Driving Directions: From the town of Encampment, go approximately 23 miles west on Wyoming Highway 70 to the junction of Forest Service road 801 (the Deep Creek Road). Turn north and go about 6 miles to the junction of Forest Service road 871. This road is not clearly numbered or marked, so you need to pay close attention. Turn right on this graded road (heading northeast) and go about 3 miles. When you come to a T, turn left and you'll cross the stream in about 1/4 mile. A bit further on this road is a gate that marks the beginning of a small parcel of private land where public access is not allowed.
