

Driving Directions: Best access to the stream is through the Medicine Lodge State Archaeological Site located on the Cold Springs Road 6 miles from its intersection with the Alkali Road near Hyattville. Take State Route 31 east from U.S. Highway 20 at Manderson or north from Highway 16 at Tensleep and go to Hyattville. The Alkali Road takes off the highway just north of Hyattville and the Cold Springs Road branches off from the Alkali Road in less than a half mile.
