

# 2016 Walk-In Fishing Areas

A Walk-In Fishing Area (WIFA) is a tract of private land or inaccessible public land on which the Wyoming Game and Fish Department has leased rights for public fishing enjoyment. Public access to a Walk-In Fishing Area is limited to fishing only during the time period and only for the specific species agreed upon by the landowner and the Department. Public access to any WIFA is restricted to foot traffic only (large areas may have exceptions, please see maps). Anglers are advised not to seek permission from the landowner to fish the approved species on the Walk-in Areas. Have your current fishing license, conservation stamp, appropriate WIFA map and just walk right in.

## Walk-In Fishing Rules:

- WIA Rules and regulations only apply to private lands enrolled in the PLPW Access Program. Anglers should review Public Use Rules for State Lands prior to fishing.
- Walk-in Areas are private property and only landowners may allow other activities, such as trapping, antler hunting, photography, hiking, bird watching, etc.
- Access is limited to individual access for fishing and does not include access for any commercial activity, including outfitting. These areas are for fishing only.
- Walk-In Areas are for foot travel only! Any travel exceptions are listed in the footnotes of the fishing area maps.
- Consult current Game & Fish Commission Fishing Regulations for specific fishing season and creel limit restrictions.
- Fishing is restricted to the boundaries of the Walk-in Area and is not permitted on adjoining private land.
- Some fishing Walk-in Areas are also enrolled in hunting. If posted signs indicate hunting and fishing, see current WIA Hunting Atlas for dates the area is open for hunting and species allowed.
- Anglers must be ethical, sportsmanlike, courteous and safe.
- Be aware of fire hazards.
- Do not litter. Pack out all trash (including wrappers, cigarette butts, and cans).
- NO CAMPING OR FIRES ON ACCESS AREAS.

Drainage Region	Department of Veterans Affairs

Corps of Engineers	National Park Service
Department of Agriculture	Private
Department of Defense	State
Department of Energy	State Parks
	Wyoming Game and Fish

Walk in Fishing Access areas are funded by you, the angler. If you use any of the Walk in Fishing areas or know someone who does, help us keep these areas open each year. You can do this by respecting the landowner, following the Walk-in Rules and by donating to this valuable program. Remember to donate to Access Yes when purchasing your licenses.
