(iv) Any person surrendering a valid big game license for reissuance under this Section, for which preference points have been accumulated, shall not have preference points restored.

(b) The surrendered license shall be reissued by the Department's License Section to a qualified person who has been selected and sponsored by a nonprofit charitable organization providing hunting opportunities to disabled veterans or persons with permanent disabilities who use wheelchairs.

(i) As a condition to reissue a license in this subsection, the Department shall require an authorized officer of the sponsoring organization to certify under penalty of law that the respective organization is a nonprofit charitable organization, that provides hunting opportunities to disabled veterans or persons with permanent disabilities who use wheelchairs.

(ii) The sponsoring organization shall submit a completed application form for the issuance of a license on forms provided by the Department. Donated license applications, and any documentary evidence, shall be completed each year regardless of whether an applicant has received a donated license in a previous year.

(A) For a license being reissued to a disabled veteran, documentary evidence provided by the United States Department of Veterans Affairs that the applicant currently receives at least fifty percent (50%) or more service connected disability compensation shall be submitted with the application form.

(B) For a license being reissued to a permanently disabled person who uses a wheelchair, a statement by a licensed physician, on forms provided by the Department, that the applicant has a permanent disability that requires the applicant to, at all times, be confined to a wheelchair for mobility purposes.

(iii) The license shall be reissued to a qualified applicant at no fee.

(iv) The license shall be reissued for the same species, area and license type as the license donated.

Section 16. Active Duty Wyoming Resident in Combat Zone Licenses.

Complimentary resident general elk, resident general deer, resident game bird, resident small game and resident daily fishing licenses shall be issued to any Wyoming resident currently serving on active duty in the United States military deployed to a combat zone while home on

military leave during the applicable hunting or fishing season. Applicants for licenses in this subsection shall meet the statutory requirements established in W. S. § 23-2-101 (a), and shall provide to the Department a valid, current military identification card, military leave orders indicating the resident is currently deployed to a combat zone and is returning to a combat zone at the end of the current leave period, a current Leave and Earnings Statement indicating the applicant is receiving hostile fire compensation and proof of residency at the time of application. Licenses shall be issued through the ELS at no fee to the applicant and shall only be issued at Headquarters or Department Regional Offices.

Section 17. Depredation Licenses. Application shall be made to Department Regional Offices in the region where participation is desired on application forms provided by the Department. Applicants shall apply annually to be included on priority lists. Applicants shall make separate application for each species. Application dates and priority listing name placement on each list shall be established in accordance with Commission Regulation Chapter 34, Depredation Prevention Hunting Seasons.

Section 18. Party Applications – Initial Drawing. In the initial drawing, the maximum allowable number of completed applications in a party shall be six (6). Residents and nonresidents shall not apply together in the same party. Completed applications from landowner applicants shall not be accepted as a party with non-landowner applicants. Nonresidents applying in the drawing for special licenses shall not apply as a party with nonresidents applying in the drawing for regular licenses. No party applications shall be accepted for moose, bighorn sheep, mountain goat, or wild bison recreational hunting season licenses. Party applicants are required to submit their applications for the same species, hunt area, and type in the same order of preference.

Section 19. Proof of Residency for Resident Licenses.

(a) Any qualified individual may apply for or receive a resident game and fish license, permit, or tag if the person meets the residency requirements pursuant to W.S. § 23-1-102 (a) (ix) (xv) and § 23-1-107. When an individual signs an application to obtain a resident license or signs a resident license, the individual swears that he is a Wyoming resident as defined in W.S. § 23-1-102 (a) (ix) (xv), § 23-1-107 and § 23-2-101 (a).

(b) Any person applying for or purchasing a resident license, permit, preference point, or tag shall provide proof of their residency. License selling agents and the Department shall consider as documentary evidence of residency the applicant's Wyoming driver's license or Wyoming identification card, a copy of their school records, a completed military form DD214, a completed and signed proof of residency statement on a form provided by the Department or a completed proof of residency affidavit issued through the ELS. Documentary evidence furnished by an applicant for a resident license shall not be considered conclusive proof in a court of law that the applicant is a resident in accordance with Wyoming statutes.

