In the case of a vehicle not in Wyoming, the vehicle identification number may be inspected and certified on a form approved by the department if the inspection is made by an authorized law enforcement officer of a city, county or state law enforcement agency or an individual licensed at a federal military installation or any other person authorized to do so by law and delivered to the county clerk in the county where the application for certificate of title is made along with payment for the inspection fee required under W.S. 31-3-102(b)(iv);

(ix) Such other information as required by the department or county clerk which may include but not be limited to a vehicle bill of sale or similar document, any documentation necessary to verify proof of ownership including an affidavit for proof of ownership or any surety bond required by this act. Any affidavit for proof of ownership shall be prescribed pursuant to W.S. 31-1-201(d) and shall be utilized by each county of this state;
