Wyoming is still here, and it's still wild.

By Brian Nesvik, Game and Fish Director

Dear Hunters,

The arrival of this fall's hunting season is more welcome than ever before. I've never needed much of an excuse to go hunting, but this year I feel particularly fortunate to be able to go afield in Wyoming's incredible outdoors.

It's for a few different reasons. This year has made me more thankful for the ability to bring back food from my time afield to feed my family. Wild game finds its way to my table more often than not because I take advantage of my opportunity to harvest game, but also because it is healthy and tasty. The Wyoming Game and Fish Department is proud to be able to offer thousands of licenses for you to do the same. Hunters know wild game is a natural source of nutritious food for families, and this year you can share that bounty with others. With Wyoming First Lady Jennie Gordon, we have launched Food from the Field where hunters can donate meat to others who are in need. To learn more, go to www.nohungerwyo.org/field.

Additionally, hunters make the outdoors better and have a big role in ensuring we have healthy wildlife and wildlife habitats in the future. As sportspeople, your support and care for wildlife and the outdoors is why Wyoming's pronghorn, deer and elk are some of the best in the world. When you buy a hunting license, you pay for conservation and wildlife management. That means your license purchases have improved habitat so the big game you hunt are healthy or have ample access to public and private land for your pursuits. Thank you for choosing Wyoming for your 2020 fall hunts.

I'm glad to rely on hunting during uncertain times, especially as a healthy outlet to exercise and relax. When hunting, I remember while so much has changed in the world, there is still plenty the same. Simply put — Wyoming is still wild. I'm looking forward to this hunting season and our tremendous diversity and abundance of game.

Take time to savor the Wyoming outdoors and your hunting trips. Use these regulations as your guide this fall and best of luck in your harvests.

Disclaimer. The following sections are a condensed summary of applicable wildlife laws and other important information. This summary is in no way intended to alter the content or statutory intent of those laws. If you have any questions regarding the precise language, you can view a copy of the State Statutes (Title 23) and Wyoming Game and Fish Commission (Commission) Regulations, available at the Cheyenne Headquarters, Department Regional Offices, the Department website or consult the following websites: https://soswy.state.wy.us or https://wyoleg.gov.

Access on Lands Enrolled in the Department's Access Yes Walk-In Areas or Hunter Management Areas. Access to private lands enrolled in the Access Yes Walk-In or Hunter Management Program is granted only for the species of wildlife and for the time periods specified in Department publications. Travel by motorized vehicle is prohibited, except as otherwise stated. Hunters wishing to use enrolled private lands for any other wildlife species, activity or time period must obtain permission from the landowner or person in charge of the property. Department publications or signs shall serve as official regulations of the Commission and may advise of additional restrictions. The landowner or person in charge of the property may grant permission for motorized vehicle travel contrary to that specified by Department signs or publications.

Access Yes Program. The Access Yes Program was established to help address the difficulties of finding places to hunt and fish. Sportspersons can voluntarily donate any whole dollar amount to Access Yes when they purchase or apply for a license or any time throughout the year on the Department website. Contributions are used to secure additional public hunting and fishing access on private lands and inaccessible public lands. Donating helps support the program, but does not provide or imply access to all private or inaccessible public lands in Wyoming.

Age Restrictions; Big or Trophy Game. The minimum age to take any big or trophy game animal is twelve (12) years. Youths under fourteen (14) years of age shall at all times be accompanied by an adult who possesses and can exhibit a hunter safety certificate, or who has been issued a Wyoming big game hunting license within the last five (5) years. If the accompanying adult is not the youth's parent or guardian, the youth shall have in their possession a permission slip signed by their parent or guardian allowing them to hunt under supervision. Each accompanying adult shall supervise not more than one (1) hunter under fourteen (14) years of age.

Archery Equipment. Archery equipment is legal to take game animals. When hunting antelope, bighorn sheep, black bear, deer, mountain goat, mountain lion, or gray wolf where designated as a trophy game animal, an archery hunter shall use a longbow, recurve bow or compound bow of not less than forty (40) pounds draw weight. When hunting elk or moose, an archery hunter shall use a longbow, recurve bow or compound bow of not less than fifty (50) pounds draw weight. A crossbow hunter shall use a crossbow having a peak draw weight of at least ninety (90) pounds and a bolt of at least sixteen (16) inches in length. The broadhead used on arrows or bolts shall not pass through a seven-eighths (7/8) inch solid ring when fully expanded.

Archery Licenses and Special Archery Seasons. No person shall hunt big game or trophy game animals with archery equipment during a special archery hunting season without first obtaining an archery license and the appropriate hunting license. No person holding an archery license shall take big game or trophy game animals during a special archery hunting season or limited quota archery season by the use of any type of firearm. Upon request by a game warden or other Wyoming law enforcement officer, a person who has taken a big or trophy game animal during a special archery hunting season or limited quota archery only hunting season shall allow testing of the animal's tissue for confirmation of compliance with this section.

Artificial Light for Hunting Prohibited; Exception. No person shall take any wildlife with the aid of or by using any artificial light or lighting device except that predators may be taken with the aid of an artificial light or lighting device by:

(i) A public officer authorized to and conducting predator control;

(ii) A landowner, resident manager or person with the landowner's or a resident manager's written permission to take predators, on land under the landowner's control for the protection of their property.

It is prima facie evidence of a violation if a person uses an artificial light in an area that may be inhabited by wildlife while having in their possession and control any device for taking wildlife. This shall not prohibit the hunting on foot of raccoon with the aid of a handlight, provided the hunter is accompanied by a raccoon hunting dog and, if hunting on private land(s), has the written permission of the landowner or their agent.

CHRONIC WASTING DISEASE INFORMATION

Chronic wasting disease (CWD) is a fatal disease of the central nervous system in mule deer, white-tailed deer, elk and moose. Special regulations were adopted by the Department to decrease the spread of the disease. Details about CWD, where it exists in Wyoming and testing for the disease are provided on the Department website. For more information on CWD or to check your CWD sample results, please visit: https://wgfd.wyo.gov/Wildlife-in-Wyoming/More-Wildlife/Wildlife-Disease/CWD-in-Wyoming-Wildlife. For hunters wanting to collect lymph nodes from their harvested deer, elk or moose for CWD testing can watch a video on how to do so at: Wyoming Game and Fish Department - Lymph node removal video

Most animals infected with CWD show no clinical signs early on, but after a year of being infected with the disease, animals will begin to show weight loss, reluctance to move, excessive salivation, droopy ears, increased drinking and urinating, lethargy and eventually death. Not all animals will show the typical signs of CWD. The majority of all CWD positive animals harvested appear completely normal. The only way to know whether your harvested animal has CWD is to have it tested.

There are several ways to get your harvested animal tested:

- Game check station – someone is normally available to sample your harvested animal for CWD.
- WGFD regional office – you may have to leave the head if personnel are not immediately available.
- Results from WGFD surveillance are usually available online within 3 weeks.
- If you want results within 10 working days, contact the Wyoming State Veterinary Lab in Laramie at (307) 766-9925 ($30 fee).
- Quarter and freeze your animal until test results are returned to save on meat processing costs if your animal is positive.

To date, there have been no cases of CWD in humans and no direct proof that humans can get CWD. However, public health officials recommend that CWD positive animals not be consumed. Some basic precautions that hunters can take to reduce their risk to CWD include: do not consume any animal that tests positive for CWD; do not harvest or consume any animal that appears sick; wear rubber or latex gloves when field dressing carcasses; minimize handling of brain, eyes, lymph nodes, spleen or spinal cord; and, wash your hands and utensils thoroughly after field dressing or processing game meat. Knives and other butchering equipment can be disinfected by soaking in 50% household bleach for 1 hour (may rust some equipment).

Transportation and Disposal of Deer, Elk and Moose Taken within Wyoming – Chronic Wasting Disease (CWD) Provisions.

(a) Deer, elk and moose taken in Wyoming may be transported within Wyoming to a camp, a private residence for processing, a taxidermist, a processor, or a CWD sample collection site in Wyoming, provided the head and all portions of the spinal column remain at the site of the kill or such parts are disposed of in any approved landfill or approved incinerator in Wyoming.

(b) Except as provided in this subsection (a) of this section, only the following parts of any deer, elk or moose taken in Wyoming may be transported in Wyoming: edible portions with no part of the spinal column or head attached; cleaned hide without the head; skull or skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or, finished taxidermy mounts.