(c) A person qualifying as a Wyoming resident in accordance with W.S. § 23-1-107 (c) shall not gain or lose residency for the purpose of serving full time for a period not to exceed

four (4) years in an established volunteer service program for charitable purposes, humanitarian purposes, or religious purposes. A letter, signed and notarized by the volunteer service program's director, which describes the services provided (including that they were provided without remuneration), the duration of service, and the hours served may be used to establish compliance with W.S. § 23-1-107 (c).

(d) A person qualified as a Wyoming resident as defined in W.S. § 23-1-102 (a) (ix) and § 23-1-107, is not considered a nonresident for the purposes of applying for or purchasing licenses, permits, tags or preference points.

Section 20. Application Dates.

(a) Completed applications for initial limited quota drawings, purchase of preference points only, and applications for the Department's Super Tag Trifecta and Super Tag license competitive raffle, shall only be submitted through the ELS during the application periods stated in this section. Electronic applications shall provide for an electronic signature process for residency oaths, certification to the correctness of information provided, or any other assertions as may be required by this regulation on the completed applications. Evidence of electronic signatures on drawing applications and licenses purchased may not be excluded in legal proceedings. Ref: W.S. § 40-21-113. The Department shall begin accepting completed applications at 8:00 a.m. on the first business day of the month or the specified date listed in subsections (d) and (e) of this Section.

(b) Completed applications submitted through the ELS shall not be accepted after 12:00 midnight Mountain Standard Time zone on the respective application deadline dates listed in subsection (e). If the deadline date occurs on a day when Headquarters has been closed for license sales (weekends, holiday, etc.), the ELS shall be available until 12:00 midnight Mountain Standard Time zone on the next business day.

(c) If the ELS is closed or otherwise unavailable to the public during the deadline date listed in subsection (e), the Department shall accept completed applications through the ELS until 12:00 midnight Mountain Standard Time zone on the next calendar day.

(d) Landowner License Application Dates: Completed applications for landowner licenses shall be submitted to the game warden or the regional wildlife supervisor in whose geographic area of responsibility the land listed on the application occurs. Completed applications for landowner licenses shall not be accepted after 12:00 midnight Mountain Standard Time zone on respective application dates listed in this subsection.

Section 21. Drawing Advantage. The Department shall develop and maintain a license issue system that allows qualified persons, as prescribed below, who have either purchased a preference point or were unsuccessful in the preference point drawing for a full price bighorn sheep or moose license, or purchased a preference point for nonresident antelope, deer or elk, a drawing advantage in future years as prescribed in Wyoming statutes. All applicants participate in the preference point drawing regardless of their preference point balance.

(a) All preference points accumulated through methods not authorized by this regulation or statute shall be subject to deletion.

(b) Preference points shall be assigned to persons who apply to receive preference points during authorized application periods. The following provisions apply to the issuance of preference points.

(i) No person shall apply for or receive a preference point during any calendar year in which the person's privilege to obtain a license has been revoked or suspended by a court or the Wildlife Violator Compact.

(ii) Preference points are not transferable from one person to another or from one species to another.

(iii) No person may apply for more than one (1) preference point per species in the same calendar year. If the applicant applies for a preference point during the initial license drawing period and is either awarded a preference point or receives their first choice license in the initial drawing, they shall not apply for a preference point for the same species during the preference point only application period in the same calendar year. Any preference point awarded in a calendar year shall not be considered for advantage in any license drawings during the same calendar year in which it was awarded.

(iv) A person shall not apply for or receive a separate preference point in the same calendar year in which the person receives a full price bighorn sheep or moose license or a first choice license in the initial drawing for nonresident antelope, deer or elk.

(v) A person eleven (11) years of age may apply for a preference point if the person shall become twelve (12) years of age in the same calendar year as the application for a preference point is made.

