

Application for Importation and Possession of Live Warm-Blooded Wildlife Permit

Governed by Wyoming Game and Fish Commission **Chapter 10** Regulation for the Importation and Possession of Live Warm-Blooded Wildlife.

*Live wildlife may be transported through the State of Wyoming if the person transporting said wildlife is in possession of a valid permit for interstate transportation of live wildlife (available at Wyoming ports of entry) and applicable health certificates. Federal restrictions may apply.

- Prior to completing the application, please review the Wyoming Game and Fish Commission Chapter 10 regulation (<https://wgfd.wyo.gov/regulations>). This application must be submitted and a permit granted prior to possession of certain wildlife species.
- Please complete this application in its entirety. Incomplete applications will be returned to the applicant and will not be processed. If an item does not apply, write N/A in the appropriate space.

Applicant Information

Applicant Name					
Company

City		State		Zip	
Physical Address					<input type="checkbox"/> Same as mailing
City		State		Zip	
Phone		Email			
Application Date		Request is for Year:		Previous Permit #	

- Check this box **only** if the above listed information has changed from previously issued permit.
- Check this box **only** if you would like your e-mail address and telephone number **made available** as public information as per state law ([W.S. § 23-1-706](#)). Other Information given on this application may be made available as public information, except as provided by law.

Wildlife

Common Name	Genus and Species Name	Number	Purpose

- Check this box if this application is **only** for wildlife already in your possession (same individuals and same or fewer numbers) as previous year's permit. Applications for permit renewals for wildlife already in possession must be received **60 days** prior to the expiration of the previous permit.
 - *An annual maximum of 100 game birds (aggregate) may be possessed for dog/falcon training.*
 - *The permittee shall possess the appropriate certificate of veterinary inspection prior to importation of any wildlife (Appendix I of Chapter 10 of the Wyoming Game and Fish Commission Regulations).*
 - *The Department may deny or condition a permit if necessary to prevent disruption of breeding/rearing of wild game birds (i.e. no activities permitted during the breeding/rearing period of April 1 – July 31 if any wild game birds are present).*

Supplier

Supplier Name