(c) Only the following parts of any deer, elk or moose taken in Wyoming may be transported to other states, provinces or countries: edible portions with no part of the spinal column or head; cleaned hide without the head; skull or skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or finished taxidermy mounts. Whole deer, elk and moose carcasses shall not be transported out of Wyoming.

(d) Nothing in this section shall apply to the transportation or disposal of deer, elk and moose taken by any governmental agency or educational institution.

Importation of Deer, Elk or Moose Taken From Outside of Wyoming

(a) Deer, elk or moose taken from within any other state, province or country may only be imported into Wyoming if carcasses are transported directly to a private residence for processing, to a taxidermist, to a processor or to a CWD sample collection site provided the head and all portions of the spinal column are disposed of in an approved landfill or incinerator.

Mandatory CWD Sample Submission

The Department may mandate hunters submit CWD samples from harvested deer, elk and moose from designated hunt areas within Wyoming to evaluate testing, monitoring and management actions.

If the Department mandates hunters submit CWD samples, public notice shall be given through the Department website, publications and news releases.

(a) Mandatory submission of CWD samples from harvested deer, elk and moose may be established annually by the Department when necessary to meet its CWD testing and monitoring requirements or to implement and evaluate management actions related to CWD. Mandatory CWD sample submission of deer, elk and moose shall end when the Department achieves sampling goals for designated hunt areas, as stipulated by Department personnel prior to enacting any mandatory CWD sample submission. The Department shall determine the type, time frame and method of CWD sampling required for submission.

(b) When the Department mandates hunters submit CWD samples, public notice shall be given through posting of mandatory submission requirements in Department offices and designated license selling agents, electronic or traditional mailings to known license holders (and other sportspersons) and through the Department website, publications and news releases.

(c) It shall be a violation of Commission regulation for a hunter to fail to submit mandated CWD samples in accordance with this section

Automatic Weapon and Suppressors. No person shall take any wildlife with any fully automatic weapon. Firearm suppressors may be used during the legal taking of any game animal.

Bag Limits and Number of Licenses. No person shall apply for or receive more than one (1) license valid for each big or trophy game species during any one (1) calendar year, except as otherwise allowed by Commission regulations. The maximum bag limit is one (1) big or trophy game animal per each valid license held, and in accordance with age, sex, species and antler or horn development limitations as specified by Commission regulation.

Baiting of Big Game Animals Prohibited; Exception for Qualified Disabled Persons. No person shall take any big game animal over, or by the use of bait, except as follows: any legally blind person, person confined to a wheelchair, person hunting with a permit issued pursuant to Wyoming Statute § 23-3-304 (d) (iv) or any person hunting with a license issued pursuant to Wyoming Statute § 23-1-705 (j) may place a bait for big game or take a big game animal by the use of bait.

Bear Pepper Spray Required When Hunting in Grand Teton National Park (Elk Hunt Areas 75 and 79). All persons hunting elk in Grand Teton National Park shall carry and have readily accessible bear pepper spray.

Carcass Coupons; Dating and Display. When any big game animal, trophy game animal or wild turkey is killed under a license, or sandhill crane is killed under a limited quota sandhill crane permit, **the licensee shall detach, sign and date the proper carcass coupon and attach the coupon to the carcass in a readily visible manner before leaving the site of the kill. When dating a carcass coupon, the entire day and month of the kill shall be completely cut out and removed.** (See page 6.) The carcass coupon shall remain on the game animal, wild turkey or sandhill crane carcass at all times until the meat undergoes processing, or on the trophy game animal hide until it reaches the hunter's home or a taxidermist, except that during transportation of the carcass or hide, **the validated carcass coupon may be removed to prevent its loss.** If the carcass coupon is removed for transportation of the carcass or hide, it must be completely filled out and in the possession of the person accompanying the carcass or hide at all times. While quarters or pieces of an animal are being packed from the field, the carcass coupon shall remain with the person transporting the animal.

Check Stations. Every hunter, angler or trapper entering or leaving areas for which check stations have been established shall stop and report at the check station if the check station is on the hunter's, angler's or trapper's route to and from the hunting or fishing area. This requirement applies even if the person does not have wildlife in possession. Game and fish licensees shall produce their licenses, permits or stamps as required by regulation for any game animals, game birds, fish or furbearing animals in their possession for inspection upon request by any authorized department representative.

Closed Areas. All areas within the state of Wyoming not opened by specific order of the Commission shall be closed to the taking of game animals, furbearing animals and game birds.

Clothing Requirements. Hunters Required to Wear Fluorescent Orange or Fluorescent Pink Clothing. All persons hunting big or trophy game during an open firearm season, shall wear in a visible manner one (1) or more exterior garments of a fluorescent orange or fluorescent pink color that shall include at least one of

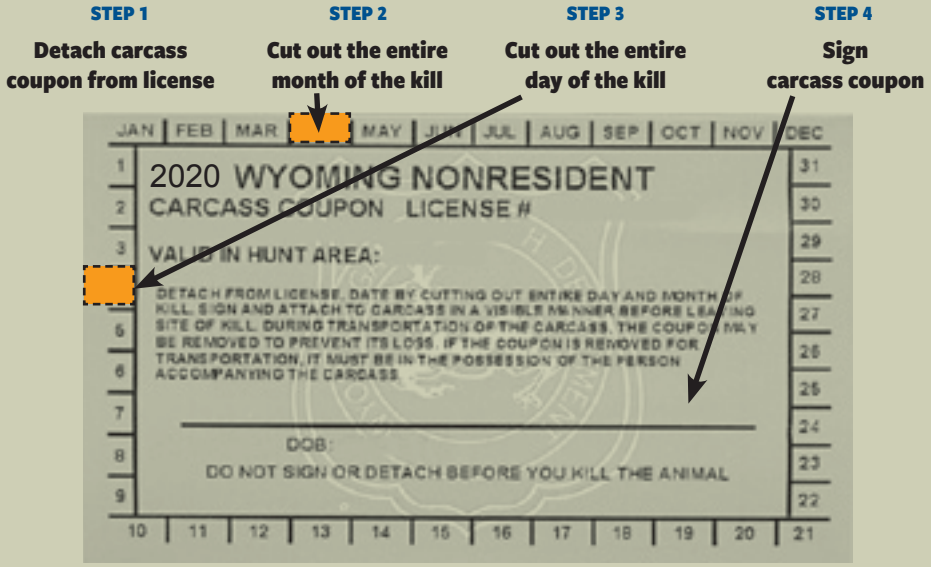

Common violations GENDER EVIDENCE

Many Wyoming hunting licenses only allow the taking of a specific sex of animal. There are also season dates in some hunt areas when only a specific sex of animal can be taken. To satisfy the proof of sex requirement, the regulation states: "in areas where the taking of any big game animal is restricted to a specific sex of animal, either the visible external sex organs, head or antlers shall accompany the animal as a whole or edible portion thereof."

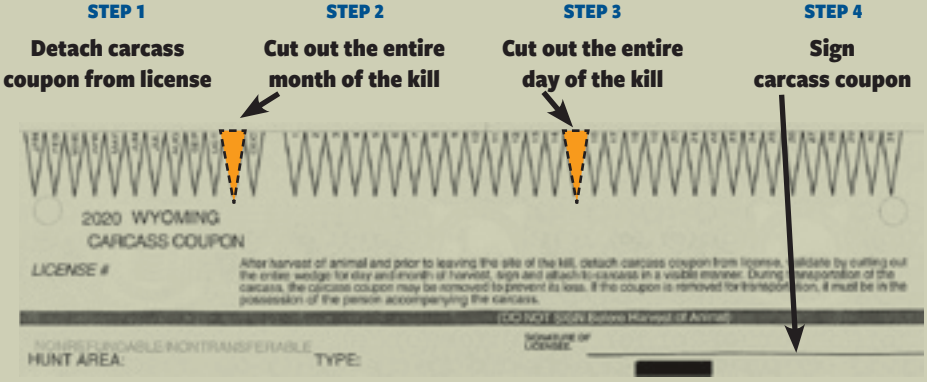

HOW TO FILL OUT A CARCASS COUPON

IMMEDIATELY AFTER Harvesting a Big Game Animal and **BEFORE LEAVING** the Site of the Kill do **ALL** of the following:

IMMEDIATELY AFTER Harvesting a Big Game Animal and **BEFORE LEAVING** the Site of the Kill do **ALL** of the following:

the following: a hat, shirt, jacket, coat, vest or sweater. Fluorescent orange camouflage or fluorescent pink camouflage are legal. Hunters participating in limited quota muzzle-loading seasons are also required to meet the fluorescent orange or fluorescent pink requirements. Archers and crossbow hunters hunting during a special archery season or limited quota archery only Type 9 season are exempt from this requirement.