(vi) For the purpose of assigning preference points in this Section, any unsuccessful full price bighorn sheep or moose license applicant failing to apply for a license or preference point during a second consecutive calendar year shall lose all accumulated preference points and shall be considered as a first year applicant for any subsequent calendar year in which the applicant submits an application for a license or a preference point for that particular species.

(vii) For the purpose of retaining nonresident antelope, elk or deer preference points in this Section, any sportsperson failing to purchase a preference point within two (2) consecutive calendar years shall lose all accumulated preference points for that species and shall be considered as a first year applicant for any subsequent calendar year in which the applicant submits an application for a license.

(viii) For the purpose of retaining bighorn sheep and moose preference points in this Section, any sportsperson whose residency status changes and who has accumulated preference points will retain those points as long as the sportsperson applies for a license for that particular species within two (2) consecutive calendar years. Failing to apply for a license or preference point within two (2) consecutive calendar years, the sportsperson shall lose all accumulated preference points for that particular species.

(ix) A person may only request to contest their preference point values to the License Review Board for the five (5) year period immediately preceding their request.

(c) If a person desires to apply for a preference point only and not receive a license, the person shall apply for and receive a preference point by paying the proper fee and making application during the preference point only application period specified in Section 20 of this regulation.

(d) If an applicant's preference points have been deleted because the applicant caused more than one (1) customer record to be generated then those preference points shall not be restored. The Fiscal Division Chief may make an exception in the case of name changes because of marriage, divorce, adoption, or legal name change.

(e) The preference points associated with a sportsperson identification number provided on an application shall be the only preference points considered for an individual applicant participating in a preference point drawing.

(f) Upon drawing a full price bighorn sheep or moose license, all accumulated preference points by the applicant for that species shall be deleted. No person shall apply for or receive a full price bighorn sheep license or preference point for full price bighorn sheep within any consecutive five (5) year period of having received a full price bighorn sheep license through the drawing. No person shall apply for or receive a moose license or preference point for moose within any consecutive five (5) year period of having received a moose license through the drawing.

(i) Preference points are assigned to residents and nonresidents who are unsuccessful in either the full price bighorn sheep or moose drawings. The nonresident preference point fee, in addition to the statutorily prescribed application fee, shall be retained from the license fee remitted. The preference point fee for nonresidents shall be one hundred fifty dollars (\$150) for full price bighorn sheep and one hundred fifty dollars (\$150) for moose.

(ii) In lieu of applying for a full price bighorn sheep or moose license, a person may elect to purchase a preference point for each species. The applicant is not required to pay the statutorily prescribed application fee. The preference point fee for residents shall be seven dollars (\$7) per species and the fee for nonresidents shall be one hundred fifty dollars (\$150) for full price bighorn sheep, and one hundred fifty dollars (\$150) for moose.

(g) A preference point shall only be assigned to nonresident antelope, deer or elk applicants who participate in the initial drawing for full price licenses and who have remitted the proper preference point fee and who are unsuccessful in drawing their first choice license. The preference point fee, in addition to the statutorily prescribed application fee, shall be retained from the total amount remitted. The preference point fee for nonresidents shall be thirty-one dollars (\$31) for antelope, forty-one dollars (\$41) for deer, fifty-two dollars (\$52) for elk and ten dollars (\$10) per species for nonresident youth.

(i) In lieu of applying for a nonresident antelope, deer or elk license and remitting the proper preference point fee, a nonresident applicant may elect to purchase a preference point for each species. The preference point fee for nonresidents shall be thirty-one dollars (\$31) for antelope, forty-one dollars (\$41) for deer, fifty-two dollars (\$52) for elk and ten dollars (\$10) per species for nonresident youth. The applicant, when only applying for preference points, is not required to pay the statutorily prescribed application fee. Individuals who have drawn their first choice license in the initial draw are prohibited from purchasing or receiving a preference point in the same calendar year.

(ii) Upon drawing a license for the applicant's first choice in the initial drawing for nonresident antelope, deer or elk, all accumulated preference points by the applicant for that species shall be deleted and the applicant shall be prohibited from purchasing a preference point for that species in the same calendar year.

