Correspondence

For questions about hunting in Wyoming, call one of Wyoming Game and Fish Department's Regional Offices (contact info available online at <https://wgfd.wyo.gov/regional-information>), or contact our statewide Customer Service staff at wgf-contact@wyo.gov or (307) 777-4600.

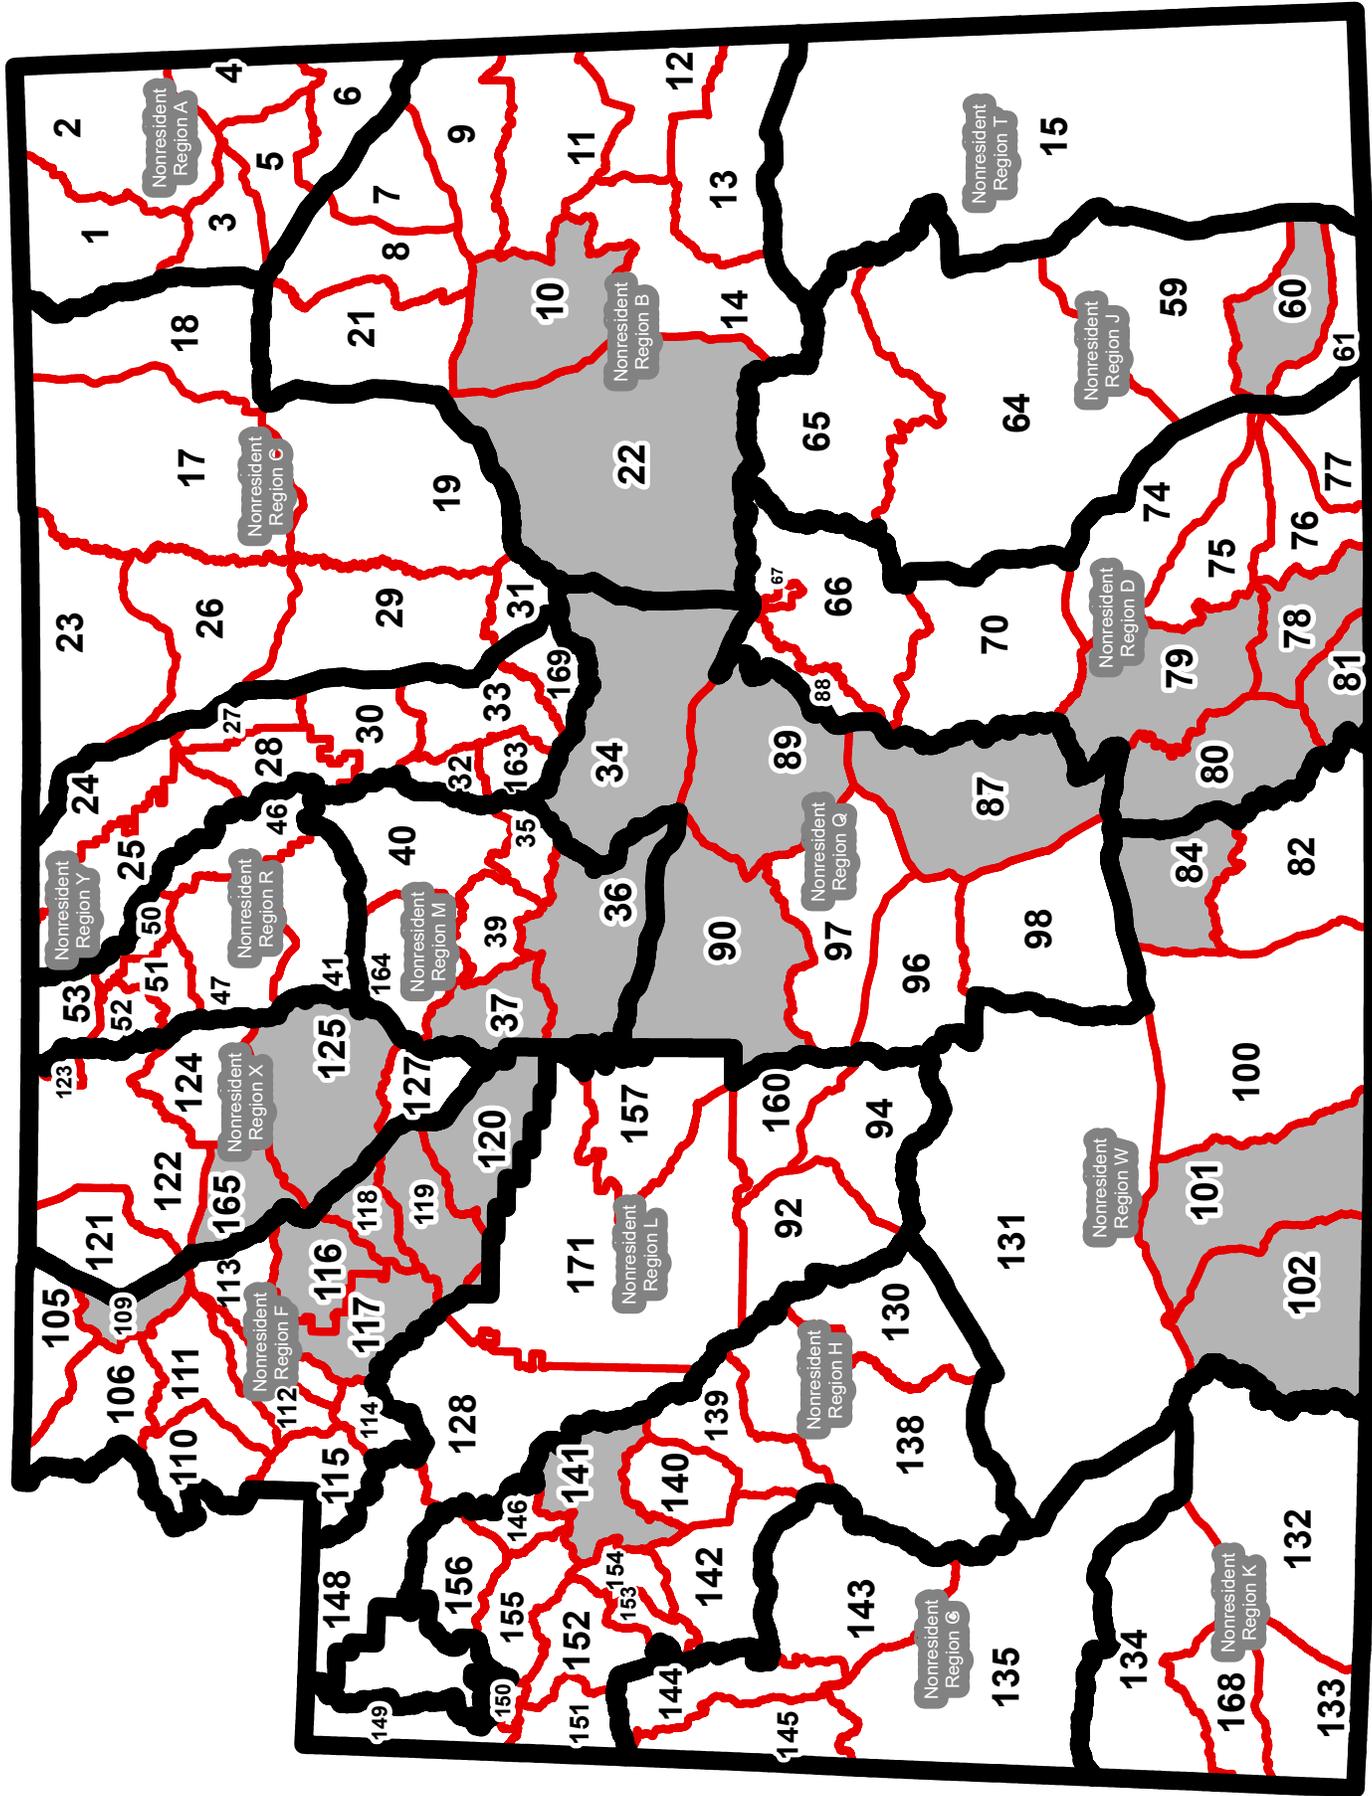

Acknowledgements

This report was completed through a partnership with the Wyoming Game and Fish Department and the Wyoming Survey and Analysis Center at the University of Wyoming. As always, we are indebted to the many sportspeople who shared valuable information about their hunting experience by completing a survey questionnaire.

Executive Summary

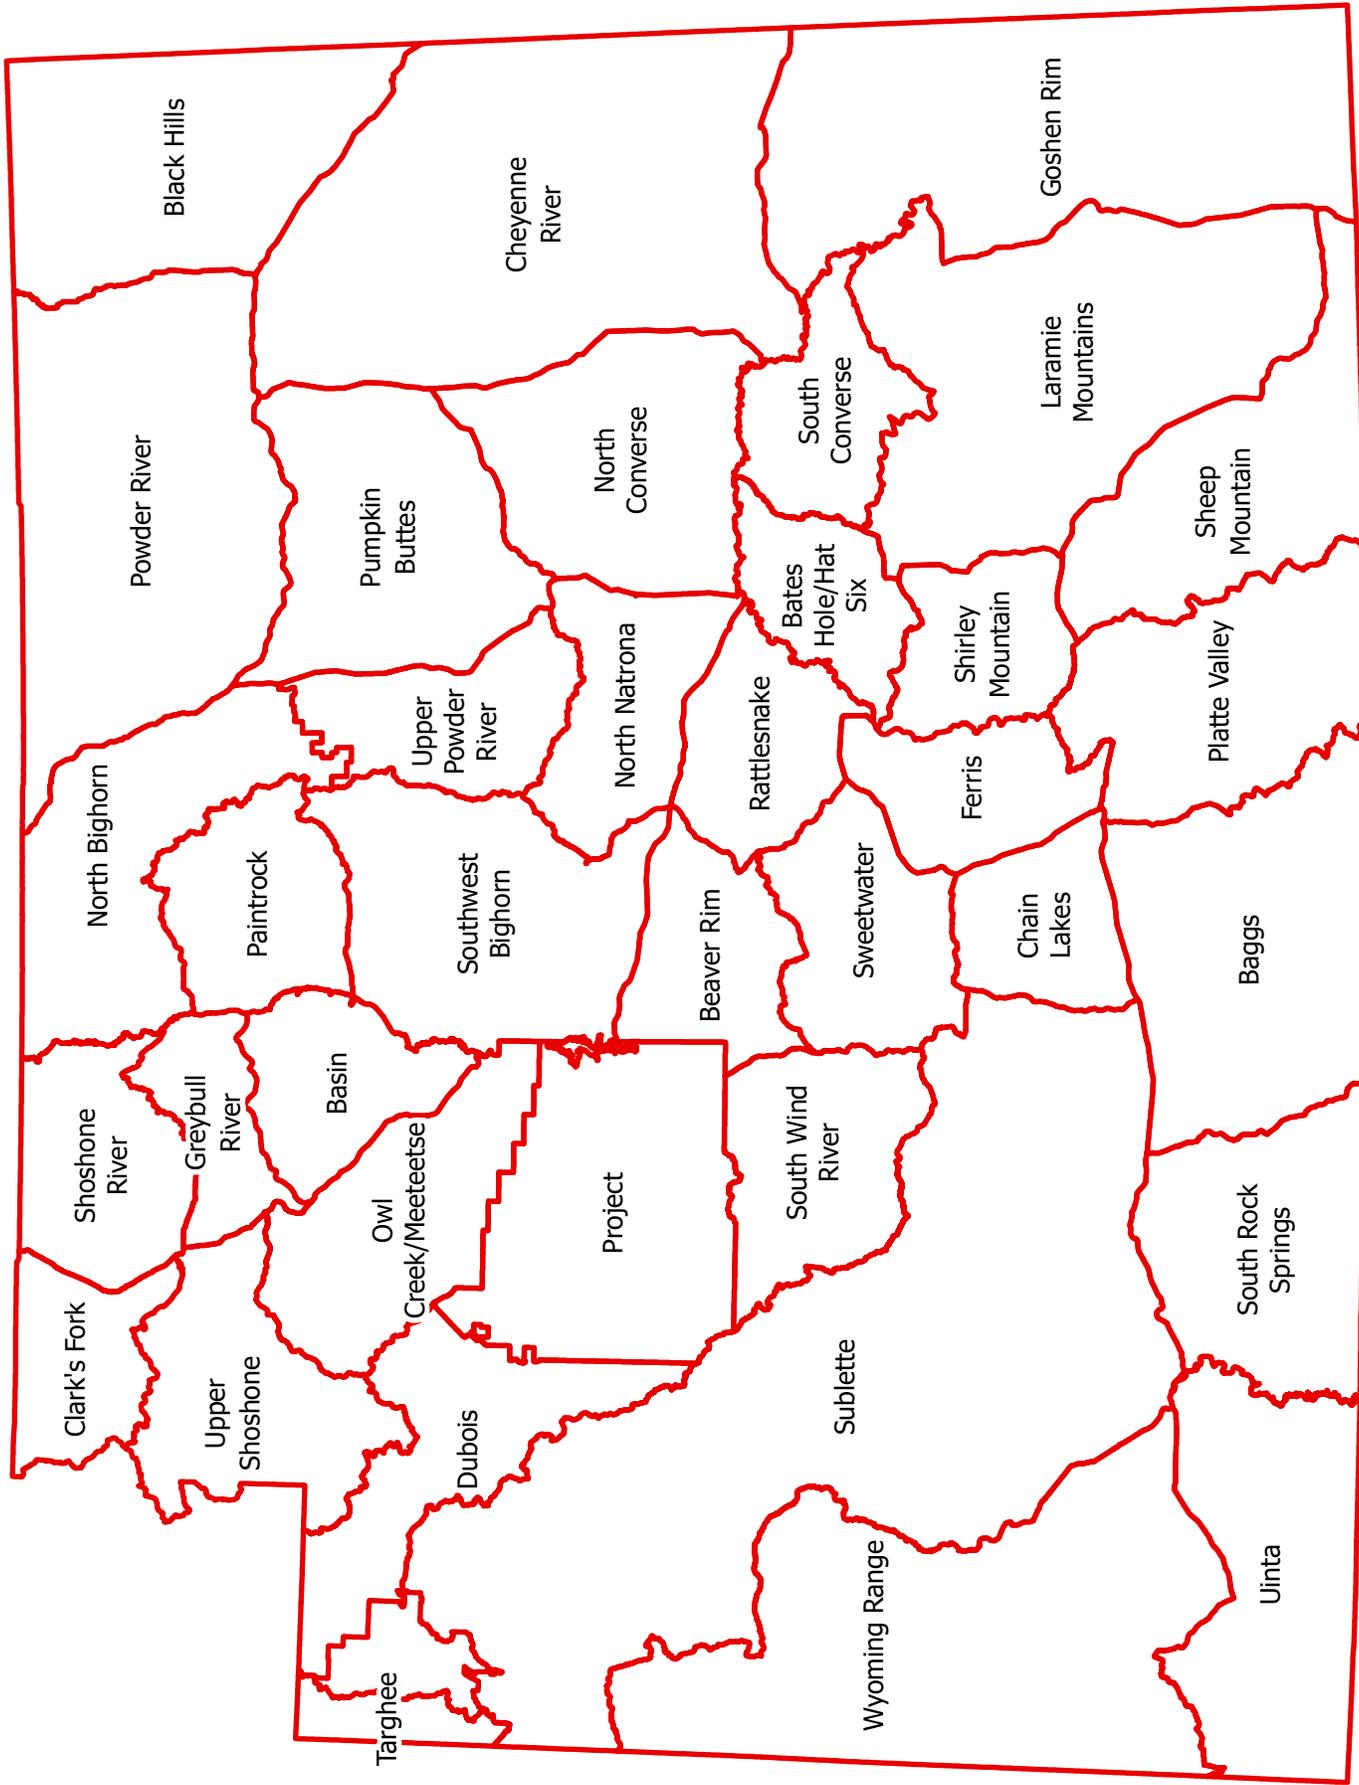

Each year the Wyoming Game and Fish Department surveys deer hunters to quantify harvest, hunter success, and hunter effort. This information helps the Game and Fish manage deer populations and plan next year's hunting seasons. The harvest statistics presented in this report were estimated based on 21,104 responses to a voluntary harvest survey sent to 51,668 license holders and extrapolated to represent the 63,100 licenses issued. We estimate 26,946 deer (16,688 mule deer and 10,258 white-tailed deer) were harvested in Wyoming during the 2025 hunting season.