Conservation Stamp Required; Exemptions. Beginning in 2020, Conservation stamps will only be available electronically through the Department's Electronic Licensing Service (ELS), and may be purchased from the Cheyenne Headquarters, Department Regional Offices, license selling agents throughout the state and the Department website.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising privileges under THESE licenses:

- Daily hunting or fishing license;
- Nonresident five (5) consecutive day fishing license;
- Special limited fishing permit holders; or,
- Wyoming fifty (50%) percent disabled veteran fishing license.

Persons holding the following licenses are exempt from the requirement to purchase a conservation stamp while exercising hunting or fishing privileges under ANY Wyoming license. The person shall, at all times, be in possession of the license allowing the conservation stamp exemption while in the field:

- Any Wyoming pioneer hunting or fishing license;
- Wyoming one hundred (100%) percent disabled veteran game bird, small game and fishing license;
- Military combat general elk or general deer license;
- Military combat game bird or small game license;
- Licenses reissued to a veteran with disabilities or a person with a permanent disability who uses a wheelchair; or,
- Resident United States Military Purple Heart Medal recipients.

A lifetime conservation stamp may be purchased by applying to the Cheyenne Headquarters or through any Department Regional Office.

Credit Card Fee. The Department shall charge a two point five percent (2.5%) credit card processing fee of the cost of any license, permit, stamp, tag, preference point or competitive raffle chance applied for or purchased by the use of a credit card.

Common violation

FAIL TO PRODUCE CONSERVATION STAMP

Hunters and anglers must purchase a conservation stamp to hunt and fish in Wyoming. There are exceptions for holders of a Pioneer license or a one-day license. Those individuals should refer to regulations for details.
(See page 6)

(30) feet perpendicular to the edge of the road surface on an unfenced public road or highway shall be considered the public road or highway. Two-track trails on public lands are not public roads.

"Regular hunting seasons" means seasons which delineate the dates and hunt areas for the taking of big game or trophy game animals with legal weapons in accordance with the license types and limitations set forth in Section 2 of Chapters 5 (Antelope), 6 (Deer), 7 (Elk) and 8 (Moose); Sections 3 and 7 of Chapter 9 (Bighorn Sheep and Mountain Goat); Section 10 of Chapter 3 (Black Bear); Section 3 of Chapter 42 (Mountain Lion); and, Section 4 of Chapter 47 (Gray Wolf) of the Commission regulations.

"Resident" means a United States citizen or legal alien who is domiciled in Wyoming for at least one (1) full year immediately preceding making application for any resident game and fish license, preference point, permit or tag, shall not have claimed residency in any other state, territory or country for any other purpose during that one (1) year period, and meets the requirements specified in Wyoming Statutes § 23-1-102 and § 23-1-107.

"Site of the kill" means the location where the harvested animal died.

"Special archery seasons" means seasons that delineate the dates and hunt areas for the taking of big game or trophy game animals with legal archery equipment, in which a hunter with the proper hunting license and an archery license may hunt in addition to the regular hunting seasons in accordance with the limitations as set forth in Section 2 of Chapters 5 (Antelope), 6 (Deer), 7 (Elk), 8 (Moose), Sections 3 and 7 of Chapter 9 (Bighorn Sheep and Mountain Goat) and Section 11 of Chapter 3 (Black Bear).

"Spike elk" means an elk with at least one (1) antler consisting of a single unbranched beam.

"State Trust Land" means lands administered by the Office of State Lands and Investments.

"Take" means hunt, pursue, catch, capture, shoot, fish, seine, trap, kill, or possess, or attempt to hunt, pursue, catch, capture, shoot, fish, seine, trap, kill or possess.

"Trophy game animal" means black bear, grizzly bear, mountain lion, or any gray wolf within the Wolf Trophy Game Management Area and Seasonal Wolf Trophy Game Management Area as described in Wyoming Statute § 23-1-101 (a) (xii) (B) (I) and (II).

"Type" means a limitation on a license in a particular hunt area for the sex of animal, the species of animal, the length of the season, the type of weapon or a portion of the hunt area in which the license shall be valid.

"Waste" means to leave, abandon or allow any edible portion of meat from a big game animal, game bird, game fish or small game animal to become tainted, rotten or otherwise unfit for human consumption prior to processing at a person's home or at a processor.

"Youth license" means:

- A big game license that may be issued to a resident or nonresident individual who is at least eleven (11) years of age and under eighteen (18) years of age at the time of application. If issued to a person who is eleven (11) years of age, the license shall not be valid until the licensee reaches their twelfth (12th) birthday.
- For all other species, excluding furbearing animals, requiring a license to take, youth license means a license that may be issued to a resident or nonresident individual who is under eighteen (18) years of age.
- A furbearer trapping license that may be only issued to a resident under seventeen (17) years of age.

Department Website. https://wgfd.wyo.gov

Disabled Hunter Information. Contact the Cheyenne Headquarters or any Department Regional Office for specific information.

Duplicate and Replacement License Issued Upon Loss or Destruction of Original; Purchase and Fees. When any license issued has been lost or destroyed, the licensee may secure a duplicate of the original license

from the Cheyenne Headquarters, any Department Regional Office or designated license selling agents. A duplicate license shall be issued if the original license **contained a carcass coupon.**

A replacement license shall be issued if the original license did not contain a carcass coupon. The licensee may secure a replacement license at the Cheyenne Headquarters, Department Regional Offices or from ELS agents. The Department shall charge a fee of seven dollars ($7) for each duplicate or replacement license.

Emergency Closures. The Commission may institute an emergency closure by regulation to shorten the season in any area at any time if a harvest quota is reached or if an emergency arises warranting the closure. Should a closure become necessary after the season opens, no refunds will be given for unused licenses.

Firearm Calibers for Hunting Big Game, Black Bear, Mountain Lion or Gray Wolf. When hunting **bighorn sheep, elk, moose, mountain goat or black bear** by the use of a firearm, a hunter shall use any center-fire firearm of at least .24 caliber and firing a cartridge of at least two (2) inches in overall length and using an expanding point bullet. When hunting **antelope, deer, mountain lion, or gray wolf** where designated as a trophy game animal, a hunter shall use any center-fire firearm of at least .22 caliber (excluding .22 Hornet) and having a bullet weight of at least sixty (60) grains and firing a cartridge of at least two (2) inches in overall length and using an expanding point bullet.

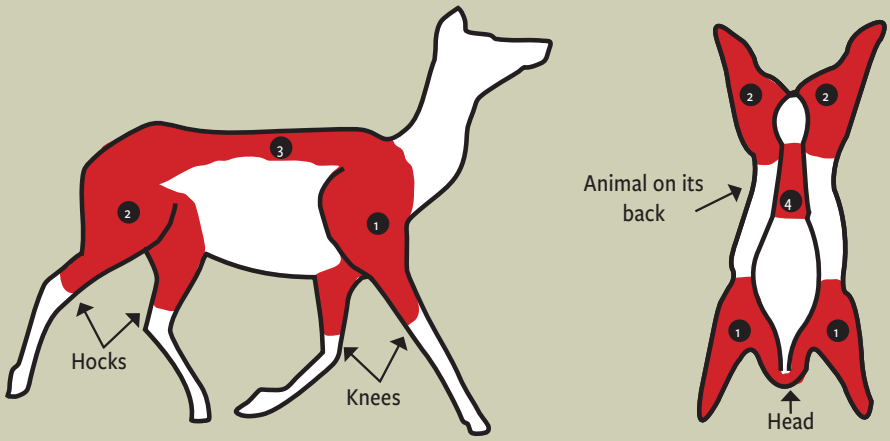

Big or trophy game animals may be taken with any other cartridge of at least .35 caliber and at least one and one-half (1.5) inches in overall length and using an expanding point bullet, or any shotgun firing "00" or larger buckshot, or a slug. Any muzzle-loading rifle or muzzle-loading handgun of at least .40 caliber and firing an expanding point bullet or lead ball and using a charge of at least fifty (50) grains of black powder or its equivalent may also be used to hunt big or trophy game animals.