Section 22. Leftover Drawing. Limited quota licenses that were not issued through the initial drawings shall be offered in a competitive leftover drawing.

(a) A leftover drawing shall be conducted for antelope, bighorn sheep, deer, elk, moose, wild bison and mountain goat licenses remaining after the initial drawings.

(b) The application period shall be determined on an annual basis by the Fiscal Division Chief. Completed applications and license fees must be submitted during the application period.

(c) Both residents and nonresidents shall draw against the same quota.

(d) The maximum allowable number of applications in a party shall be six (6). Residents and nonresidents may apply together in the same party. Party applicants are required to submit their applications for the same species, hunt area and type in the same order of preference. All members of a party may either receive licenses or refunds on their license fees.

(e) All applicants shall participate in the respective random leftover drawing, giving no advantage to applicants with preference points.

Section 23. Reservation of Full Price Licenses. Individuals who have been issued a Governor's Complimentary License for a full price big game animal and who have been unable to use the license for good cause, may reserve a license for the same species for the immediately succeeding hunting season only. Individuals who have been issued a limited quota, full price big or trophy game license and who have been unable to use the license for good cause may reserve a license for the same species, hunt area, and season type for the immediately succeeding hunting season only. Conditions of this reservation are set forth in subsections (a), (b), (c) and (d) of this Section.

(a) To qualify for consideration of reservation of a limited quota, full price big or trophy game license due to a natural disaster, the licensee shall request the reservation on a form

provided by the Department. The request, along with the unused and unaltered license with all coupons intact, shall be received by the Department before the earliest opening date of the season for the designated species, including the special archery season, as specified in Commission rules and regulations during the year for which the initial license is issued. The licensee requesting a license reservation shall sign an affidavit verifying that the license was not used during any hunting season. All requests for the reservation of licenses shall be reviewed and determined by the License Review Board.

(b) For reasons related to being unable to use the license for good cause, other than natural disaster and military deployment, the licensee shall request the reservation on a form provided by the Department.

(i) The licensee shall fully complete the license reservation request form. This form, and the unused and unaltered license with all coupons intact, shall be submitted to the Department by the deadline date listed on the License Reservation Information sheet.

(ii) A Physician Certification for License Reservation Form and a written "Restriction from Hunting Activity" statement, written on the physician's official prescription slip or physician's letterhead, shall be submitted to the Department within thirty (30) days from the date an applicant's completed License Reservation Request Form is received by the Department.

(iii) For reasons related to being unable to use the license for good cause, other than natural disaster and disabling injury or illness, military personnel who receive permanent change of station (PCS) orders or are assigned away from their home duty station on temporary orders (TDY) for the majority of the regular season, shall provide to Headquarters a copy of official military orders from the Armed Forces of the United States along with the unused and unaltered license with all coupons intact.

(iv) In no case shall a person be allowed to reserve any license if the person fails to submit the unused and unaltered license with all coupons intact to the Department before the earliest opening date of the season, including special archery seasons, for the designated species as specified in Commission rules and regulations during the year for which the license is issued. The licensee requesting a license reservation shall sign an affidavit verifying that the license was not used during any hunting season.

(c) Any person who has been granted a limited quota elk or limited quota deer license reservation from the License Review Board related to being unable to use the license for good cause may subsequently purchase a general license, if eligible, for the same species during the current hunting season.

(d) Prior to the respective drawing, license quotas in the subsequent hunting season for areas where licenses have been reserved may be adjusted to reflect reservations as provided by Wyoming statute and this Chapter.

(e) In circumstances where related season, quota or sex limitation of the hunt area for the unused license changes in the subsequent hunting season, the following options shall be offered:

(i) If the unused license allowed taking either sex of animal, but that type no longer exists, the licensee shall be given a choice of a license for an antlered (male) or antlerless (female) animal in the subsequent hunting season.

(ii) If the unused license was limited to taking an antlerless or female animal, but that license type no longer exists, the licensee shall be given either an any or an antlered or male only license at the Department's discretion in the subsequent hunting season.