Deer Hunt Areas

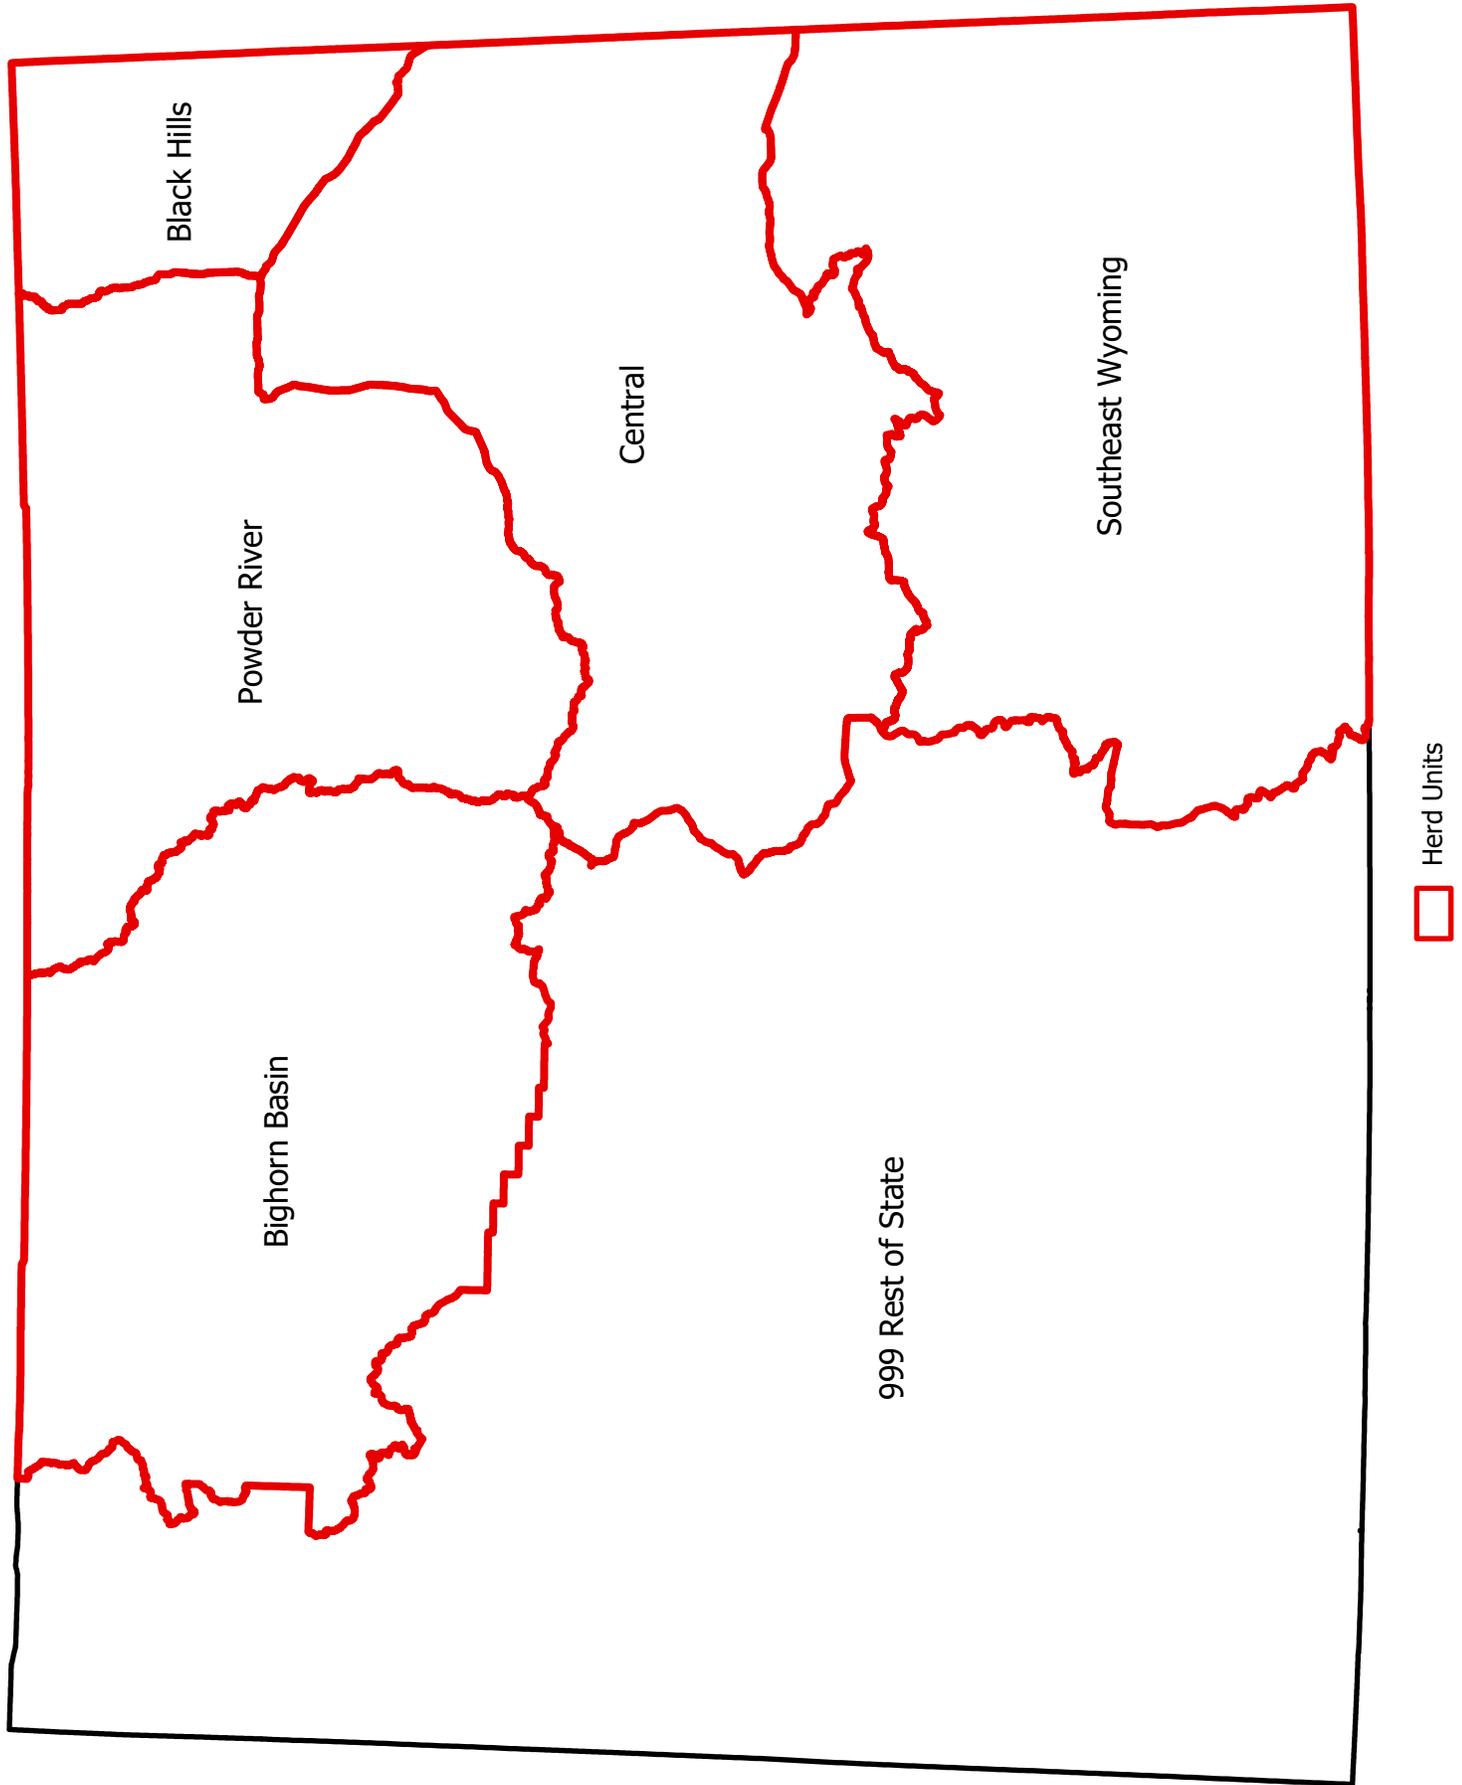

Nonresident Regions
 LIMITED QUOTA AREAS - Nonresident Region General and Resident General Licenses are not valid for limited quota areas.