Wyoming has no restrictive laws concerning firearms that may be legally possessed under the law of one's home state. Safety dictates that all firearms in a vehicle should be unloaded with the action open.

Guides Required; Exceptions. Issuance of Resident Guide License. No nonresident shall hunt big or trophy game animals on any designated wilderness area, as defined by federal or state law in Wyoming unless accompanied by a licensed professional guide or a resident guide. There shall be at least one (1) licensed professional guide or resident guide accompanying each two (2) nonresident hunters. A resident guide shall not guide more than two (2) hunters in any calendar year on any wilderness area. Any resident possessing a valid big or trophy game animal license shall apply for and receive a free resident guide license prior to guiding any nonresident in designated wilderness areas. A resident guide license may be obtained at no charge from the Cheyenne Headquarters, Department Regional Offices and game wardens.

Harvest Survey. Each year a request to participate in the harvest survey is sent to a sample of hunters. Since a person can hunt multiple species in Wyoming, some hunters may be asked to complete more than one harvest survey questionnaire. Your reply provides critical data the Department uses to evaluate the past hunting season and set future hunting seasons. Even if you did not hunt, we need to hear from you to accurately track hunter effort. We ask that you reply online, if possible, as soon as you are done hunting each species for the year. Your time and assistance is much appreciated.

Edible portions of big game

"Edible portion of big game animal" means the meat from the front quarters as far down as the knees, meat from the hindquarters as far down as the hocks, and the meat along the backbone between the neck and hindquarters including the loins and tenderloins, excluding meat on the ribs and neck.

1. Front quarter - meat from the front quarters as far down as the knees

2. Hind quarter – meat from the hindquarters as far down as the hocks

3. Backstrap - meat along the backbone between the neck and hindquarters

4. Tenderloins - tenderloins are located inside body cavity

Hunter Safety/Mentor Program; Exemption. Except as otherwise provided, no person born on or after January 1, 1966, may take wildlife by the use of firearms on land other than that of their own family, unless that person can demonstrate they have obtained a certificate of competency and safety in the use and handling of firearms. Attendance and successful completion of a hunter safety course offered by an association or governmental agency approved by the Commission satisfies the requirements of this section.

• A person who has not received a certificate of competency and safety in the use and handling of firearms may apply to the Department for a special authorization to take wildlife with the use of a firearm while being accompanied by a person acting as a mentor. A special authorization shall be valid for one (1) year from the date of issue and shall be in the possession of the recipient at all times while in the field. The application process may be completed on the Department website. Any person acting as a mentor shall be at least eighteen (18) years of age, shall possess a valid hunting license, and shall demonstrate they have successfully completed a hunter safety course. A mentor shall not provide supervision for more than one (1) person at a time in the field, other than immediate family members, and shall accompany the mentee at all times to provide constant supervision.

• A person under fourteen (14) years of age who has not yet received a hunter safety certificate may take small game and game birds while being accompanied by a mentor who possesses a valid Wyoming small game or game bird license and conservation stamp.

• Any active member, honorably discharged past member or veteran of the armed forces of the United States and any active or retired Wyoming peace officer qualified pursuant to Wyoming Statutes § 9-1-701 through § 9-1-707 may obtain an exemption from the hunter safety requirement. Hunter safety exemption applications are available at the Cheyenne Headquarters and Department Regional Offices. This hunter safety exemption is not valid for hunting elk within Grand Teton National Park (Hunt Areas 75 and 79), or for persons acting as mentors in the Hunter Mentor Program.

Issuance of Deer and Antelope Limited Quota Licenses, Reduced Price Doe/Fawn Licenses, Elk Limited Quota Licenses and Reduced Price Cow/Calf Licenses.

(a) For deer, no person shall apply for and receive more than one (1) full price deer license (General, Type 0, 1, 2, 3, 4, 5 or 9) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full priced deer licenses provided that at least one (1) license is a Limited Quota Type 3 any white-tailed deer license. However, no person shall apply for and receive more than a total of two (2) deer licenses valid for the taking of antlered or any deer, of which not more than one (1) shall be valid for antlered or any mule deer.

(b) For doe/fawn deer, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn deer licenses (Type 6, 7 or 8) through the initial drawing. After the initial drawing is completed, any person may purchase up to four (4) limited quota reduced price doe/fawn deer licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn deer licenses. In Hunt Areas 24, 27, 29, 30, 32, 33 or 163 after the initial drawing is completed, any person may purchase an unlimited number of limited quota reduced price doe/fawn deer licenses.

(c) For antelope, no person shall apply for and receive more than one (1) full price antelope license (Type 0, 1, 2, 3, 4, 5 or 9) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full price antelope licenses. However, no person shall apply for and receive more than a total of two (2) full price antelope licenses.

(d) For doe/fawn antelope, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn antelope licenses (Type 6, 7 or 8) through the initial drawing. After the initial drawing is completed, any person may purchase up to four (4) limited quota reduced price doe/fawn antelope licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn antelope licenses.

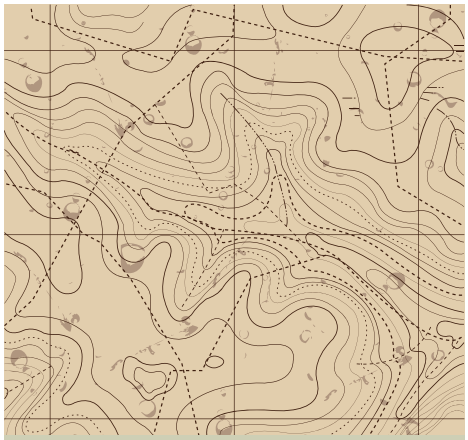

(e) For elk, no person shall apply for and receive more than one (1) full price (General, Type 0, 1, 2, 3, 4, 5 or 9) and one (1) reduced price cow/calf (Type 6, 7 or 8) license through the initial drawing. After the initial drawing, a person may apply for and receive up to a total of three (3) elk licenses, of which no more than one (1) shall be a General, Type 0, 1, 2, 3 or 9 license. However, no person shall apply for and receive more than a total of three (3) elk licenses which shall include not more than one (1) General, Type 0, 1, 2, 3 or 9 license in a single hunting season.

(g) It is a violation to apply for and receive more than the specified number of licenses allowed by Commission regulations.

Landowner Coupons: Antelope, Deer and Elk. Antelope, deer and elk licenses shall have two (2) coupons attached: one (1) designated "antelope, deer or elk carcass coupon" and one (1) designated "landowner coupon". When an antelope, deer or elk is harvested on a landowner's private land, the landowner coupon shall be promptly detached, dated, signed and delivered to the landowner. Landowner coupons are not transferable.

License Fraud Prohibited; Invalidation by Improper Fees. Department licenses, permits, stamps, tags or coupons shall not be altered by anyone other than authorized Department personnel. No license, permit, stamp, tag or coupon shall be transferred or used for the purpose of taking wildlife except by the individual to whom it was issued and therein named and while in that individual's possession. No individual shall take or attempt to take any wildlife using another individual's license, permit, stamp, tag or coupon. Any license, permit, stamp, or tag shall not be valid unless the proper fees have been received by the Department. Any Wyoming Game and Fish law enforcement officer may seize as evidence any license, permit, stamp or tag that was obtained in violation of Commission regulations or Wyoming statutes.

Open Hours for Taking Big Game and Trophy Game Animals. Big game and trophy game animals may only be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

Common violations

HUNTING IN WRONG AREA

Hunters must know their hunt area boundaries. BLM maps are a good navigation tool. If you have questions about a hunt area boundary, talk to your local game warden or biologist.

Outfitter Information. Hunter responsibility when booking a big or trophy game outfitter or professional guide. No person shall directly or indirectly compensate a person holding them self out as engaging in the business of, or acting in the capacity of, an outfitter or a professional guide unless that person provides proof that they are a licensed outfitter or professional guide as required by statute. Before hiring an outfitter, the Department advises hunters to consult the Wyoming State Board of Outfitters and Professional Guides to verify the outfitter is licensed by the state of Wyoming. Landowners who outfit on their own deeded land, or deeded lands leased to them, are not required to be licensed as outfitters or guides. Contact: Wyoming State Board of Outfitters at 1950 Bluegrass Circle Suite 280, Cheyenne, Wyoming, 82002 or call toll free 1-800-264-0981. Any license holder utilizing the services of an outfitter shall legibly print the name of the outfitter, the outfitter's license number and the type of outfitter license on the back of licensee's big or trophy game license.

