

MONITORING

Comment and/or Category

Use of Public Information and Citizen Science Ideology
Alternative Monitoring Methods, Continue Evaluation of Methods
More Accurate Population Estimate
Monitoring Outside DMA - "Count All Bears"
Technological Advances - Drones, Apps
Genetics and Connectivity
Trail Camera Use
"Real-Time" Information and Updates
Funding for Monitoring
Make Results and Information More Available
WRR Collaboration
Climate Change
Foods and Condition
Reduce/Stop Collaring and Monitoring
Expansion
Data Gathered through Hunting
Habitat Monitoring
Monitoring Den Sites
Increased Monitoring of "Conflict" Bears
Surveys

RESEARCH OPPORTUNITIES
Comment and/or Category
Analysis of Conflict Management and Relocation
Foods and Body Condition
Interactions Among Other Carnivores/Ungulates
More Accurate Population Estimate
Continued Evaluation of Demographics
Bear Distribution/Movements and Humans
Density Dependence, Infanticide, Carrying Capacity
Funding for Research
Predation, Additive Impacts, Kleptoparasitism
Genetics and Connectivity
Habitat research
Disease
Moth Ecology
Bear Spray and Bears (Behavioral Responses)
Latest Tools and Technology
More Data on Subadult Ecology
Reduce Research, Reduce \$\$ Spent

CONFLICT MANAGEMENT

Comment and/or Category

Explore "Other" Methods (Nonlethal, Aversive Conditioning)
Food Storage, Regulations, and Enforcement
Public Education on the Program and Transparency
Definitions of Conflict, Conflict vs Problem Bears
Evaluation of Relocation
Livestock and Conflicts
DLP Investigations and Information Sharing
Impact to conflict management through hunting
Move Bears to Areas Outside GYE/Move to YNP
Depredation Tags - Hunting of Conflict Bears
Human Dimensions
Interagency Collaboration
Public and Hunter Surveys
Signage and Closures - Better Understanding
"Real-time" information
Bear Spray Required
Approve Current Program
Mandatory Removal of Gutpiles
More Proactive Agency Removal

OUTREACH AND EDUCATION (BEAR WISE WYOMING)

Comment and/or Category

More Education and Transparency
Information more Readily Available to Public
Bear Spray Info and Education
Collaboration - \$\$ - Donors
Schools and Education
Increase our Footprint of Education
Education fo Visitors, Tourists, Nonresidents
Food Storage and Regulations
Increased Public Involvement
Use of Apps and Technology
Funding (License Plate Registration, GB Stamp)
Quantification of Efficacy

HUNTING AND HARVEST MANAGEMENT

Comment and/or Category

Hunting to Target Conflict Bears - Expansion
License Costs, License Types
Mandatory Education/Training/Test/Proficiency
Limited Quota Draw (Priority List) and Reporting
Impact of Hunting on Grizzly Bear Behavior and Ecology
Season Dates - Hunt Areas to Distribute Harvest
\$\$ - Funding for Program, Accountability, Equitable Distribution
Buffers to Protect Areas (NPS, JDR), Individuals, Revenue
Liberal Harvest Outside DMA, Predator Zone
No Hunting - Hunting Moratorium, Management vs Hunting
No Baiting
Similar Approach to Existing (Black Bear, Mountain Lion)
Protect Females, Male Hunting Only
Allow Baiting - Regulated
Residency Splits
Evaluate Impacts to Tourism and Economy
Caliber Requirements, Archery
No Spring Hunting
Fines for Illegal Killing
Salvage of Meat
How Hunting may Impact Human Perceptions
Positive Benefits of Hunting
General Support
Guide Requirement - GF guide
Depredation Tags
Alteration of Statutory Classification
No Trapping
Bear Spray (Mandatory Use)
Protections from Hunting on Moth Sites
