Dear Live Baitfish Dealer,

The Cheyenne Headquarters office and the regional offices often receive questions from the public asking who the bait dealers are in their area. We maintain a master list of baitfish dealers who would like their business information made public for our regional offices. We also publish the list on our website. The information publicized will include your name or business name and physical address. We can include your phone number and hours of operation if you would like.

We understand that not all those with a Deal in Live Baitfish License sell to the public, and will not make your contact information available to the public without your consent.

If you are interested in being on our Baitfish Dealers Business List, please fill out the form below and return to:
