Section 3. Damage to Livestock by Trophy Game Animals or Gray Wolf (in Accordance with W.S. § 23-1-901 (g) and (h)). Except as specified in subsection (a) of this section, the Department shall only offer payment for damage to individual livestock confirmed

by the Department or its representative as having been injured or killed by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h).

(a) In geographic areas determined by the Department to have terrain, topography, and vegetative characteristics that influence the ability of the claimant and Department to find missing calves and sheep that are believed to have been damaged as a result of a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h), the Department shall utilize the methods, factors and formulas in this subsection to determine the amount to compensate any landowner, lessee or agent for calves and sheep missing as a result of such damage.

(i) Any claimant whose verified claim is for missing sheep or calves believed to have been damaged as a result of a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h), shall include on his verified claim the total known death loss, including missing animals, for the sheep or calves for the grazing season together with the number of such losses known to be due to causes other than damage by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h).

(ii) Notwithstanding the use of the formulas in this section, the Department shall not offer compensation for more than the total known death loss less the number of such losses known to be due to causes other than damage by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h). In order to utilize any formula, the Department or its representative must have confirmed the claimant had at least one (1) calf or one (1) sheep injured or killed by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h).

(A) Calves and sheep in areas occupied by grizzly bears. To determine the amount of compensation due to a claimant for calves and sheep believed to be missing as a result of being damaged by a black bear, grizzly bear, or mountain lion in areas occupied by grizzly bears, the Department shall utilize the following formula:

(I) Number of individual calves or sheep confirmed by the Department or its representative killed by a black bear, grizzly bear, or mountain lion multiplied by three and one-half (3.5) multiplied by the value of livestock equals the amount of compensation.

(II) Sheep in areas not occupied by grizzly bears. To determine the amount of compensation due to a claimant for sheep believed to be missing as a result of being damaged by a black bear or mountain lion in areas not occupied by grizzly bears, the Department shall utilize the following formula:

(III) Number of individual sheep confirmed by the Department or its representative killed by a black bear or mountain lion multiplied by three (3) multiplied by the value of livestock equals the amount of compensation.

(iii) Sheep in areas set forth by Commission regulation where gray wolves are designated as trophy game animals, or gray wolves in accordance with W.S. § 23-1-901 (g) and

(h). To determine the amount of compensation due to a claimant for sheep believed to be missing as a result of being damaged by gray wolves, in areas occupied by gray wolves, the Department shall utilize the following formula:

(A) Number of individual sheep confirmed by the Department or its representative killed by a gray wolf multiplied by seven (7) multiplied by the value of livestock equals the amount of compensation.

(iv) Calves in areas set forth by Commission regulation where gray wolves are designated as trophy game animals, or gray wolves in accordance with W.S. § 23-1-901 (g) and (h). To determine the amount of compensation due to the claimant for calves believed to be missing as a result of being damaged by gray wolves, in area occupied by gray wolves, the Department shall utilize the following formula:

(A) Number of individual calves confirmed by the Department or its representative killed by gray wolves multiplied by seven (7) multiplied by the value of livestock equals the amount of compensation.

(b) Veterinary costs for the treatment of individual livestock that have been injured by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h), shall be considered up to a maximum amount that is not to exceed the value of the livestock injured, only in cases where a licensed veterinarian believes the individual livestock in question had a reasonable chance to survive and return to a productive state. If the individual livestock died as a result of an injury inflicted by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h), even though the livestock received veterinary care, payment shall only be made up to a maximum of the value of the livestock.

(c) Any claimant who has sustained gray wolf damage located in the area described in W.S. § 23-1-901 (g) and (h) shall be eligible for damage compensation. Each time a claimant reports gray wolf damage to the Department, pursuant to W.S. § 23-1-901 (g) and (h), the claimant shall acknowledge:

(i) The adjacent area of land is outside the area described in W.S. § 23-1-101 (a) (xii) (B) (I) or (II);

(ii) The adjacent area of land is part of a contiguous tract of land a portion of which is currently located within the boundaries described in W.S. § 23-1-101 (a) (xii) (B) (I) or (II);

(iii) The adjacent area of land is privately owned;

(iv) The private landowner of the adjacent area of land consents to the designation;

(v) The designation of the adjacent area of land shall not subtract from or diminish the area described in W.S. § 23-1-101 (a) (xii) (B) (I) or (II).

Section 4. Permitted Hunting During Authorized Hunting Seasons.

