

STATEMENT OF REASONS

CHAPTER 30

REGULATION GOVERNING FUR DEALERS

W. S. § 23-1-302(a)(xv) directs and empowers the Commission to require record keeping and the submission of reports from any commercial operation or business, and to require proper licensing under this act.

W.S. § 23-6-207 empowers the Commission to revoke the license of any commercial operation or business for any violation of this act or an order of the Commission pertaining to the operation or business.

Section 1 is amended to include W.S. § 23-3-401 which addresses a commercial operation or business without a license.

Old Section 2 is deleted for consistency with other Commission Regulations and because this is self-evident.

New Section 2 is edited for consistency with other Commission Regulations.

New Section 6(a) includes specific reasons under which the Commission may revoke a commercial fur dealer's license. Section 6(b) deleted a policy enactment date to address any future revision dates to this policy not also needing to be addressed in this regulation.

Old Section 9 is deleted to conform to standard formatting practices for Commission Regulations.

Minor grammatical and formatting edits have also been incorporated in the above regulation that do not change the intent of the regulations.