Permission to Hunt, Fish, Trap or Collect Antlers or Horns. No person shall enter upon the private property of any person to hunt, fish, trap or collect antlers or horns without the permission of the landowner or person in charge of the property. The license must bear the signature of the landowner, lessee or agent of the landowner on whose private property the person is accessing or other legitimate proof as evidence that permission to hunt has been granted.

Precautions When Hunting in Areas Occupied by Grizzly Bears. Hunters and anglers are reminded grizzly bears occupy many areas in and around the Bridger-Teton, Shoshone and Caribou-Targhee National Forests in northwest Wyoming. The Department strongly recommends individuals working and recreating in these areas take precautions, including carrying bear pepper spray, to avoid conflicts with grizzly bears. Information about human safety and proper storage of food and other attractants in occupied grizzly habitat is available from the Cheyenne Headquarters, Department Regional Offices, U.S. Forest Service Offices and the Department website. Regulations concerning food/carcass storage in occupied grizzly habitat can be obtained from the U.S. Forest Service. Report all conflicts with grizzly bears to the nearest Department Regional Office. For information about staying safe in bear country, visit the Department bear wise page: https://wgfd.wyo.gov/Bear-Wise-Print

Prohibited Acts. It is Illegal to:

• Shoot or attempt to kill any wildlife from any public road or highway. No person shall fire any firearm from, upon, along or across any public road or highway. No person shall knowingly fire any rifle from the enclosed lands of one person onto or across the enclosed lands of another without the permission of both persons.

• Use any dog to hunt, run or harass any big or trophy game animal, protected animal or furbearing animal except as otherwise provided by statute. The Commission shall regulate the use of dogs to take mountain lions and bobcats during hunting or trapping seasons.

• Use any aircraft with the intent to spot, locate and aid in the taking of any game animal from August 1 through January 31 of the following calendar year. Additionally, no person shall use any aircraft to spot, locate and aid in the taking of any trophy game animal during any open season. This shall not apply to the operation of an aircraft in a usual manner where there is no attempt or intent to locate any game animal, such as aircraft used for the sole purpose of passenger transport.

• Take and leave, abandon or allow the edible portion of any game bird, game fish or game animal (except trophy game animal) to intentionally or needlessly go to waste.

• Transport illegally taken wildlife across state lines; such transportation is a violation of the Federal Lacey Act.

• Place any bait for the purpose of taking a big game animal or knowingly take a big game animal by the use of bait, except as authorized by Commission regulation or state statute.

• Allow the edible portions of a big game animal to spoil. Failure to properly dress and care for any big game animal you have killed, and, if the carcass is reasonably accessible, within forty-eight (48) hours to take or transport the carcass to your camp, and there properly care for the carcass is prima facie evidence of a violation.

• Abandon meat from a big game animal or game bird at a meat processing plant. Unless there is an express agreement between the processing plant and the person providing otherwise, any meat from a big game animal or game bird left at a meat processing plant for more than forty-five (45) days is prima facie evidence of a violation if written notice of the expiration of time has been attempted by the processing plant in accordance with rules and regulations promulgated by the Commission.

• Carry a firearm with a cartridge therein, or take any wildlife, while intoxicated or under the influence of any controlled substance.

• Harass, pursue, hunt, shoot or kill any Wyoming wildlife except predatory animals with, from or by use of any fly-

ing machine, automotive vehicle, trailer, motor-propelled wheeled vehicle or vehicle designed for travel over snow. The Commission may exempt handicapped hunters from any of these provisions. It is also illegal to shoot waterfowl from a boat under power or sail.

Retention of Evidence to Identify Sex, Species and Horn or Antler Development of Big Game Animal Harvested. Any person who takes any big game animal in a hunt area where the taking of either sex, species, or antler or horn development is controlled or prohibited by regulation shall comply with this section while said animal is in transportation from the site of the kill to the residence of the person taking the animal, or delivered to a processor for processing.

(a) In hunt areas where the taking of any big game animal is restricted to antler point or horn size by regulation, the antlers or horns shall accompany the carcass, or edible portions thereof.

(b) In hunt areas where the taking of any big game animal is restricted to a specific sex of animal by regulation, either the visible external sex organs, head or antlers shall accompany the carcass, or edible portions thereof.

(c) In hunt areas where the taking of a species of deer is controlled or prohibited by regulation, either the head or the tail of the deer shall accompany the carcass or edible portion thereof as evidence of the species taken.

Retrieval of Game Animals from the Field.

(a) The Department may require substantive proof from any person who fails to retrieve from the site of kill all edible portions of a big game animal as to why the edible portions were not removed from the field.

(b) Wounding and Retrieving. No person shall wound or kill any game animal without making a reasonable effort to retrieve it and reduce it to possession. For the purpose of this subsection, making a reasonable effort shall include a person physically going to the nearest location where the game animal was when a person attempted to take the game animal, in order to search for any sign the game animal was wounded or killed, and take the game animal into possession.

Shipping Game Animals and Game Birds out of State. Except as otherwise exempt by state statute, no game animal or game bird, or any part thereof, shall be shipped or transported from the state except by the person who harvested the animal, and in possession of the proper license, stamp and carcass coupon as required, or unless the amount does not exceed twenty five (25) pounds and is properly tagged with a Wyoming interstate game tag. Not more than twenty five (25) pounds from any one (1) big or trophy game animal may be exported from the state unless the part to be exported from the state is of a nonedible trophy or hidelike nature and properly tagged with a Wyoming interstate game tag or the big or trophy game animal was legally harvested by a nonresident and is tagged with a Wyoming interstate game tag.

Shipping Game Animals and Game Birds within Wyoming. Except as otherwise exempt by state statute, no person shall ship, transport or receive for shipment or transportation within Wyoming any game animal, game bird, or any part thereof, unless tagged with a Wyoming interstate game tag, or unless the transportation of a big or trophy game animal is by a person in possession of a proper carcass coupon signed and dated by the person who harvested the animal, or the transportation of game birds or small game is by a properly licensed hunter in possession of not more than the daily bag or possession limit.

Taking Predatory Animals and Predacious Birds. Predatory animals and predacious birds may be taken without a license.

Common violations

NO FLUORESCENT ORANGE/FLUORESCENT PINK CLOTHING

Big game and trophy game rifle and muzzleloader hunters are required to wear one exterior garment of fluorescent orange or fluorescent pink. This also applies to archery hunters hunting during the rifle season. This could be a hat, shirt, jacket, coat, vest or sweater. Fluorescent orange or fluorescent pink camouflage is legal.

Use of Leashed Dogs for Tracking. A person may use one (1) leashed blood-trailing dog to track a wounded or killed big game animal within seventy-two (72) hours of shooting the animal. A person using a dog in this manner:

• Shall maintain physical control of the dog at all times by means of a maximum fifty (50) foot leash attached to the collar or harness of the dog;

• Shall wear fluorescent orange or fluorescent pink consistent with Wyoming Statute § 23-3-113(a);

• May kill the wounded animal using any weapon authorized under the hunting license; and,

• Shall, in accordance with Wyoming Statute § 23-3-104, attach the proper coupon to the carcass of any animal killed under the hunting license.

A person acting solely as a dog handler accompanying the licensed hunter that wounded the game animal is exempt from the licensing requirement of this act. Nothing in this section shall be construed to allow a dog handler to hunt without a license.

Use of Specialized Hunting Technologies and Equipment.

(a) No person shall use any device attached to a legal firearm, muzzleloader or archery equipment, capable of producing a thermal or infrared image, or other imaging outside the normal visible light spectrum, with the intent to spot, locate and aid in the taking of any big game animal, trophy game animal or wild bison.

(b) No person shall use any real-time video photography equipment, real-time thermal or infrared imaging device, or other real-time imaging device outside the normal visible light spectrum, capable of automatically transmitting an image, picture or video for remote viewing, with the intent to spot, locate and aid in the taking of any big game animal, trophy game animal or wild bison.

(c) A trail camera, or similar device, that can only store an image, picture or video inside the device, and which does not have the capability to automatically transmit images in real-time, is permissible for use in the taking of any big game animal, trophy game animal or wild bison.

(d) No person shall sell or barter any geographic location information for any big game animal, trophy game animal or wild bison to aid in the taking of any big game animal, trophy game animal or wild bison.