(iii) If the license was limited to taking an antlered or male animal, but that type no longer exists, the licensee shall be given either an any or an antlerless or female only license at the Department's discretion in the subsequent hunting season.

(iv) If in the subsequent hunting season, the entire hunt area is closed to hunting of the species listed on the unused license, the licensee shall be offered a license for the same species and sex limitations in another area of the licensee's choice.

(v) If in the next hunting season, the entire state has been closed to hunting of the species listed on the unused license, the licensee shall not be issued another license to hunt that species. Under this circumstance, the licensee shall be issued a refund of the fee paid for the unused license.

(f) Applicants requesting the reservation of a limited quota, full price big or trophy game license shall submit the administrative fee of ten dollars (\$10) no later than May 15 in the succeeding calendar year, along with a completed Department form prior to the reissuance of the license.

(g) Any limited quota, full price big or trophy game license that is reissued to a qualified applicant shall count toward the total number of licenses a person may apply for and receive during any one calendar year.

(h) Any person who has been granted a license reservation under this section, for which preference points have been accumulated, shall not have preference points restored and may not be eligible to purchase a preference point for that species during the same year the original license was issued.

(i) Any person who has been granted a license reservation under this section shall not be eligible to participate in the initial drawing the following year for the same species and license type.

Section 24. Applicant Disqualification. The applicant(s) is solely responsible for the veracity of information on the completed application submitted through the ELS. Applications shall be disqualified from participating in drawings for the following reasons:

(a) The applicant's privilege to purchase or receive any hunting license or preference points has been suspended by a court order or the Wildlife Violator Compact;

(b) The applicant causes more than one (1) sportsperson identification number to have been assigned;

(c) Submission by an individual of more than one (1) completed application for a license for the same big or trophy game species, wild turkey or wild bison unless authorized by Commission regulation;

(d) Applying for a license the applicant is not eligible to receive by Rule and Regulation or Statute;

(e) The applicant will not reach twelve (12) years of age by December 31 of the year the application is made for the purchase of a preference point. An applicant less than twelve (12) years of age may apply for and receive a big or trophy game hunting license provided the applicant will reach twelve (12) years of age during the season for the designated species as specified in Commission Rules and Regulations during the year for which the license is valid.

(f) The applicant attempts to manipulate or circumvent Department licensing security procedures in the ELS system in order to submit or modify an application.

(g) Any person who has an application disqualified under this section shall be in violation of this regulation and such violation shall be punishable as provided by Title 23, Wyoming Statutes, for violation of Commission regulations.

Section 25. Suspension or Revocation of License.

(a) Non-Payment of Child Support.

(i) Upon receipt from the Department of Family Services of a certified copy of an order from a Court to withhold, suspend, or otherwise restrict a license or preference point issued by the Commission, the Game and Fish Department shall notify the party named in the court order by first-class mail of the withholding, suspension, or restriction in accordance with the court order. The Game and Fish Department shall mail this notice by first-class mail to the party named and to the address provided by the Department of Family Services.

(ii) Upon receipt of a notice from the Department of Family Services that the obligor is in compliance with the court order, the Game and Fish Department shall immediately reinstate the license unless the license has been suspended or revoked for other reasons. The Department shall by first-class mail notify the party named and to the address provided by the

Department of Family Services that the individual's license privileges have been reinstated. The Department shall also mail by first-class mail to the obligor any licenses in the Game and Fish Department's possession at the time of reinstatement.

(iii) The Department shall maintain a written record indicating to whom the notice was mailed and the address to which the notice was mailed.

(b) Wildlife Violator Compact. The Department may suspend license privileges in accordance with Commission Regulation, Chapter 54, Home State Suspension Procedures for the Wildlife Violator Compact dated July 10, 2015, and which does not include any later amendments or editions of the incorporated matter.

