

## Wyoming Game and Fish Department Comment Form

The Wyoming Game and Fish Department seeks comments on a draft Biological Risk and Opportunity Assessment for the designated Platte Valley Mule Deer Migration Corridor. Please provide your comments on this document. The draft assessment is available for review on the Game and Fish website. Please refer to the Assessment for a map of the segments mentioned below. A virtual public meeting for local stakeholders will be held Dec. 8. Comments will be accepted until Dec. 15 and will contribute to the final assessment, slated to be completed in January 2021. **Mail completed forms to: Wyoming Game and Fish, c/o Embere Hall, 1212 S. Adams St., Laramie WY 82070.**
