

BLACKROCK RANGER DISTRICT TRAVEL RESTRICTIONS

- Winter Travel restrictions will go into effect on December 1.
- Hatchet Road (30160) is CLOSED to wheeled vehicles beginning December 1. Snowmobiles will be allowed on the Hatchet Road (30160) starting Dec. 1. This is all part of making the entire Teton Division Winter Travel Map effective December 1st with clarifications that allow access for bison hunting.
- A designated area west of Hatchet Road (30160) on Blackrock District within winter range will continue to be open to cross country snowmobile travel until December 15. This includes the area west of the Hatchet Road encompassing Diamond L Road (30185/30182), Lower Spread Creek Road (30290), and Toppings Lake Road (30310).
- Spread Creek Roads are OPEN TO VEHICLES until December 15. Wheeled motor vehicle travel or tracked ATV/UTV are allowed until December 15 on Lower Spread Creek Roads 30290, 30290A, 30290B, 30290C, 30290D