Section 26. Withdrawal or Modification of Application, Refund of License Fees and Reissuance of Certain Licenses. Licenses, permits, stamps, tags, preference points or competitive raffle chances issued under Title 23, Wyoming Statutes or this regulation become the permanent property of the licensee and shall not be canceled or any fee refunded after the license, permit, stamp, tag, preference point or competitive raffle chance(s) has been issued, except as specified in this section or otherwise as set forth in Commission regulation.

(a) A request for a voluntary withdrawal of an application before a drawing shall be accepted through the ELS by the date indicated in Section 20(d) and (e) for the initial drawing, and by the application closing date for the leftover drawing.

(i) Applicants may not submit a voluntary withdrawal form for the purchase of a preference point only, Super Tag or Super Tag Trifecta competitive raffle chance.

(b) A modification of an application must be completed through the ELS by the date indicated in Section 20(d) and (e) for the initial drawing, and by the application closing date for the leftover drawing.

(i) An applicant may only request changes to hunt area and type or change their withdrawal flag indicator on their reduced price application for the initial drawing through the ELS.

(c) To request a refund of a license fee in this subsection, the licensee shall submit the request for a refund in writing along with the license unaltered and with all coupons intact to the Department during the calendar year for which the license is valid. The licensee shall also execute and submit at the time of a refund request a Department affidavit describing the reason(s) the licensee was not able to exercise the license privileges which includes a sworn statement that the licensee did not exercise any hunting privileges granted by the license including any or all seasons for the designated species as specified in Commission regulation during the calendar year for which the license was valid. If the license is destroyed, lost or illegible, the licensee shall state on the Department affidavit to that effect and submit with the written request for refund in the calendar year for which the license is valid. If the licensee is granted a refund for a license, the individual may apply for and receive any remaining issue-after

license for the same species in accordance with state statutes and Commission regulations. Application fees and any applicable preference point fees will not be refunded. All license refund requests shall be reviewed and determined by the License Review Board.

(d) To qualify for a refund of a license fee in accordance with this section, the licensee shall meet one (1) of the following provisions:

(i) In the case of the death of the licensee, a written request for a license refund supported by a copy of the respective death certificate shall be submitted to the Department. The date of death on such certificate shall have resulted in the licensee not being able to participate in the majority of the regular or special archery season. All refunds issued under this subsection shall be made payable to the estate of the decedent unless the license fee was paid by a nonprofit charitable organization. The nonprofit charitable organization shall provide supporting documentation of payment of the license fee.

(ii) In the case of the death of the licensee's spouse, parents, grandparents, siblings, lineal descendants and their spouses, step-parent, step-sibling, step-children, father-in-law, mother-in-law, brother-in-law, sister-in-law, step-son-in-law or step-daughter-in-law or the death of a member of a party application, the licensee shall submit a written request for a license refund supported by the respective death certificate. The date of death shall have resulted in the licensee not being able to participate in the majority of the regular or special archery season.

(iii) In the case of incapacitating illness or injury of the licensee, the licensee's spouse, parents, grandparents, siblings, lineal descendants and their spouses, step-parent, step-sibling, step-children, father-in-law, mother-in-law, brother-in-law, sister-in-law, step-son-in-law or step-daughter-in-law, or incapacitating illness or injury of a member of a party application, supported by a physician's sworn statement on a Department form that the licensee is incapable of performing tasks necessary to exercise the privileges of the license;

(iv) Military personnel who receive permanent change of station (PCS) orders and military personnel who are assigned away from their home duty station on temporary orders (TDY) for the majority of the regular season, all of this being supported by a copy of official military orders from the Armed Forces of the United States, and such orders require the affected personnel to move away from their home duty station, shall accompany the written request for the license refund;

(v) Individuals who are not able to participate in the majority of the regular season for the species specified in Commission rules and regulations during the year for which the license is issued as a result of a court subpoena, jury duty, Grand Jury investigation or attorneys required to attend criminal cases. A certified copy of the court document shall accompany the written request for the license refund;

(vi) When the Department determines fifty percent (50%) or more of the hunting opportunity and access to the public land within an individual hunt area outside of designated wilderness has been closed due to administrative actions of the state or federal

government in closing of the public access to public lands, or due to a natural disaster, including but not necessarily limited to, wildland fires, the licensee of a limited quota antelope, full price bighorn sheep, limited quota deer, limited quota elk, moose, mountain goat, or wild bison license may request a license fee refund;

(A) When the Department determines one hundred percent (100%) of all the hunt areas are closed or the hunting season is prevented from occurring due to administrative actions of the state or federal government, a black bear, gray wolf, mountain lion or wild bison licensee may request a license fee refund. The closing of hunt areas due to harvest quotas being met does not qualify a licensee for a license fee refund.

