

**CWD transmission**  
& antemortem testing  
*Cross, Malmberg, Hnilicka, Merkle*

**Seasonal movements**  
& distribution, with implications for CWD management  
*Sawyer et al.*

**Seasonal ranges**  
& migration  
*Kauffman et al.*

**Learning to migrate**  
& movement mapping  
*Kauffman, Hnilicka et al.*

**Movement relative to interstates**  
*Sawyer et al.*

**Long-term ecology**  
& nutrition dynamics  
*Monteith et al.*

**Mineral excluders & CWD**  
*Cross, Malmberg, Schumaker, Monteith*

**Migration strategies**  
& conservation  
*Kauffman et al.*

**CWD + lion predation**  
*Holbrook, Monteith, et al.*

**Roadway interactions**  
*Kauffman et al.*

**Development thresholds**  
*Merkle, Sawyer et al.*

**Responses to wind energy**  
*Sawyer et al.*
