

CHAPTER 46

FISHING REGULATIONS

Section 1. Authority. These regulations are promulgated by authority of Wyoming Statutes § 23-1-101, § 23-1-302, § 23-1-303, § 23-2-206, § 23-2-209, § 23-3-201, § 23-3-202, § 23-3-308, § 23-3-401, § 23-4-101, § 23-4-103, and § 23-6-111.

Section 2. Definitions. Definitions shall be as set forth in Title 23, Wyoming Statutes, Commission regulations, and the Commission also adopts the following definitions:

(a) “Artificial Flies and Lures” means manmade flies and lures. Artificial flies and lures do not include living or dead organisms or edible parts thereof, natural or processed foodstuffs, scents, flavors or chemical attractants, whether added in the manufacturing process or applied afterward.

(i) Artificial lures are single devices regardless of the number of hooks, including spoons, spinners and plugs made of metal, plastic, wood or other non-edible materials, or plastic products made to resemble worms, eggs, fish or other aquatic organisms.

(ii) Artificial flies includes flies, streamers, jigs, or poppers tied from such materials as thread, feathers, hair or tinsel.

(b) “Aquaria” means any enclosures used to contain organisms that prevent escape. Aquaria shall have a closed system of water circulation with no risk of contacting the surface waters of this state.

(c) “Artificial Light” means any man-made light or lighting device.

(d) “Bait” means living or dead organisms or edible parts thereof, natural or processed foodstuffs, scented or flavored plastics or other materials and flies or lures containing a flavor, scent or chemical attractant used in the taking of fish.

(e) “Baitfish” means nongame fish not designated as aquatic invasive species that were collected or purchased for use as bait.

(f) “Business Establishment” means a single business location with an associated physical address designated on the live baitfish dealer’s license.

(g) “Commercially Produced Live Baitfish” means adult fathead minnows that were propagated and reared in a Department approved private fish hatchery.

(h) “Creel Limit” means the total number of game fish a person may harvest and reduce to possession during any one (1) day regardless of the method or methods of harvest.

- (i) “Dates” means the dates mentioned are inclusive.
- (j) “Day” means calendar day.
- (k) “Drainage” means the river or stream proper and the area of land, including all streams and standing waters, that drains into that river or stream.
- (l) “Fishing Contest” means:
 - (i) Any event for taking fish on waters of this state, excluding licensed fishing preserves or hatchery catch out ponds, where cash or prizes are awarded or an entry or participation fee is charged; and,
 - (ii) Fifty (50) or more adults (18 years of age or older) or twenty-five (25) or more boats participate on a given date.
- (m) “Fishing Contest Permit” means a document issued by the Department that grants the permittee authorization to conduct a fishing contest.
- (n) “Gaff” means a spear or hook, with or without a handle, used for holding or lifting of fish.
- (o) “Game Fish”, unless otherwise provided for specific waters or drainages, means:
 - (i) bass (GENUS Micropterus and Ambloplites);
 - (ii) bluegill, pumpkinseed and sunfish (GENUS Lepomis);
 - (iii) crappie (GENUS Pomoxis);
 - (iv) walleye and sauger (GENUS Sander);
 - (v) yellow perch (GENUS Perca);
 - (vi) trout, salmon, and char (GENUS Salmo, Oncorhynchus, and Salvelinus);
 - (vii) whitefish and cisco (GENUS Prosopium);
 - (viii) grayling (GENUS Thymallus);
 - (ix) pike (GENUS Esox);
 - (x) catfish and bullheads (GENUS Ameiurus, Ictalurus, Noturus, and Pylodictis);
 - (xi) burbot (GENUS Lota);

(xii) sturgeon (GENUS Scaphirhynchus); and

(xiii) freshwater drum (GENUS Aplodinotus).

(p) “Lake” means a body of standing water in a depression of land and includes reservoirs, ponds (excluding ponds created by beavers) and gravel and mining pits.

(q) “Live Baitfish Dealer” means a person licensed by the Department to sell live baitfish.

(r) “Live Baitfish Dealer of Record” means the designated individual legally accountable for all aspects of the live baitfish dealer.

(s) “Length” means the total length of a fish in inches, as measured in a straight line along a flat surface, from the tip of the snout to the tip of the tail.