(vii) An error on the part of the Department or its authorized agent where the applicant has been issued a license not requested. An applicant may request in writing to the License Review Board to review a decision made by a Department employee or an agent of the Department in the handling of the application for, or the issuance of a license, permit, or preference point if the decision is contrary to statute or rule and regulation promulgated by the Commission. All decisions of the License Review Board shall abide by provisions of state and federal statutes and Commission regulations.

(viii) Any youth licensee may be granted a license refund if the youth licensee's opportunity to hunt is jeopardized as a result of any license refund granted by the Department as specified in sections (i), (ii), (iii), (iv), (v), (vi), (vii), or (viii) of this subsection;

(ix) A sponsoring organization of a person with a life-threatening illness that has received a license under Section 13 may be granted a license refund if the licensee's opportunity to hunt is jeopardized as a result of incapacitating illness or injury supported by a physician's sworn statement on forms provided by the Department that the licensee is incapable of performing tasks necessary to exercise the privileges of the license.

(e) Refunds shall not be allowed under the following circumstances:

(i) The licensee illegally purchased more licenses than what was authorized for purchase by Commission regulation or Wyoming statute;

(ii) For any license, permit, stamp or tag in which the privilege to use the license, permit, stamp or tag expires on December 31 in the year issued, the deadline to submit a written request for a refund shall be December 31 of that year.

(iii) For any license in which the hunting season to use that license has been extended into January of the succeeding calendar year, the deadline to submit a written request for a refund of that license shall be January 31 of the year in which the hunting season expires. For all other licenses, the deadline to submit a written request for refund shall be on the last date the individual license is valid.

(iv) Refunds shall be denied in any circumstance where the licensee hunted on the license for the designated species as specified in Commission rules and regulations, including special archery seasons, during the year for which the license is issued.

(f) There shall be no right of appeal to the Commission for any decision rendered by the License Review Board or the Department for any provision of this section.

(g) Restoration of preference points. In any case where a license may be obtained by the accumulation of preference points, or preference points may be obtained in lieu of application for a license and a license refund is granted by the Department, all accumulated preference points, including any preference point that may have been earned for the year the license is issued, shall be restored to the applicant.

(h) In the case of the death of a licensee who has been issued an any wild bison license or a mountain goat license, a written request for the license to be surrendered to the Department and reissued to an immediate family member of the decedent shall be made to the License Review Board. The request shall be supported by a copy of the respective death certificate, and the date of death on such certificate shall have resulted in the licensee not being able to participate in the majority of the regular or special archery hunting season.

(i) The license shall be reissued to a qualified immediate family member of the decedent at no fee.

(ii) The license shall be reissued for the same species, hunt area and license type as the license surrendered.

(iii) A license reissued to an immediate family member of a decedent shall count against the maximum number of licenses a person may otherwise apply for and receive as a condition of Commission regulations.

(a) No license, permit, stamp, tag, preference point or competitive raffle chances shall be transferred, or used for the purpose of taking wildlife, except by the individual to whom it was issued and therein named and while in that individual's possession. No individual shall take or attempt to take any wildlife using another individual's license, permit, stamp or tag. Any license, permit, stamp, tag, preference point or competitive raffle chances shall not be valid unless the proper fees have been received by the Department.

(b) Licenses, excluding lifetime licenses, shall only become valid when signed by the person in whose name the license is issued in the space provided on the license for the owner's signature, and where applicable, co-signed by a parent or legal guardian.
