Section 3. Bag Limits and Numbers of Licenses. No person shall apply for or receive more than one (1) license for each big game species during any one (1) calendar year, except as otherwise provided in Commission Regulations. The maximum bag limit for big game animals and trophy game animals for any person with the proper licenses and permits shall not exceed the following number of animals: one (1) elk per license; one (1) moose per license; one (1) bighorn sheep per license; one (1) mountain goat per license; one (1) antelope per license; one (1) deer per license; one (1) black bear per license; one (1) mountain lion per license; one (1) gray wolf per license. Section 4 of this Chapter and Chapter 34, Depredation Prevention Hunting Seasons and other Commission regulations may provide for taking additional game animals with the proper licenses.

Section 4. Issuance of Deer and Antelope Limited Quota Licenses, Reduced Price Doe/Fawn Licenses, Elk Limited Quota Licenses and Reduced Price Cow/Calf Licenses.

(a) For deer, no person shall apply for and receive more than one (1) full price deer license (General, Type 0, 1, 2, 3, 4, 5 or 9) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full price deer licenses provided that at least one (1) license is a Limited Quota Type 3 any white-tailed deer license. However, no person shall apply for and receive more than a total of two (2) deer licenses valid for the taking of antlered or any deer, of which not more than one (1) shall be valid for antlered or any mule deer.

(b) For doe/fawn deer, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn deer licenses (Type 6, 7 or 8) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to four (4) limited quota reduced price doe/fawn deer licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn deer licenses. In Hunt Areas 24, 27, 29, 30, 32, 33, 65 or 163 after the initial drawing is completed, any person may apply for and receive an unlimited number of limited quota reduced price doe/fawn deer licenses.

(c) For antelope, no person shall apply for and receive more than one (1) full price antelope license (Type 0, 1, 2, 3, 4, 5 or 9) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to two (2) full price antelope licenses. However, no person shall apply for and receive more than a total of two (2) full price antelope licenses.

(d) For doe/fawn antelope, any person may apply for and receive a maximum of two (2) limited quota reduced price doe/fawn antelope licenses (Type 6, 7 or 8) through the initial drawing. After the initial drawing is completed, any person may apply for and receive up to four (4) limited quota reduced price doe/fawn antelope licenses. However, no person shall apply for and receive more than a total of four (4) limited quota reduced price doe/fawn antelope licenses.

(e) For elk, no person shall apply for and receive more than one (1) full price license (General, Type 0, 1, 2, 3, 4, 5 or 9) and one (1) reduced price cow/calf license (Type 6, 7 or 8) through the initial drawing. After the initial drawing, a person may apply for and receive up to a total of three (3) elk licenses, of which no more than one (1) shall be a General, Type 0, 1, 2, 3 or 9 license. However, no person shall apply for and receive more than a total of three (3) elk licenses which shall include not more than one (1) General, Type 0, 1, 2, 3 or 9 license in a single hunting season, except as authorized in Commission regulations.

(f) For bighorn sheep, any person may apply for and receive a maximum of one (1) limited quota full price bighorn sheep license (Type 1) and one (1) limited quota reduced price ewe/lamb license (Type 6).

(g) It is a violation to apply for and receive more than the specified number of licenses allowed by Commission regulations.

Section 5. Open Hours for Taking Big Game, Small Game, Trophy Game, Upland Game Birds and Wild Turkey.

(a) Big game, trophy game and small game animals may only be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

(b) Except as otherwise provided, upland game birds and wild turkey may only be taken from one-half (1/2) hour before sunrise to sunset.

Section 6. Retention of Evidence to Identify Sex, Species and Horn or Antler Development of Big Game Animal Harvested. Any person who takes any big game animal in a hunt area where the taking of either sex, species, or antler or horn development is controlled or prohibited by regulation shall comply with this section while said animal is in transportation from the site of the kill to the residence of the person taking the animal, or delivered to a processor for processing.

(a) In hunt areas where the taking of any big game animal is restricted to antler point or horn size by regulation, the antlers or horns shall accompany the carcass, or edible portions thereof.

(b) In hunt areas where the taking of any big game animal is restricted to a specific sex of animal by regulation, either the visible external sex organs, head or antlers shall accompany the carcass, or edible portions thereof.