(t) “Nongame Fish” means all fish not defined as game fish or aquatic invasive species, including baitfish.

(u) “Possession Limit” means the maximum number of game fish that may legally be in possession at any time and in any form. Game fish in transit or storage, including home or domicile, shall be considered in possession. Possession limits apply regardless of how many days an angler has fished.

(v) “Seining License” means a license to seine or trap fish issued by the Department for the purpose of taking baitfish.

(w) “Special Fishing Contest Provision” means a provision promulgated for exclusion of fishing contests from specific waters.

(x) “Special Winter Ice Fishing Provision” means a provision promulgated for the ice covered period of specific waters.

(y) “Stream” means water in a permanent bed or channel with a current that is usually continuous in one direction and includes creeks, rivers, irrigation ditches, drains, canals, sloughs and ponds created by beavers. Streams may not flow continuously during low-flow periods. Ponds or puddles in a stream channel during low flow periods shall be considered to be a stream.

(z) “Trout” means brown, cutthroat, grayling, golden, rainbow, salmon, tiger trout and other trout hybrids in combination unless a specific species is referenced. Trout excludes brook trout, lake trout and splake.

(aa) “Trout bead” means a bead constructed from any non-edible material to resemble a trout egg that is fished on a line or leader above a hook or artificial fly. Beads associated with spinners, bait harnesses and other types of artificial lures are not considered trout beads.

(bb) “Wild Caught Live Baitfish Possession Area” means the specific locations in Area 2, 3 or 5 where wild caught live baitfish may be possessed regardless of whether they were captured by a seining license holder or obtained from a live baitfish dealer.

Section 3. Seasons and Fishing Hours.

(a) Fishing is permitted year-round twenty-four (24) hours a day in any waters of this state except as otherwise provided by Commission regulation for specific areas, streams, lakes, or portions thereof. Exceptions are listed with the regulations for each drainage area in Sections 17, 20, 22, 25, 28 and 32 of this chapter.

Section 4. Methods.

(a) It is legal to use hand lines, set lines, poles, or tip ups when fishing through the ice and the angler is in attendance.

(b) Internal organs, eggs, eyes, fins, and skin of game fish are the only portions that may be used legally as bait. Any part of nongame fish may be used as bait. The use of bait may be restricted on specific waters as described in Sections 17, 22, 25, 28 and 32 of this chapter.

(c) Amphibians and reptiles shall not be used as fishing bait. The possession of live or dead amphibians and reptiles while fishing is prohibited.

(d) Crayfish shall only be used as live fishing bait in the water body from which they were captured. Once transported away from the water of capture, crayfish shall not be used as live fishing bait.

(e) Artificial light may be used while fishing with legal fishing methods except as prohibited in Section 10 of this chapter.

(f) Corn may be possessed and used as bait in all waters where fishing with bait is permitted.

(g) Use or possession of bait is prohibited in areas or on waters where fishing is permitted by the use of artificial flies and lures only.

(h) A trout bead fixed on a line or leader two (2) inches or less from the eye of a bare hook is considered an artificial lure. Fishing with a trout bead more than two (2) inches from the eye of a bare hook or artificial fly is considered snagging and is prohibited.

(i) The following method restrictions apply for waters listed in subsection (iv) of this Section.

(i) The use of more than two (2) lines is permitted only during the ice covered period, and only when the angler is fishing through the ice, on waters listed below as being included under the Special Winter Ice Fishing Provision.

- (ii) No person shall use more than six (6) lines at any time to fish.
- (iii) When using more than two (2) lines;
 - (A) The angler's name shall be attached to each line, pole or tip-up;
 - (B) The angler shall be no more than three hundred (300) yards from all lines; and,
 - (C) Anglers shall check their own lines.
- (iv) The following waters are included under the Special Winter Ice Fishing Provision:
 - (A) Alcova Reservoir;
 - (B) Bighorn Lake in Big Horn County;
 - (C) Big Sandy Reservoir;
 - (D) Boulder Lake in Sublette County;
 - (E) Boysen Reservoir;
 - (F) Deaver Reservoir in Park County;
 - (G) Flaming Gorge Reservoir;
 - (H) Fontenelle Reservoir in Lincoln County;
 - (I) Glendo Reservoir;
 - (J) Goldeneye Reservoir;
 - (K) Gray Reef Reservoir;
 - (L) Grayrocks Reservoir;
 - (M) Guernsey Reservoir;
 - (N) Harrington Reservoir in Big Horn County;
 - (O) Hawk Springs Reservoir;
 - (P) Keyhole Reservoir;