Mule Deer Herd Units

White-Tailed Deer Herd Units

Table 7: Mule Deer Harvest Statistics by Hunt Area

Summary of estimated mule deer harvest statistics for each Hunt Area and license Type for the 2025 hunting season in Wyoming. "Cross area" indicates licenses valid in or from other Hunt Areas. "Active Lics" (rows above dividing line) excludes licenses that were unused. "Active Htrs" (rows under dividing line) excludes hunters who did not hunt. The "Active Lic/Htrs" column does not always sum because the top rows labeled with a license Type count licenses, the bottom rows labeled with "Total," "Resident," or "Nonresident" count hunters, and some hunters hold multiple licenses.

Hunt Area	(cross area)	Type	Active Lics/Htrs	Harvest				Hunter Days	Hunter Success (%)	Days/Harvest	Licenses Sold (cross incl.)

Table 8: White-Tailed Deer Harvest Statistics by Hunt Area

Summary of estimated white-tailed deer harvest statistics for each Hunt Area and license Type for the 2025 hunting season in Wyoming. "Cross area" indicates licenses valid in or from other Hunt Areas. "Active Lics" (rows above dividing line) excludes licenses that were unused. "Active Htrs" (rows under dividing line) excludes hunters who did not hunt. The "Active Lic/Htrs" column does not always sum because the top rows labeled with a license Type count licenses, the bottom rows labeled with "Total," "Resident," or "Nonresident" count hunters, and some hunters hold multiple licenses.

Hunt Area	(cross area)	Active Type	Active Lics/Htrs	Harvest				Hunter Days	Hunter Success (%)	Days/ Harvest	Licenses Sold (cross incl.)

Table 9: Mule Deer Harvest Statistics by Herd Unit

Summary of estimated mule deer harvest statistics for each Herd Unit and license price group for the 2025 hunting season in Wyoming. "Price" is separated into either (Full (i.e., Full-price limited quota licenses; Types 1-2), Reduced (i.e., Reduced-price limited quota licenses; Types 6-8) or General. "Active Lics" (rows above dividing line) excludes licenses that were unused. "Active Htrs" (rows under dividing line) excludes hunters who did not hunt. The "Active Lic/Htrs" column does not always sum because the top rows labeled with price group count licenses, the bottom rows labeled with "Total," "Resident," or "Nonresident" count hunters, and some hunters hold multiple licenses.

Herd Unit	Price	Active Lics/Htrs	Harvest				Hunter Days	Hunter Success (%)	Days/Harvest	Licenses Sold (cross incl.)

Table 10: White-Tailed Deer Harvest Statistics by Herd Unit

Summary of estimated white-tailed deer harvest statistics for each Herd Unit and license price group for the 2025 hunting season in Wyoming. "Price" is separated into either (Full (i.e., Full-price limited quota licenses; Types 1-2), Reduced (i.e., Reduced-price limited quota licenses; Types 6-8) or General. "Active Lics" (rows above dividing line) excludes licenses that were unused. "Active Htrs" (rows under dividing line) excludes hunters who did not hunt. The "Active Lic/Htrs" column does not always sum because the top rows labeled with price group count licenses, the bottom rows labeled with "Total," "Resident," or "Nonresident" count hunters, and some hunters hold multiple licenses.

Table 11: Mule Deer Harvest Statistics by Nonresident General Region

Summary of estimated mule deer harvest statistics for each Nonresident General License Region for the 2025 hunting season in Wyoming. Includes only hunting activity associated with Nonresident General licenses, even though Resident General and/or limited quota licenses are also valid in each Region. "Active Licenses" excludes licenses that were unused.

General Region	Active Licenses	Harvest				Hunter Days	Hunter Success (%)	Days/ Harvest	Licenses Sold
		Buck	Doe	Fawn	Total				
NR Region A	1,320	599	0	0	599	3,710	45.4	6.2	2,006

Table 18: Survey Effort and Response Rate by Hunt Area and License Type

Survey effort and response rate for each Hunt Area and license Type for which licenses were issued. General licenses are included under the county of license sale for Residents (R) and Nonresident (NR) General Region for Nonresidents “Response Target” is the number of responses needed to meet sample size targets. “Surveyed” is the number of licenses randomly selected to receive a survey and is greater than “Response Target” because response rates are < 100%. “Responses” is the number of licenses for which a usable survey response was received.

Hunt Area	Type	Quota	Licenses	Response Target	Surveyed	Responses	Responses/ Surveyed (%)	Responses/ Target (%)	Responses/ Licenses (%)
