HWY 290
Wood River Road
Wood River below Middle Fork
Driving Directions: From Meeteetse, take state highway 290 about 7 miles west of town. Take the Wood River Road to the southwest at this point where the highway splits. Stay on this road another 17 miles or so until reaching the U.S. Forest Service boundary (about 1 mile downstream from the USFS Wood River campground). The segment extends from the USFS boundary upstream about 1 mile.