- (Q) Kortes Reservoir;
- (R) Lake DeSmet;
- (S) Lake Hattie;
- (T) Ocean Lake in Fremont County;
- (U) Pathfinder Reservoir;
- (V) Pilot Butte Reservoir;
- (W) Seminoe Reservoir;
- (X) Sulphur Creek Reservoir in Uinta County;
- (Y) Wardell Reservoir;
- (Z) Wheatland Reservoir #1 in Platte County;
- (AA) Wheatland Reservoir #3 in Albany County; and,
- (BB) Woodruff Reservoir.

Section 5. Creel limits.

(a) Except as otherwise provided, no person shall harvest and keep during any one (1) day, or have in possession, more than the number and length of game fish specified in the creel limits listed below. Please refer to subsection (c) of this Section. Exceptions are listed with the regulations for each drainage area in Sections 17, 22, 25, 28 and 32 of this chapter.

Category	Creel and Possession Limits
(i) Trout (in combination includes brown, cutthroat, grayling, golden, rainbow, salmon, tiger trout, and other trout hybrids). Excludes brook trout, lake trout and splake.	Lakes: six (6) Streams: three (3). No more than one (1) trout shall exceed sixteen (16) inches. Streams and lakes combined: six (6)
(ii) Brook trout	sixteen (16)

(iii) Lake trout and splake in combination	six (6). No more than one (1) lake trout or splake shall exceed twenty-four (24) inches.
(iv) Whitefish	six (6)
(v) Largemouth and smallmouth bass in combination	six (6)
(vi) Walleye	six (6)
(vii) Channel catfish	six (6)
(viii) Northern pike	See drainage area exceptions.
(ix) Tiger muskie (sterile northern pike muskellunge hybrid)	one (1). All tiger muskie less than thirty-six (36) inches in length shall be released to the water immediately.
(x) Yellow perch, black bullhead, stonecat, crappie, rock bass, bluegill, pumpkinseed, green sunfish, green sunfish-bluegill hybrid, freshwater drum in combination	fifty (50)
(xi) Burbot (ling)	three (3)
(xii) Sauger	two (2)
(xiii) Shovelnose sturgeon	two (2)

(b) Except as otherwise provided in the exception for an individual water, the total combined creel and possession limit for the trout category, regardless of the waters (streams, lakes, or a combination of both) a person is fishing, shall not exceed six (6) trout per day or in possession.

(c) Any fish caught that is not to be counted in the creel limit shall be immediately released to the water with as little injury to the fish as possible. Any fish placed on a stringer, in a container, in a live well, or not released immediately to the water, shall be considered to be reduced to possession of the angler and shall be killed prior to being transported from the water of origin. No fish that has been reduced to possession of the angler shall be released alive without prior written approval from the Department.

(d) All fish possessed or transported shall be kept in a manner that species and numbers can be determined. When length limits apply, the whole body shall remain intact (gills and entrails can be removed) while in transit or in the field. Where length limits do not apply, a piece of skin large enough to allow species identification (at least one (1) inch square) shall remain on all fish fillets while in transit or in the field, except as otherwise provided in Sections

22, 25 and 32 of this chapter for walleye and sauger harvested in the Wind River, Bighorn River and Tongue River drainages and Glendo Reservoir and in Section 28 of this chapter for lake trout harvested in Flaming Gorge Reservoir.

(e) There are no creel or possession limits on nongame fish. Nongame fish may be taken by the use of legal fishing methods during any season open for the taking of game fish.

Section 6. Seining and Trapping of Fish.

(a) No person shall seine, net, trap or spear baitfish without first obtaining a valid seining license. A valid seining license is required when using a seine, net, trap or spear to take baitfish, even those that will be used as dead bait.

(i) Seining licenses may be obtained from Department regional offices or from Cheyenne Headquarters.

(ii) No person shall have more than one (1) seining license each calendar year.

(iii) Locations where baitfish may be obtained, possessed and used shall be specified on the seining license.

(A) Seining or trapping and use of baitfish shall only be done as specified in regulations for specific drainage areas in Sections 18, 23, 26, 29 and 33 of this chapter.

