# Elk Feedgrounds: A Challenge We Can Take On

The goal of the Elk Feedgrounds Collaborative Process is to consider all *biological, social, economic and political* issues, along with *wildlife diseases*, to achieve a durable, publicly-supported long-term feedgrounds management plan for the 22 Game and Fish-operated elk feedgrounds.

Biological

**Wildlife  
Management**

Economic

**Damage &  
Conflict  
Mitigation**

**Disease  
Management &  
Mitigation**

Political

**Habitat  
Protection**

**Hunter  
Opportunity**

Social