(c) In hunt areas where the taking of a species of deer is controlled or prohibited by regulation, either the head or the tail of the deer shall accompany the carcass or edible portion thereof as evidence of the species taken.

Section 7. Dating and Display of Big and Trophy Game Animal/Wild Turkey/Sandhill Crane Carcass Coupons.

(a) When dating a carcass coupon, the entire day and month of the kill shall be completely cut out and removed.

(b) The carcass coupon shall be signed, dated and attached to the carcass of any big game or wild turkey or the carcass or hide of any trophy game animal in such a manner as to be plainly visible before leaving the site of the kill. The carcass coupon shall be attached to the carcass of any sandhill crane taken in limited quota areas in such a manner as to be plainly visible. When the animal is in transportation, the carcass coupon may be carried by the person accompanying the carcass so that the coupon shall not be lost. While quarters or pieces of an animal are being packed from the field, the carcass coupon shall remain with the person transporting the animal.

(c) Subsections 7(a) and (b) shall be in addition to the requirements in W.S. § 23-3-104.

Section 8. Emergency Closure. Big game hunting seasons may be closed because of an emergency upon forty-eight (48) hours notice. Trophy game hunting seasons may be closed upon immediate notice.

Section 9. Established Check Stations, Mandatory Reporting. Every hunter, angler, or trapper of furbearing animals shall stop and report at every check station on route to or from the hunting, fishing or trapping area regardless if the person has wildlife in possession. Upon request of any authorized Department representative, anyone who has been hunting, fishing, or

trapping shall produce a valid license and conservation stamp, if required and special management permit, if required, for game animals, game birds, furbearing animals or fish. Even if the game meat or fish in possession has been cut and wrapped or processed, the person transporting shall stop and report at the check station. Any person transporting wildlife harvested in another state or country shall stop at check stations on their route.

(a) Check stations shall be signed and established at a point on a highway or road clearly visible at a distance of not less than two hundred (200) yards in either direction.

(b) Check stations shall be at a point where flashing warning lights shall be visible to oncoming traffic for a distance of not less than two hundred (200) yards. The emergency warning lights on a marked law enforcement vehicle or a yellow flashing light on a marked Department non-enforcement vehicle shall be in operation.

(c) At least one (1) person working the check station shall be in Department uniform.

Section 10. Placement of Name of Outfitter and Outfitter's License Number on Back of License. Any big or trophy game hunter utilizing the services of an outfitter shall legibly print the name of the outfitter, the outfitter's license number and the type of outfitter license on the back of the licensee's big or trophy game license.

Section 11. Archery Hunting. No person shall hunt big game or trophy game animals with archery equipment during a special archery hunting season without first obtaining an archery license and the applicable hunting license. An archery license shall not be required in addition to a limited quota (Type 9) license to participate in a limited quota archery only season. Legal archery equipment and firearms may be used to hunt big game or trophy game animals during the regular hunting seasons as set forth in Commission regulations.

Section 12. Use of Aircraft to Spot or Locate Wildlife. No person shall use any aircraft with the intent to spot, locate and aid in the taking of any game animal from August 1 through January 31 of the following calendar year. Additionally, no person shall use any aircraft to spot, locate and aid in the taking of any trophy game animal during any open season. Nothing in this Section shall apply to the operation of an aircraft in a usual manner where there is no attempt or intent to locate any game animal, such as aircraft used for the sole purpose of passenger transport.

Section 13. Retrieval of Game Animals from the Field.

(a) The Department may require substantive proof from any person who fails to retrieve from the site of kill all edible portions of a big game animal as to why the edible portions were not removed from the field.

(b) **Wounding and Retrieving.** No person shall wound or kill any game animal without making a reasonable effort to retrieve it and reduce it to possession. For the purpose of this subsection, making a reasonable effort shall include a person physically going to the nearest

location where the game animal was when a person attempted to take the game animal, in order to search for any sign the game animal was wounded or killed, and take the game animal into possession.

Section 14. Baiting of Big Game Animals Prohibited Except by Qualified Persons.

Any legally blind person, person confined to a wheelchair, person hunting with a permit issued pursuant to W.S. § 23-3-304(d)(iv) or any person hunting with a license issued pursuant to W. S. § 23-1-705 (j) may place a bait for big game or take a big game animal by the use of bait.