(b) Legal gear for taking baitfish includes seines, traps, cast nets, umbrella nets and dip nets. There are no restrictions on the size of mesh or net size for cast nets, umbrella nets or dip nets. Collection gear shall be hand operated.

(i) Seines used for the purpose of taking baitfish shall not be more than five (5) feet deep.

(ii) Traps used for the purpose of taking baitfish shall not be more than thirty-six (36) inches long, twelve (12) inches deep, twelve (12) inches wide or twelve (12) inches in diameter and the throat shall not exceed one (1) inch width.

(A) A seining license holder shall not use more than five (5) traps at a time.

(B) A holder of both a seining license and live baitfish dealer's license shall have no restriction on the number of traps that can be used.

(C) The owner's name and seining license number shall be attached to each trap while in use.

(c) Any game fish taken by trap, net or seine shall be released to the water immediately.

(d) Any brook stickleback (*Culaea inconstans*) taken by a trap, net or seine must be immediately killed.

(e) All Goldfish (*Carassius auratus*) and koi (as defined in Commission Regulation Chapter 49, Private Stocking of Cold-Blooded Wildlife) taken or purchased for use as bait shall be killed immediately in accordance with Commission Regulation Chapter 52, Take of Nongame Wildlife from Within Wyoming.

(f) Any live nongame fish captured for use as dead bait shall be killed immediately and shall not be transported live.

(g) No person shall intentionally tamper with or remove a trap or net, or remove fish from a trap or net that is set and maintained in compliance with Commission regulations unless in possession of a valid seining license and written permission from the seining license holder.

(h) All wild caught live baitfish transported out of the water of capture shall be held in aquaria when not in use.

(i) Wild caught live baitfish confined to a live car, net, pen or other enclosure in the same water from which the baitfish were captured are exempt from the aquaria holding requirement.

(i) All aquaria and enclosures shall have the owner's name and seining license number attached while in use.

(j) A seining license holder shall allow Department personnel to inspect live baitfish and all aquaria and enclosures used to hold live baitfish during reasonable hours.

(i) If an inspection discloses species of wildlife not authorized by the Department or an aquatic invasive species, the Department may order the wildlife, including all fish in aquaria and enclosures, removed from Wyoming or destroyed.

(k) Wild caught live baitfish may be held indefinitely by the holder of a valid, unexpired seining license, but shall not be released, abandoned or allowed to escape.

(l) A seining license holder shall not sell, trade, barter or broker live baitfish without first possessing a valid live baitfish dealer's license.

(m) A seining license holder shall be allowed to give live baitfish to other anglers in his or her fishing party for use only when the seining license holder is present. All live baitfish shall be returned to the seining licensee while not in use, and shall remain in the wild caught live baitfish possession area listed on the seining license.

(n) A seining license holder shall be allowed to give dead baitfish to other anglers for use as dead bait.

(o) Seining licenses are subject to suspension or revocation for failure to comply with the seining and trapping conditions specified in Sections 6, 18, 23, 26, 29 and 33 of this chapter.

(i) Any revocation of a seining license other than a court hearing revocation shall be subject to contested case proceedings in accordance with Commission Regulation Chapter 27, Rules Of Practice Governing Contested Cases Before The Wyoming Game and Fish Commission.

(ii) A seining license holder may appeal a Department decision made under the authority of this chapter by submitting a written request to the Chief of Fisheries at Department headquarters for reconsideration within thirty (30) consecutive days from the date of receipt of written notification of the decision being contested. If a licensee fails to request an appeal within thirty (30) consecutive days, the licensee shall waive their ability to make any future appeal of the Department's decision. Appeals shall be conducted in accordance with the Department Decision appeals process described in Commission regulation Chapter 51, Private Fish Hatcheries.

Section 7. Live Baitfish Dealers.

(a) Any person desiring to engage in the commercial use of live baitfish shall apply for and receive a valid live baitfish dealer's license prior to selling, trading, bartering or brokering live baitfish except holders of a valid Wyoming commercial fish hatchery license who may sell or otherwise transfer live baitfish to live baitfish dealers for resale. Application for a live baitfish dealer's license shall be made on forms provided by the Department. The applicant shall provide information including, but not limited to, the physical location of the business and a description of facilities to be used for holding fish.