Vehicle Restrictions on Federal Land. Sportspersons are advised that many areas of National Forest and Bureau of Land Management lands are subject to travel and vehicle use limitations to protect resources. Maps and additional information regarding these limitations are available at U.S. Forest Service, Bureau of Land Management and other agency offices near these public lands.

Wilderness Areas. Nonresident big game and trophy game hunters must be accompanied by a professional or resident guide when hunting in designated wilderness areas.

Wildlife Damage Management Stamp. The "WILDLIFE DAMAGE MANAGEMENT STAMP" is an optional stamp sportspersons may voluntarily purchase to support activities of the Wyoming Animal Damage Management Board. The Wyoming Legislature originally created the Board to manage rabid wildlife, mitigate crop and livestock damage caused by depredating wildlife, and to protect human health and safety. The legislation developed several sources of funding for the Board to carry out its responsibilities including creation of this management stamp.

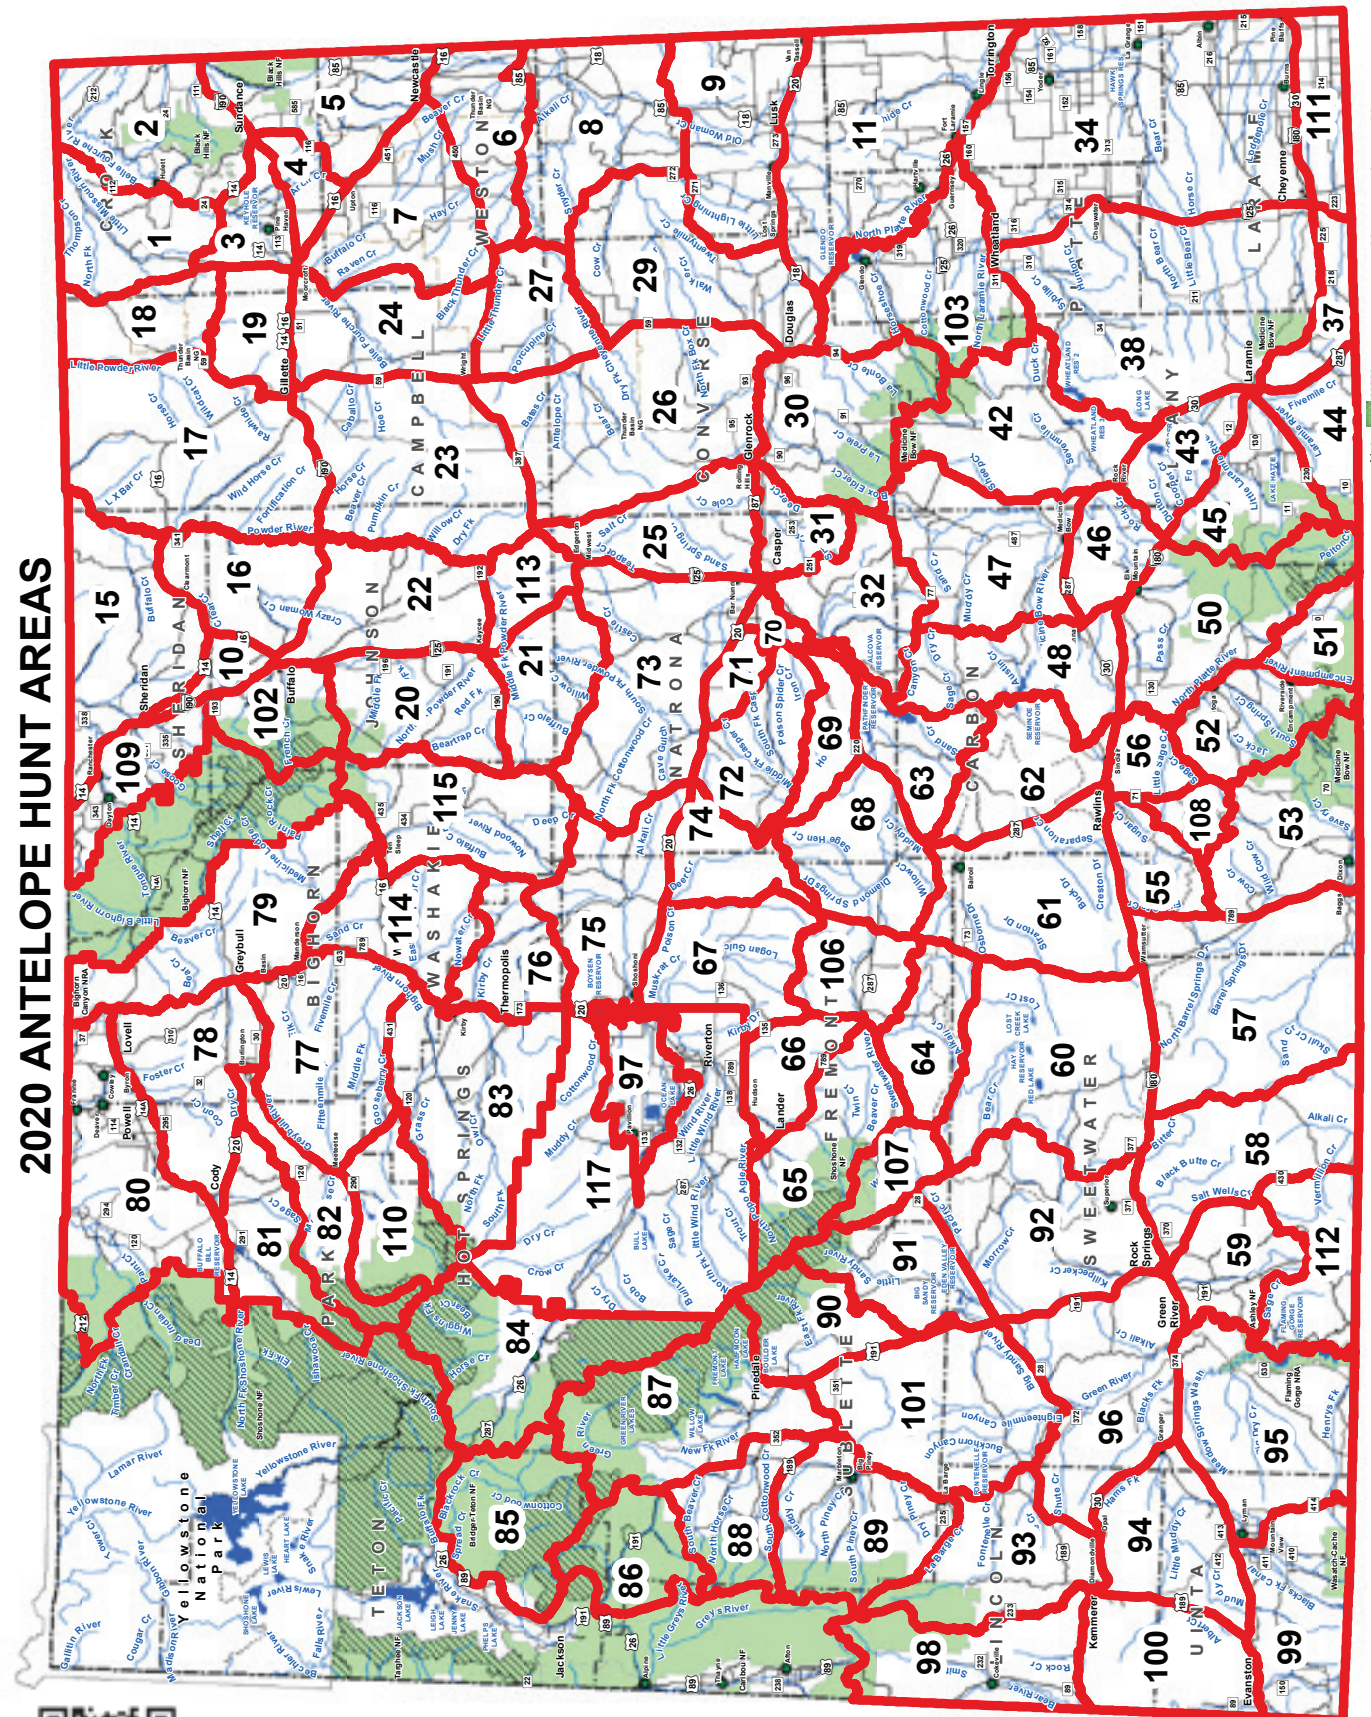

Purchase of the stamp is not mandatory, but does provide sportspersons a voluntary means to fund predator management.

Wildlife Violator Compact. Wyoming is a member of the Wildlife Violator Compact. The Compact enables a violator from any member state to accept a wildlife citation and proceed on their way without being required to post an appearance bond unless the violation requires MUST APPEAR and NO BOND ACCEPTED. The Compact provides for the suspension of wildlife license privileges in the home state of any person whose license privileges have been suspended by a participating state. If you have had your privileges suspended in any of the participating states, you may lose your privileges in Wyoming, in addition to all the participating Compact states. Additional information about the Compact can be obtained by contacting the Wildlife Law Enforcement Coordinator at (307) 233-6413.

Wind River Reservation. Only non-Indian owned, fee title lands are open to the taking of wildlife with a State of Wyoming license. Land status is complicated and lawful access must be investigated thoroughly. Sportspersons are advised it is their responsibility to determine land status prior to entering these areas.

ANTELOPE CHARACTERISTICS

The ability to distinguish between buck, doe and yearling buck antelope is critical to hunters holding licenses valid for only does and fawns.

1. Horns - Should be prominent with a prong or point between the base and tip and extend beyond the ears for adult males. Yearling bucks have shorter horns, typically at ear-length. Does often grow horns, which occasionally grow to the length of the ears.

2. Cheek patch – Both yearling bucks and adult bucks have a black cheek patch below the ear at the angle of the jaw. Even among fawns, which usually lack visible horns, the black cheek patches distinguish males from females. Females lack the black cheek patch.

Section 3. Special Archery Seasons.

(a) There shall be special archery antelope hunting seasons on the dates specified in Section 2. Special archery hunting seasons are specific to individual hunt areas by license type. During the special archery hunting seasons, archers are restricted to the limitations associated with the special archery season dates for a hunt area and license type.

(b) Archers shall possess a limited quota antelope license and an archery license in order to hunt antelope with archery equipment during any special archery season.

(i) Type 9 limited quota antelope licenses are valid for "archery only" and do not require a separate archery license.

(ii) Type 0 limited quota antelope licenses are valid for specialized hunting equipment, such as muzzle-loading firearms or handguns, and are not valid for use with archery equipment during any special archery antelope seasons.

Section 4. Disabled Hunter Season Extension.

(a) Any person qualified for and in possession of a Disabled Hunter Season Extension Permit issued by the Department in accordance with Commission regulation may hunt antelope starting five (5) days prior to the earliest opening date in the hunt area(s) for which their license type is valid and is restricted to the limitations of their license type for the earliest opening date as specified in Section 2 of this Chapter.

(b) Hunters participating in a disabled hunter season extension shall be in possession of a Disabled Hunter Season Extension Permit which shall be immediately produced for inspection upon request of an officer authorized to enforce this regulation.

inspire a KID

it's for life

The Wyoming Game and Fish Inspire a Kid initiative aims to introduce youth to the outdoors by providing resources for families to teach their children how to enjoy outside activities, whether it be fishing, hunting, wildlife photography, hiking or other adventures.

Specifically, Game and Fish programs like the Wyoming Outdoor Expo, youth hunts, kids fishing days, hunter education and summer camps are all experiences children of all ages can partake in to bolster their skills.

The Game and Fish website serves as a resource with easy plans for getting outside more often with their families.

By inspiring the youth of today, we are creating the next generation of hunters and outdoorsmen.

Visit the Department's website to learn more or share your own Inspire a Kid moment by using #InspiredByWY on social media channels.

For additional youth hunting opportunities, see Section 5 on pages 36 and 57.

FOOD FROM THE FIELD

WYOMING HUNGER INITIATIVE

This hunting season, share your deer, elk, antelope, moose or wild bison harvest with a Wyoming neighbor in need. Donate all or part of your harvest to the Food from the Field program.

- Enjoy a safe and successful hunt
- Carefully field-dress and fill out the carcass coupon
- A CWD sample is required for deer, elk and moose
  - A hunter can transport the carcass (the head is required) to a participating processor for CWD sample removal OR a hunter can remove the CWD sample in the field and bring the sample with them to the participating processor. The processor will submit the sample to the Wildlife Health Lab.
- Take the carcass to a Food from the Field participating processor (check out the website to find who those are)
- Complete the Hunter Log Form at the participating processor
- Know you just helped feed a Wyoming neighbor in need

Learn more about the program and participating processors at https://www.nohungerwyo.org/field

Section 3. Special Archery Seasons.

(a) There shall be special archery deer hunting seasons on the dates specified in Section 2. Special archery hunting seasons are specific to individual hunt areas by license type. During the special archery hunting seasons, archers are restricted to the limitations associated with the special archery season dates for a hunt area and license type.

(b) Archers shall possess a limited quota deer license or a General deer license and an archery license in order to hunt deer with archery equipment during any special archery season.

(c) Archers with a General deer license shall only hunt in those areas open to hunting with a General license and are restricted to the limitations associated with the special archery season dates for that hunt area as specified in Section 2.

(d) Archers with a limited quota deer license shall only hunt in the hunt area(s) where their license is valid and are restricted to the limitations associated with the special archery season dates as specified in Section 2.

Section 4. Disabled Hunter Season Extension.

(a) Any person qualified for and in possession of a Disabled Hunter Season Extension Permit issued by the Department in accordance with Commission regulation may hunt deer five (5) days prior to the earliest opening date in the hunt area(s) for their license type and is restricted to the limitations of their license type for the earliest opening date as specified in Section 2 of this Chapter.

(b) Hunters participating in a disabled hunter season extension shall be in possession of a Disabled Hunter Season Extension Permit which shall be immediately produced for inspection upon request of an officer authorized to enforce this regulation.

Section 5. Youth Deer Hunters.

Youth hunters who possess a full price youth deer license may take any deer during an antlered deer season subject to the species limitation of their license in the hunt area(s) where their license is valid as specified in Section 2 of this Chapter. However, no youth hunter shall take a mule deer during a season in which the limitations of their license type is only valid for white-tailed deer as specified in Section 2 of this Chapter.

Section 6. Nonresident Region General Deer License Quotas.

(a) Nonresident region General deer licenses shall only be valid within the specific region for which they are issued and for only those hunt areas in the Region as listed in this section.

(b) Quotas of nonresident region General deer licenses are established for the regions and shall not exceed the numbers specified in this section.

Common violations
SHOOTING FROM A VEHICLE OR PUBLIC ROAD

It is illegal to take any game species from a motorized vehicle. This includes ATVs and snowmobiles. Hunters possessing a Shoot From a Vehicle Permit issued by the Department are exempt from this requirement. It is also illegal to shoot a firearm from, across or along a public road or highway. "Public road or highway" means any roadway that is open to vehicular travel by the public. The road surface, the area between the fences on a fenced public road or highway, and an area thirty (30) feet perpendicular to the edge of the road surface on an unfenced public road or highway shall be considered the public road or highway. Two-track trails on public lands are not public roads.

ELK SPECIAL MANAGEMENT PERMIT

Elk hunters are reminded that an Elk Special Management Permit is required to hunt elk hunt areas associated with elk feedgrounds, which includes most elk hunt areas in the Jackson and Pinedale regions. Specifically, **an Elk Special Management Permit is required to hunt elk in Elk Hunt Areas 70, 71, 75, 77, 78 and 80-98.** These permits can be purchased for $15.50 from the Cheyenne Headquarters, Department Regional offices, the Department website and designated license selling agents.

Section 3. Special Archery Seasons.

(a) There shall be special archery elk hunting seasons on the dates specified in Section 2. Special archery hunting seasons are specific to individual hunt areas by license type. During the special archery hunting seasons, archers are restricted to the limitations associated with the special archery season dates for a hunt area and license type.

(b) Archers shall possess a limited quota elk license or a General elk license and an archery license in order to hunt elk with archery equipment during any special archery season.

(c) Archers with a General elk license shall only hunt in those hunt areas open to hunting with a General license and are restricted to the limitations associated with the special archery season dates for that hunt area as specified in Section 2.

(d) Archers with a limited quota elk license shall only hunt in the hunt area(s) where their license is valid and are restricted to the limitations associated with the special archery season dates as specified in Section 2.

(e) Type 9 limited quota elk licenses are valid for "archery only" and do not require a separate archery license.

Section 4. Disabled Hunter Season Extension.