Section 15. Transportation and Disposal of Deer, Elk and Moose Taken within Wyoming - Chronic Wasting Disease (CWD) Provisions.

(a) Deer, elk and moose taken in Wyoming may be transported within Wyoming to a camp, a private residence for processing, a taxidermist, a processor, or a CWD sample collection site in Wyoming, provided the head and all portions of the spinal column remain at the site of the kill or such parts are disposed of in any approved landfill or approved incinerator in Wyoming.

(b) Except as provided in subsection (a) of this section, only the following parts of any deer, elk or moose taken in Wyoming may be transported in Wyoming: edible portions with no part of the spinal column or head; cleaned hide without the head; skull or skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or, finished taxidermy mounts.

(c) Only the following parts of any deer, elk or moose taken in Wyoming may be transported to other states, provinces or countries: edible portions with no part of the spinal column or head; cleaned hide without the head; skull or skull plate or antlers that have been cleaned of all meat and brain tissue; teeth; or, finished taxidermy mounts. Whole deer, elk and moose carcasses shall not be transported out of Wyoming.

(d) Nothing in this section shall apply to the transportation or disposal of deer, elk and moose taken by any governmental agency or educational institution.

Section 16. Importation of Deer, Elk or Moose Taken From Outside of Wyoming.

(a) Deer, elk or moose taken from within any other state, province or country may only be imported into Wyoming if carcasses are transported directly to a private residence for processing, to a taxidermist, to a processor or to a CWD sample collection site provided the head and all portions of the spinal column are disposed of in an approved landfill or incinerator.

Section 17. Mandatory CWD Sample Submission. The Department may mandate hunters submit CWD samples from harvested deer, elk and moose from designated hunt areas within Wyoming.

(a) Mandatory submission of CWD samples from harvested deer, elk and moose may be established annually by the Department when necessary to meet its CWD testing and monitoring requirements or to implement and evaluate management actions related to CWD.

Mandatory CWD sample submission of deer, elk and moose shall end when the Department achieves sampling goals for designated hunt areas, as stipulated by Department personnel prior to enacting any mandatory CWD sample submission. The Department shall determine the type, time frame and method of CWD sampling required for submission.

(b) When the Department mandates hunters submit CWD samples, public notice shall be given through posting of mandatory submission requirements in Department offices and designated license selling agents, electronic or traditional mailings to known license holders (and other sportspersons) and through the Department website, publications and news releases.

(c) It shall be a violation of Commission regulation for a hunter to fail to submit mandated CWD samples in accordance with this section.

Section 18. Hunter Mentor Program.

(a) Any person born on or after January 1, 1966, who has not received a certificate of competency and safety in the use and handling of firearms may apply to the Department for a special authorization to take wildlife with the use of a firearm while being accompanied by a mentor. A special authorization issued to an individual shall be in the possession of the recipient at all times while in the field. The applicant shall apply on the Department website.

(b) Any person acting as a mentor to a mentee with a special authorization pursuant to this section shall accompany the mentee at all times to provide constant supervision.

Section 19. Areas Closed to the Taking of Specified Wildlife. All areas within the State not opened by specific order of the Commission shall be closed to the taking of all big game animals, trophy game animals, small game animals, furbearing animals and game birds.

Section 20. Use of Specialized Hunting Technologies and Equipment.

(a) No person shall use any device attached to a legal firearm, muzzleloader or archery equipment, capable of producing a thermal or infrared image, or other imaging outside the normal visible light spectrum, with the intent to spot, locate and aid in the taking of any big game animal, trophy game animal or wild bison.

(b) No person shall use any real-time video photography equipment, thermal or infrared imaging device, or other imaging device outside the normal visible light spectrum with the intent to spot, locate and aid in the taking of any big game animal, trophy game animal or wild bison.

(c) A trail camera, or similar device, that can only store an image, picture or video inside the device, and which does not have the capability to utilize cellular or Wi-Fi technology to transmit images or video for remote viewing is permissible for use in the taking of any big game animal, trophy game animal or wild bison.

(d) No person shall sell or barter any geographic location information for any big game animal, trophy game animal or wild bison to aid in the taking of any big game animal, trophy game animal or wild bison.