(b) Commercially produced live baitfish may be transported into the state for the sole purpose of resale, provided that:

(i) The recipient is a live baitfish dealer in possession of a valid live baitfish dealer's license or an in-state Department approved private fish hatchery; and,

(ii) The recipient has written authorization from the Chief of Fisheries to receive live baitfish from a Department approved out-of-state fish hatchery; and,

(iii) Vehicles used for the transport of live baitfish into the state shall be placarded indicating that the equipment is being used to transport live fish. Letters, numbers or symbols displayed on the placard shall be at least three (3) inches in height, excluding shading and bordering, and shall be of a color that contrasts with the placard background color. Anyone in the process of transporting live baitfish for the purpose of resale shall be in possession of written authorization from the Chief of Fisheries to ship or transport live baitfish into the state. Live baitfish shipped by common carrier (e.g., UPS, Federal Express) are exempt from this requirement; and,

(iv) The Chief of Fisheries shall be notified immediately by the live baitfish dealer if a shipment contains any other fish species, vegetation or other organisms. The shipment of concern shall be quarantined and held at the business establishment until final disposition is determined following inspection by the Department.

(c) The Chief of Fisheries may choose not to authorize a live baitfish dealer to receive live baitfish from a Department approved out-of-state fish hatchery if the dealer has failed to comply with any provision of Sections 6 or 7 of this chapter.

(d) A live baitfish dealer of record shall be established for each live baitfish dealer's license. The live baitfish dealer of record and employees of a live baitfish dealer are authorized to sell live baitfish only at the business establishment. The current year's live baitfish dealer's license shall be displayed for public viewing at the business establishment. If a parent company has multiple business establishments, a live baitfish dealer's license shall be required at each separate business establishment selling live baitfish.

(e) All wild caught live baitfish transported out of the water of capture shall be held in aquaria when not in use.

(i) Wild caught live baitfish confined to a live car, net, pen or other enclosure in the same water from which the baitfish were captured are exempt from the aquaria holding requirement.

(f) All enclosures and aquaria shall have the owner's name and live baitfish license number attached while in use.

(g) Live baitfish may be held indefinitely by the holder of a valid live baitfish dealer license, but shall not be released, abandoned or allowed to escape.

(h) A live baitfish dealer may be licensed to obtain and sell:

(i) Commercially produced live baitfish for use in all locations east of the continental divide where permitted as described in Sections 23, 26 and 33 of this chapter; or,

(ii) Commercially produced live baitfish and wild caught live baitfish for use in one specific live baitfish location; or,

(iii) Commercially produced live baitfish for use in all locations east of the continental divide where permitted as described in Sections 23, 26 and 33 of this chapter and wild caught live baitfish for use in one specific live baitfish location. Commercially produced live baitfish and wild caught live baitfish shall have separate fish holding facilities and the live baitfish dealer shall maintain separate records for each facility.

(i) All wild caught live baitfish obtained, possessed, or sold shall be subject to the restrictions specified in Sections 6, 8, 18, 23, 26, 29 and 33 of this chapter.

(j) A live baitfish dealer may receive live baitfish from other licensed live baitfish dealers, provided that all wild caught live baitfish were legally obtained from the same live baitfish location for which the dealer is licensed.

(k) Live baitfish dealers shall issue a receipt to the buyer at the time of sale. Receipts shall be filled out completely, they shall be issued by the live baitfish dealer or an employee of the live baitfish dealer and no information on the receipt shall be completed by the buyer. The receipt shall show the dealer's name and address, the number of fish sold, the date of the transfer, appropriate expiration date and where the fish shall be used. Receipt forms shall be provided by the Department.

(i) Live baitfish dealers fishing with their own live baitfish must also be in possession of either a valid live baitfish receipt or a valid seining license when in the field.

(ii) Live baitfish dealers authorized to sell wild caught live baitfish shall issue receipts that expire fifteen (15) consecutive days from the date of sale.

(iii) Live baitfish dealers authorized to sell only commercially produced live baitfish shall issue receipts that expire thirty (30) consecutive days from the date of sale.

(l) Live baitfish dealers shall keep records of live baitfish sources on forms provided by the Department. All live baitfish brought into the business establishment shall be promptly recorded on the record of live baitfish source, including baitfish collected under the dealer's own seining license and baitfish received from commercial fish hatchery license holders, Department approved fish hatcheries, and other licensed live baitfish dealers.