(a) A claimant shall not be eligible to receive an award for damage caused by big game animals, trophy game animals, or game birds unless hunting for the species for which damage compensation is claimed has been permitted during authorized hunting seasons on the land for which the verified claim has been filed. For an award to be allowed, the claimant shall permit hunting during authorized hunting seasons if the species of big game animals, trophy game animals, or game birds for which the verified claim was filed were present on the claimant's privately owned or leased land and adjoining Federal or State land during authorized hunting seasons delineated in subsection (iii) (A). If the species of big game animals, trophy game animals, or game birds for which the verified claim has been filed were not present on the claimant's privately owned or leased land and adjoining Federal or State land during the authorized hunting seasons as delineated in subsection (iii) (A), for an award to be allowed the claimant shall permit hunting during authorized hunting seasons delineated in (iii) (B) and (iii) (C) if requested by the Department. The claimant shall permit hunting during authorized hunting seasons delineated in (iii) (B) and (iii) (C) without access fees to hunters or the Department.

(i) For a claimant to be eligible to receive an award for damage compensation on leased private land, the landowner of the leased private land shall not, in any manner, restrict hunting access for the species for which damage compensation is claimed on the land for which the verified claim has been filed, or any adjoining Federal or State land.

(ii) The claimant shall not, in any manner, restrict hunting access to their privately owned land, leased private land or any adjoining Federal or State land within the hunt area for which the damage occurred in accordance with this section.

(iii) Authorized hunting seasons include:

(A) Hunting seasons as established by Wyoming Game and Fish Commission rule and regulation;

(B) Depredation prevention hunting seasons as approved by a District Wyoming Game and Fish Commissioner and the Chief Game Warden; or,

(C) Lethal taking of wildlife through a kill permit as approved by a District Wyoming Game and Fish Commissioner and the Chief Game Warden.

(b) The Department shall determine if hunting was permitted during authorized hunting seasons for the species of big game animals, trophy game animals, or game birds for which the verified claim has been filed. For an award to be allowed, the Department shall have to determine the claimant allowed sufficient numbers of hunters to access his privately owned or leased land and adjoining Federal or State land to harvest more than the number of big game animals, trophy game animals or game birds recruited in the preceding twelve (12) months into the segment of the population responsible for doing damage. The claimant shall contact the game warden to whom he reported the damage to determine how many big game animals, trophy game animals, or game birds meets the requirement of more than the number of big game

animals, trophy game animals or game birds recruited in the preceding twelve (12) months into the segment of the population responsible for doing damage. An award may be allowed if the Department determines a reduction in big game animals, trophy game animals or game birds affects the Department's ability to sustain the population at the objective the Commission has established for the herd unit.

Section 5. Notification of Damage and Filing of Damage Claims.

(a) Any claimant who has incurred damage as defined in Section 2 of this Regulation shall report the damage to the nearest game warden, supervisor, or Commission member within fifteen (15) consecutive days following the date damage was discovered. If the claimant intends to take actions that prevent the damage being investigated by the Department, such as harvest of damaged crops or removal of damaged livestock, the claimant shall notify the nearest game warden, supervisor, or Commission member as soon as reasonably possible after discovery of the damage so the damage can be investigated by the Department prior to removal, harvest, modification, or destruction of the damaged property; however, in no case shall the claimant take actions that preclude the damage being investigated by the Department. If the claimant denies or precludes the damage being investigated by the Department, the Department shall deny the verified claim.

(b) The claimant shall present a verified claim in accordance with Section 9 of this regulation to the Office of the Department within sixty (60) consecutive days following the date the last item of damage was discovered.

(i) For verified claims of damage to individual livestock by a trophy game animal, or gray wolf in accordance with W.S. § 23-1-901 (g) and (h), the sixty-day (60) period shall commence from the last date the livestock were present on the grazing allotment or geographic location where the damage occurred;

(ii) For verified claims of damage to bees, honey, and hives by a trophy game animal, or gray wolves in accordance with W.S. § 23-1-901 (g) and (h), the sixty (60) day period shall commence from the last date damage occurred or from the last date the bees, honey, or hives were present on the location where the damage occurred, whichever date occurs first; and,

(iii) For verified claims of damage to land, growing cultivated crops, seed crops, stored crops, improvements, or extraordinary damage to grass by big game animals, trophy game animals or gray wolves in accordance with W.S. § 23-1-901 (g) and (h) or game birds, the sixty (60) day period shall commence from the last date the growing cultivated crop or seed crop was harvested or the land, stored crops, or improvements were damaged or the extraordinary damage to grass occurred.

