

**Driving Directions:** From the town of Encampment go approximately 23 miles west on Highway 70 to the junction of Forest Service road 801 (the Deep Creek Road). Turn north and go about 7 miles to the junction of Forest Service road 830. Turn right on this road (heading northeast) and go about 3 miles to Forest Service Road 874 where you turn off to the right (east). Though you can drive the remaining 5 miles to the stream on this abandoned 4-wheel drive road, the last couple miles are definitely 4-wheel drive caliber and you may want to make this part of the trip on an ATV, by foot or in someone else's truck!