(m) Live baitfish dealers shall maintain at the established business location legible, current, accurate and complete baitfish receipts and records of live baitfish sources.

(n) Copies of the completed receipts and records of live baitfish sources shall be returned to a Department regional office or to the Cheyenne Headquarters (License Section) by January 15 for transactions that occurred the prior calendar year.

(o) Department personnel may inspect the holding facilities, aquaria, enclosures and fish of live baitfish dealers during normal business hours.

(i) If an inspection discloses species of wildlife not authorized by the Department or an aquatic invasive species, the Department may order the wildlife, including all fish in the holding facilities, aquaria, and enclosures removed from Wyoming or destroyed.

(p) Live baitfish dealer licenses are subject to suspension or revocation for failure to comply with any provision of this Section.

(i) Any revocation of a live baitfish dealer license other than a court hearing revocation shall be subject to contested case proceedings in accordance with Commission

Regulation Chapter 27, Rules Of Practice Governing Contested Cases Before The Wyoming Game and Fish Commission.

(ii) A licensed live baitfish dealer may appeal a Department decision made under the authority of this chapter by submitting a written request to the Chief of Fisheries at Department headquarters for reconsideration within thirty (30) consecutive days from the date of receipt of written notification of the decision being contested. If a licensee fails to request an appeal within thirty (30) consecutive days, the licensee shall waive their ability to make any future appeal of the Department's decision. Appeals shall be conducted in accordance with the Department Decision appeals process described in Commission Regulation Chapter 51, Private Fish Hatcheries.

Section 8. Use of Baitfish.

(a) The use or possession of live baitfish is prohibited throughout Areas 1 and 4 (defined in Sections 16 and 27 of this chapter) and on all waters in Areas 2, 3, and 5 except as otherwise provided in Sections 18, 23, 26, 29 and 33 of this chapter which describe where live baitfish may be obtained, possessed and used.

(b) The specific waters from which wild caught live baitfish may be seined, netted or trapped and used are listed in Sections 18, 23, 26, 29 and 33 of this chapter. Wild caught live baitfish shall not be transported out of the designated wild caught live baitfish possession area from which they were collected. This area shall be listed on the seining license, live baitfish dealer license or live baitfish receipt.

(c) No person shall possess live baitfish while fishing on any water where the use of live baitfish is prohibited.

(d) Commercially produced live baitfish may be transported and possessed throughout Areas 2, 3 and 5 (east of the continental divide) except where the use of live baitfish is prohibited. Use or possession of commercially produced live baitfish is prohibited on all waters except as otherwise provided in Sections 18, 23, 26, 29 and 33 of this chapter.

(e) Possession of live brook stickleback (*Culaea inconstans*) is prohibited in Wyoming.

(f) Live Goldfish (*Carassius auratus*) or koi shall not be in possession while fishing in accordance with Commission Regulation Chapter 52, Take of Nongame Wildlife from Within Wyoming.

(g) Persons with live baitfish in possession shall produce, upon request from Department personnel, either a live baitfish dealer's license, receipt from a licensed live baitfish dealer or a valid, unexpired seining license verifying the origin of the live baitfish.

(h) No live baitfish shall be transported into the state for use as live baitfish except as provided in Section 7 of this chapter.

(i) All live baitfish shall be held in aquaria when not in transport or in use.

(j) Live baitfish shall not be released, abandoned, or allowed to escape and must be killed when the receipt expires.

(k) Dead baitfish may be used as bait. Restrictions on the use of dead baitfish are designated within the regulations for the specific drainage area in Sections 18, 20, 23, 26, 29 and 33 of this chapter. Nongame fish taken by the use of legal fishing methods during any season open for the taking of game fish may be used as dead bait. Any live baitfish captured for use as dead bait shall be killed immediately and shall not be transported live.

Section 9. Closure of Fish Holding Facilities. All fish rearing and retaining ponds used by the state including those located at state fish hatcheries, or any that may be constructed elsewhere, are closed to fishing throughout the calendar year. Temporary facilities at spawning station sites are closed to fishing during the time they are in use by the Department.

Section 10. Underwater Spear Gun Fishing.

