

Driving Directions: Go about 3.4 miles south from Bondurant on Highway 189/191 to USFS road 30700. This road takes off on to the south (right) and follows the Hoback River valley through private land for about 7 miles. The 1.8 mile-long instream flow segment begins at the mouth of Jamb creek about 1/2 mile south of the Forest boundary and extends upstream to the mouth of the South Fork Hoback.