(a) Any person qualified for and in possession of a Disabled Hunter Season Extension Permit issued by the Department in accordance with Commission regulation may hunt elk five (5) days prior to the earliest opening date in the hunt area(s) for their license type and is restricted to the limitations of their license type for the earliest opening date as specified in Section 2 of this Chapter, excluding hunt areas within Grand Teton National Park (Hunt Area 75) and the National Elk Refuge (Hunt Area 77).

(b) Hunters participating in a disabled hunter season extension shall be in possession of a Disabled Hunter Season Extension Permit which shall be immediately produced for inspection upon request of an officer authorized to enforce this regulation.

Section 5. Youth Elk Hunters.

Youth hunters who possess a full price youth elk license valid for the taking of an antlered elk may take any elk during an antlered elk season in the hunt area(s) where their license is valid as specified in Section 2 of this Chapter, excluding hunt areas within Grand Teton National Park (Hunt Area 75) and the National Elk Refuge (Hunt Area 77).

Section 6. Elk Special Management Permit.

The Department's elk feedground program is a special management program that requires additional expenditures for the feeding of wildlife. An Elk Special Management Permit shall be required of any person who hunts elk in the hunt areas identified in subsection (a) of this section. The Elk Special Management Permit shall be in possession of any person while hunting elk in those hunt areas and shall be immediately produced upon request from an authorized Department representative. Any person who purchases an Elk Special Management Permit for the purpose set forth in this section shall sign his name in ink across the face of the permit. Hunters who acquire an Elk Special Management Permit through the Electronic Licensing Service (ELS) shall not be required to meet the signature provision of this section. The permit shall be available at Cheyenne Headquarters, Department Regional Offices and at designated license selling agents.

(a) Elk Hunt Areas 70, 71, 75, 77, 78, 80-98.

Section 7. Regulations Governing Elk Hunting in Grand Teton National Park (Hunt Area 75) and the National Elk Refuge (Hunt Area 77).

(a) NO HUNTER MAY HARVEST MORE THAN ONE (1) ELK IN GRAND TETON NATIONAL PARK.

(b) Successful completion of a hunter safety course is required, regardless of a hunter's age, prior to hunting in Grand Teton National Park and a hunter safety certificate shall be in possession when hunting elk.

(c) A Park or National Elk Refuge Permit is required prior to hunting elk and shall be in possession while hunting elk in Grand Teton National Park or the National Elk Refuge.

(d) That portion of Hunt Area 75 beginning at the Lost Creek Road (U.S.F.S. Road 30340) at U.S. Highway 191; easterly along said road to the Grand Teton National Park boundary; southerly along said boundary to the intersection with the Shadow Mountain-Kelly Road (U.S.F.S. Road 30340) and the Antelope Flats Road at Carpenter Draw; southerly and westerly along said road to U.S. Highway 191; northeasterly along said highway to the Lost Creek Road (U.S.F.S. Road 30340) shall be known as the Antelope Flats portion of the hunt area.

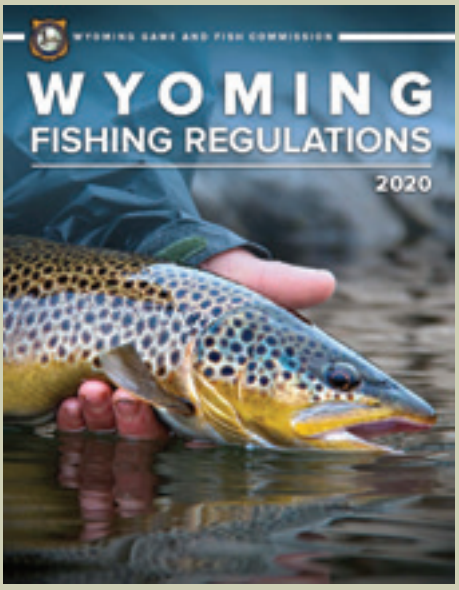

(e) That portion of Hunt Area 75 beginning where U.S. Highway 191 crosses Ditch Creek; northerly along said highway to the Deadmans Bar Access Road; westerly along said road to the eastern most bank of the main channel of the Snake River; southerly along said river to the confluence of Ditch Creek and the Snake River; easterly along said creek to U.S. Highway 191 shall be known as the Snake River Bottom of the hunt area.

(f) An area one-quarter (1/4) mile wide along either side of U.S. Highway 191 shall be closed to all elk hunting within Grand Teton National Park.

(g) An area within one-half (1/2) mile of buildings as indicated on the detailed Hunt Area 75 hunt area map provided with a park permit shall be closed to elk hunting in Grand Teton National Park. Structures excluded from this closure include those within the Gros Ventre Campground, all stand-alone toilets or well houses, all buildings within the McCollister Historic District and the historic Luther Taylor ("Shane Cabin") and the historic Cunningham Cabin.

(h) An area one-quarter (1/4) mile wide along the north side of the Gros Ventre-Kelly Road from the Mormon Row Road easterly to the town of Kelly is closed to all public entry.

(i) Legal firearms include rifles with a barrel bore diameter of at least .24 caliber that fire a cartridge that is two (2) inches or more in length. The use of handguns and archery equipment for hunting are prohibited in Grand Teton National Park.

GET IN SOME FISHING WHILE IN THE FIELD

Wyoming is home to hundreds of streams, rivers and lakes chock full of great fishing opportunity. While you are exploring the fields, buy a fishing license and try your luck fishing to make the most of your time.

BE BEAR AWARE

Game retrieval and handling

- ***Immediately remove*** carcasses from the field. The longer game is in the field, at camp, or in a vehicle, the more likely it is to be discovered.
- Separate the carcass from the gut pile with ***as much distance as possible*** if you must leave meat in the field for any time.
- Ideally leave the gut pile in the field ***far away*** from camps, roads, trails.
- If an animal is harvested by a camp, road or trail, move the gut pile or parts ***½ mile away*** or to a landfill.
- ***Quarter and hang*** the carcass in a tree or game pole ***10 to 15 feet*** from the ground and ***4 feet*** from the tree trunk or supporting branches.
- If you must leave the carcass on the ground, ***place it in plain view*** so you can see if a bear is present or if it has been disturbed when you return. Placing large items such as branches or a jacket on the carcass so you can tell from a safe distance if a bear has disturbed your carcass.
- When returning to a carcass ***stop and view*** the area from a distance with binoculars. Approach the carcass from ***upwind and make sufficient noise*** to alert any bears of your presence. Just because you don't see a bear doesn't mean there isn't one in the area.
- When retrieving meat go with your hunting partners and if possible ***approach on horseback***.
- If you detect disturbance from a distance or if the c***arcass has been buried***, a bear has probably been to the carcass or may be bedded nearby.
- ***Never attempt to scare*** a bear off of a carcass it has claimed.
- ***Have a plan*** on how to recover an animal before you harvest one and use extra caution if harvesting an animal late in the day.

What to do if you see an aggressive /defensive bear at close range

- Try to remain calm, slowly back out of the area, and have a defense ready.
- ***Never run away*** from the bear.
- Do not challenge the bear with aggressive body language, ***direct eye contact*** or shouting.
- If the bear begins to approach, stand your ground and ***use bear spray*** if available.
- If a bear makes contact or is about to make contact, drop and cover by lying flat on your stomach inter-lacing your fingers and placing them on the back of your neck. Do not fight back.
- Once the bear feels the ***threat is neutralized*** it will usually stop attacking.
- Make certain the ***bear has left*** the area before you retreat or move.

How and when to use bear spray

- ***Bear spray is an effective deterrent*** that is designed to deter aggressive bear behavior.
- Studies have shown that bear spray is ***more effective than firearms*** at reducing your chances of injury.
- Make sure that you are carrying an ***EPA registered*** Bear Spray and not another form of self protection pepper spray.
- Bear spray is to be used on a ***charging bear*** or in an aggressive encounter.
- It sprays ***25-30 feet*** as it creates a ***4-foot cloud***.
- Each member of a party should carry spray.
- Bear spray must be ***carried where it is readily accessible.***

If a bear comes into your camp

- Remain calm and ***do not panic***. Bears generally avoid people and they are probably attracted to odors of food.
- ***Ready your bear spray*** or firearm for use.
- ***Do not*** approach the bear.
- Try to ***scare the bear*** away by yelling, shouting, or making other loud noises.
- If the bear ***does not*** get a food reward they will usually leave.
- If a bear tries getting into your tent ***fight back*** and use your personal defense.