(a) No person shall use an underwater spear gun to take game fish under water without obtaining a fishing license.

(b) Fish may be taken by underwater spear gun fishing in lakes only.

(i) Underwater spear gun fishing is not permitted within one hundred (100) yards of any designated swimming or water ski areas, boat dock, ramp or spillway.

(ii) A diver flag shall be displayed on the water when diving or underwater spear gun fishing. It shall be a rectangular flag that is either blue and white in color or red in color with a white diagonal stripe, not less than twelve (12) inches by twelve (12) inches and displayed no less than three (3) feet above the surface of the water.

(c) The use of artificial light to take game fish with a spear gun is prohibited.

(d) All spears used on spear guns shall be attached to the spear gun with a lanyard with a maximum length of twenty (20) feet.

(e) The limit on walleye taken by spear gun shall be two (2) per day or in possession, except where designated as nongame fish or where otherwise provided for Alcova Reservoir in Section 33 of this chapter. All other general and water-specific creel and possession limits shall apply.

Section 11. Transportation of Live Fish. No person shall transport live fish or live fish eggs from the water of capture, except as provided by Commission regulations or as authorized by the Department.

Section 12. Tagging or Marking Fish. No person shall tag or mark fish and release them into the waters of this state without prior written approval from the Department.

Section 13. Ice Fishing Shelters. Any person utilizing an enclosed ice fishing shelter on the waters of this state shall remove the shelter from the body of water before ice-out.

Section 14. Fishing Contests.

(a) Fishing contests held on waters of this state shall be approved and authorized in writing by the Department. No person shall conduct a fishing contest without first obtaining a fishing contest permit. The permittee shall adhere to all requirements and stipulations provided on the fishing contest permit.

(b) Applications. Anyone desiring to hold a fishing contest shall submit an application for a fishing contest permit on a form provided by the Department. Fishing contest applications may be submitted one (1) year (365 days) prior to the start of the fishing contest, but shall be submitted at least thirty (30) days prior to the start of the fishing contest.

(c) Live Release Fishing Contests. No person shall release live fish in a fishing contest without a fishing contest permit authorizing live release.

(d) Reasons for Denying Fishing Contest Permits. The Department may deny an application if information is falsified on the application, or if the application is incomplete or incorrectly filled out. Fishing contest permits shall not be issued if the Department determines the fishing contest does not comply with Wyoming Statutes, Commission regulations, shall be harmful to the fisheries resource, or that public use facilities such as boat ramps, parking areas, campgrounds, and related facilities are inadequate to support the contest. Failure to comply with the requirements of the fishing contest permit is a violation of Commission regulations and may result in denial of future fishing contest permits.

(e) Post-Fishing Contest Report Required. Within thirty (30) days after completion of the fishing contest, the permittee shall submit a legible, complete and accurate written report to the Department on a form provided by the Department. Failure to submit this report may result in denial of future fishing contest permits.

(f) Fishing Contest-Free Period. The following restrictions apply for waters covered by the special fishing contest provision.

(i) Waters included under the special fishing contest provision are listed with the regulations for those drainage areas in Section 32 of this chapter.

(ii) The Department shall authorize fishing contests such that each water included in the "Special Fishing Contest Provision" has a period of at least two (2) weeks when fishing contests are not allowed.

(iii) The specific dates when contests are not allowed are listed with the regulations for those drainage areas in Section 32 of this chapter.

Section 15. Established Check Stations, Mandatory Reporting. Upon request of any authorized Department representative, anyone who has been fishing shall produce a valid license and conservation stamp, if required, and fish. Even if the fish in possession have been cut and wrapped or processed, the person transporting fish shall stop and report at the check station.

Section 16. Area 1 Coverage. Area 1 means the Snake River, Salt River, Greys River, Hoback River, Gros Ventre River and Buffalo Fork River drainages and all drainages west of the Teton and Snake River Ranges.

Section 17. Area 1 Exceptions to General Provisions. Fishing is permitted as described in Sections 1 through 15 of this chapter, except as otherwise specified in this Section:

(a) All streams within Area 1, unless indicated otherwise, in Fremont, Lincoln, Sublette, and Teton counties.

(i) The creel limit on trout shall be three (3) per day or in possession.

(A) No more than one (1) trout shall exceed sixteen (16) inches; and,
