**African Collared-Dove**

02-011      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 25 October 2002      **Number Seen:** 2  
**County:** Fremont      **Latilong:** 10  
**Township:** 35 N      **Range:** 4 E      **Section:** 34  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Riverton      **Distance and Direction from City:** In town  
**Descriptive Location:** 841 Christy Drive, Riverton, WY  
**Reporter:** Dick Scott  
**Observer(s):** Dick Scott  
Bev Scott

**Comments:** Light, tanish-gray body; dark crescent on both sides of neck; tail truncate, faint whitish near end.

**Vote Comments:** Doesn't distinguish between Ringed Turtle-Dove and Eurasian Collared-Dove; many Eurasian Collared-Dove records in Riverton.

---

**African Collared-Dove**

02-012      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 19 July 2002      **Number Seen:** 1  
**County:** Natrona      **Latilong:** 18  
**Township:** 31 N      **Range:** 87 W      **Section:** NWSW 2  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Alcova      **Distance and Direction from City:** 27 miles W  
**Descriptive Location:** NE of the Bug Ranch (old Matador Ranch)  
**Reporter:** Dick Scott  
**Observer(s):** Dick Scott  
Bev Scott

**Comments:** Lighter and more tan than Mourning Dove; tail truncate, whitish near the end.

**Vote Comments:** Rejected due to lack of descriptive details.

---

**African Collared-Dove**

89-022      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 6-8 June 1989      **Number Seen:** 1  
**County:** Albany      **Latilong:** 27  
**Township:** 15 N      **Range:** 73 W      **Section:** 1  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**

---

**African Collared-Dove**

98-017      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 6 February 1998      **Number Seen:** 7  
**County:** Fremont      **Latilong:** 10  
**Township:** 1 N      **Range:** 4 E      **Section:** 34  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Riverton      **Distance and Direction from City:**  
**Descriptive Location:** 215 East Washington Avenue  
**Reporter:** James Moore  
**Observer(s):** James Moore

**Comments:** Black marking or ring on back of neck.

**Vote Comments:** No documentation.

---

**African Collared-Dove**

98-018      **Accept/Reject:** A      **Evidence Category:** 6P  
**Date:** 19 July 1997      **Number Seen:** 1  
**County:** Laramie      **Latilong:** 28  
**Township:** 14 N      **Range:** 66 W      **Section:** 31  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Cheyenne      **Distance and Direction from City:**  
**Descriptive Location:** Fred Mueller's home, 3011 Pioneer Avenue  
**Reporter:** Jane Dorn  
**Observer(s):** Jane Dorn      David Young  
Greg Johnson

**Comments:** Bird like an over-sized, plump Mourning Dove; white on chin, breast, belly, and under tail; black collar on neck; upperparts pale tan.

**Vote Comments:** Good detailed description. Careful observer. This must be a released cage bird.

---

**Allen's Hummingbird**

97-029      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 14 August 1997      **Number Seen:** 10  
**County:** Carbon      **Latilong:** 19  
**Township:** 26 N      **Range:** 81 W      **Section:** NE 28  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Medicine Bow      **Distance and Direction from City:** 20 miles N  
**Descriptive Location:** Braxton Ranch, north of Medicine Bow  
**Reporter:** Bob Lanka  
**Observer(s):** Bob Lanka

**Comments:** Throat, belly, upper side of tail, and mid-back reddish; green from mid back over the head.

**Vote Comments:** Question identification.

---

**American Bittern**

93-008      **Accept/Reject:** A      **Evidence Category:** 4  
**Date:** 14 May 1978      **Number Seen:** 1  
**County:** Sheridan      **Latilong:** 5  
**Township:** 56 N      **Range:** 80 W      **Section:** SE 34  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Sheridan      **Distance and Direction from City:**  
**Descriptive Location:** SR Creek Road overlooking Buffalo Creek  
**Reporter:** Helen Downing

---

## Whooping Crane

06-004      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 19 April 2006      **Number Seen:** 6  
**County:** Fremont      **Latilong:** 17  
**Township:** 33 N      **Range:** 99 W      **Section:** 18  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Lander      **Distance and Direction from City:** In town  
**Descriptive Location:** Circling above Lander, WY  
**Reporter:** Lee Lofgren  
**Observer(s):** Lee Lofgren  
Margie Farias

**Comments:** Long, thin bill; small red on front and top of head; long, thin, straight neck; white upperparts and underparts; black primaries; short tail; legs long and outstretched. Group of 6 riding (circling) a thermal.

**Vote Comments:** Description lacks detail. Many Sandhill Cranes can appear quite light in flight. Unusual to find Sandhill Crane or Whooping Crane using a thermal. Unusual to find cranes silent. Need a more definitive sighting for this species.

---

## Whooping Crane

07-020      **Accept/Reject:** R      **Evidence Category:**  
**Date:** 24 August 2007      **Number Seen:** 1  
**County:** Teton      **Latilong:** 8  
**Township:**      **Range:**      **Section:**  
**UTME:**      **UTMN:**      **UTM Zone:**      **Datum:**  
**City:** Moran Junctio      **Distance and Direction from City:**  
**Descriptive Location:** Snake River Bridge, Grand Teton National Park  
**Reporter:** Alice Eve Richter  
**Observer(s):** Alice Eve Richter

**Comments:** Drawing. Very large, all white bird with long neck and black wing tips while flying over.

**Vote Comments:** Does not eliminate Snow Goose or mention head color or leg bands. Although not mentioned in the write-up, drawing does show legs extending behind the bird. Information does not rule out Sandhill Crane. Date is unusual for a migrating bird from Canada.