(c) If a claimant chooses to appeal the Department's decision regarding a verified claim to the Commission, the claimant shall file a written appeal that is received by the Office of the Department within thirty (30) consecutive days from the date the claimant received the Department's notification of its decision on the verified claim.

(d) The claimant shall have no right of appeal to the Commission of the Department's denial of the claim if based upon the information provided by the claimant in the verified claim, the claimant failed to comply with subsection (a) or (b) of this section. The claimant shall have no right of appeal to the Commission of the Department's decision on a verified claim if the claimant failed to comply with subsection (c) of this section.

(e) The U.S. Postal Service or any other mail delivery service providers are not agents of the Department. Therefore, the Department cannot assume responsibility for mail delivery to the Department. It is the claimant's responsibility to assure the delivery of a verified claim to the Office of the Department.

Section 6. Investigation and Payment of Verified Claims.

(a) When investigating damage claims, the Department shall utilize the standard of "more likely than not" in determining whether or not the damage was the result of big or trophy game animals or game birds, or gray wolves in accordance with W.S. § 23-1-901 (g) and (h).

(b) The Department shall consider damage that was discovered by the claimant and reported to the nearest game warden, supervisor or Commission member within fifteen (15) consecutive days after the date the damage was discovered. Any damage that was reported more than fifteen (15) consecutive days after the date it was discovered by the claimant shall not be considered by the Department as damage under this regulation.

(c) The Department shall investigate the verified claim and either reject the claim or provide for full or partial payment to the claimant within ninety (90) consecutive days following the date the Office of the Department received the verified claim.

Section 7. Reasons for Denial of a Verified Claim.

(iii) The big or trophy game animals or game birds causing damage were on the claimant's privately owned or leased land and adjoining Federal or State land during authorized hunting seasons as specified in Section 4 (a) (iii) (A), and the claimant did not permit hunting in accordance with Section 4 of this regulation.

(iv) The big or trophy game animals or game birds causing damage were not on the claimant's privately owned or leased land and adjoining Federal or State land during authorized hunting seasons as specified in Section 4 (a) (iii) (A), and the claimant would not agree to the Department's implementation of a depredation prevention hunting season as specified in Section 4 (a) (iii) (B) or insisted on charging an access fee to hunters to participate in a depredation prevention hunting season as specified in Section 4.

(v) The big or trophy game animals or game birds causing damage were not on the claimant's privately owned or leased land and adjoining Federal or State land during authorized hunting seasons as specified in Section 4 (a) (iii) (A), and the claimant would not agree to the Department's implementation of a kill permit as specified in Section 4 (a) (iii) (C) or insisted on charging an access fee to the Department to implement a kill permit as specified in Section 4.

(b) If the claimant calls for arbitration, the claimant and the Office of the Department shall each appoint a disinterested arbitrator within fifteen (15) consecutive days from the date the Office of the Department received the written call for arbitration.

(c) When the claimant and the Office of the Department appoint arbitrators, written notification of the name, mailing address, and telephone number of arbitrators shall be made by each party to the other within fifteen (15) consecutive days from the date the Office of the Department received the written call for arbitration.

(d) Within twenty (20) consecutive days after their appointment, the two (2) arbitrators shall appoint a third arbitrator. The two (2) arbitrators selected shall notify both the claimant and the Office of the Department in writing of the name, mailing address, and telephone number of the third arbitrator selected. The Department shall transmit to the Office of Administrative Hearings a referral transmittal sheet and copies of the appropriate agency documents reflecting the disputed claim and the basis thereof. Upon referral from the Department, the Office of Administrative Hearings shall have the authority, pursuant to W.S. § 9-2-2202, to conduct the arbitration hearing in an impartial manner pursuant to the Wyoming Administrative Procedure Act, applicable provisions of the Wyoming Rules of Civil Procedure, and Chapters 1 and 2 of the Uniform Contested Case Rules adopted by the Office of Administrative Hearings (Chapter 1 effective October 17, 2014; Chapter 2 effective July 20, 2017) and found at <http://rules.wyo.gov> hereby incorporated by reference but not including any later amendments or editions, to the extent those statutes and rules do not conflict with W.S. § 23-1-901 or the Uniform Arbitration Act.
