## Spiegelberg Ranch East Pastures Hunter Management Area 2016

The Hunter Management Program, as part of the Wyoming Game and Fish Department's Access Yes Program, manages hunters on large sections of private lands and, by doing so, preserves hunting opportunities for hunters. A Hunter Management Area (HMA) may refer solely to private lands or a combination of private, state trust, and federal lands within ranch boundaries.

**The Spiegelberg Ranch East Pastures Hunter Management Area** is located approximately ten miles south of Laramie on the Sand Creek Road. As part of the Hunter Management Area agreement, a unique set of Ranch Rules is created cooperatively with the landowner. It is the hunters' responsibility to know, understand and comply with all Ranch Rules and Game and Fish Commission Regulations. Hunters agree to comply with these rules in order to access the Hunter Management Area. Failure to comply will likely result in fines and/or the termination of access privileges.

**ONLY DESIGNATED ROADS are open to motorized travel on this HMA.**  
**Designated roads** are defined as "only established roads marked as open by a Department white arrow sign." Roads without white arrow signs are closed to vehicles!

**Hunters:** Don't let the illegal riders and gate-busters degrade big game habitat and steal our hunting opportunities.

**Report  
all illegal  
off-road abuse!**
