Driving Directions: From Lander go about 10 miles south of town on Highway 28 and turn right on a gravel road that's about 1 mile south of the junction of Highway 28 and 287. There's a public parking area within about a mile of the highway that services the lower end of the segment. There's also a public parking area at the upper end of the segment that can be used by continuing on the main gravel road about another mile and a half.
