

Generating a Sportsman's Identification Number

The Sportsman's Identification Number (SPID) is needed to obtain a hunter education card. The SPID is also required to purchase hunting or fishing licenses or a conservation stamp.

Steps for generating a SPID (students who have purchased Wyoming hunting or fishing license(s) since 2008, will already have a generated SPID):

- When registering for a HE class:
 - o Select the class that you would like to attend by clicking either the Enroll or Waiting List button
 - o Click either the *Forgot your Sportsman's ID?* or *Create a Sportsman's ID for me?*
 - o Follow the steps as directed and **click Submit**
 - o This will automatically take you back to the HE course registrations page
 - If class and waiting list are full:
 - o From the WGF D website – click the *Buy License and Stamp Button* on the left side of the page
 - o Follow steps as directed
 - o When you retrieve your Sportsman's Identification, write it down, and **click EXIT**
 - o Students will need to take this number to their HE instructors as soon as possible
