal was legally harvested by a nonresident and is tagged with a Wyoming interstate game tag.

**SHIPPING GAME ANIMALS AND GAME BIRDS WITHIN WYOMING.** Except as otherwise exempt by state statute, no person shall ship, transport or receive for shipment or transportation within Wyoming any game animal, game bird, or any part thereof, unless tagged with a Wyoming interstate game tag, or unless the transportation of a big or trophy game animal is by a person in possession of a proper carcass coupon signed and dated by the person who harvested the animal, or the transportation of game birds or small game is by a properly licensed hunter in possession of not more than the daily bag or possession limit.

**TAKING PREDATORY ANIMALS AND PREDACIOUS BIRDS.** Predatory animals and predacious birds may be taken without a license.

**VEHICLE RESTRICTIONS ON FEDERAL LAND.** Sportspersons are advised that many areas of National Forest and Bureau of Land Management lands are subject to travel and vehicle use limitations to protect resources. Maps and additional information regarding these limitations are available at U.S. Forest Service, Bureau of Land Management and other agency offices near these public lands.

**WILDERNESS AREA.** Nonresident big game and trophy game hunters must be accompanied by a professional or resident guide when hunting in designated wilderness areas.

**WILDLIFE DAMAGE MANAGEMENT STAMP.** The “WILDLIFE DAMAGE MANAGEMENT STAMP” is an optional stamp sportspersons may voluntarily purchase to support activities of the Wyoming Animal Damage Management Board. The Wyoming Legislature originally created the Board to manage rabid wildlife, mitigate crop and livestock damage caused by depredating wildlife, and to protect human health and safety. The legislation developed several sources of funding for the Board to carry out its responsibilities including creation of this management stamp. Purchase of the stamp is not mandatory, but does provide sportspersons a voluntary means to fund predator management.

**WILDLIFE VIOLATOR COMPACT.** Wyoming is a member of the Wildlife Violator Compact. The Compact enables a violator from any member state to accept a wildlife citation and proceed on their way without being required to post an appearance bond unless the violation requires MUST APPEAR and NO BOND
ACCEPTED. The Compact provides for the suspension of wildlife license privileges in the home state of any person whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at (307) 233-6413.

WIND RIVER RESERVATION. Only non-Indian owned, fee title lands are open to the taking of wildlife with a State of Wyoming license. Land status is complicated and lawful access must be investigated thoroughly. Sportspersons are advised it is their responsibility to determine land status prior to entering these areas.
